

Oklahoma Indian Gaming Association

April 26, 2012

Honorable Tracie Stevens
Chairwoman
National Indian Gaming Commission
144 L Street NW
Washington, DC 20005

Dear Chairwoman Stevens,

I write to you to express our support for the proposed Class II Technical Standards submitted to you by your Tribal Advisory Committee ("TAC"). The Oklahoma Indian Gaming Association ("OIGA") has followed the work of the TAC and received its proposed standards. First, we are very impressed with the depth and breadth of tribal governmental gaming operational and regulatory experiences represented by your appointees to the TAC. Second, we are most pleased at the high level of cooperation between the National Indian Gaming Commission personnel, including all of you, and the TAC in the in depth discussions of the existing technical standards, the needs of Indian Country to improve those standards and methods to accomplish those goals. Third, we wholeheartedly endorse the TAC proposed Technical Standards.

We therefore respectfully submit a resolution of support from the OIGA recommending the adoption of the Technical Standards as proposed by the TAC.

The member tribes present passed the attached resolution unanimously at the February 17, 2012 OIGA membership meeting held at the Hard Rock Hotel & Casino in Tulsa, OK.

Sincerely,

Sheila Morago
Executive Director
