RE: Hopland Band of Pomo Indians, Amendment #2

The NIGC found the actions proposed in the Hopland Band of Pomo Indians original management contract to be Categorically Excluded (CATEX). On May 29, 2007, the NIGC received a proposed amendment to the management contract (Amendment #2). Based on my review of Amendment #2, the action(s) proposed in the original management contract and this amendment, will "not individually or cumulatively have a significant effect on the human environment..." Therefore, the original CATEX letter, dated September 8, 2005, is still in effect and covers the original contract and all amendments received to date. BAM
