OFFICE OF THE SECRETARY
Washington, DC 20240

OCT 28 2010

Honorable Rose Soulier
Chairperson, Red Cliff Band of Lake Superior Chippewas
88385 Pike Road, Hwy. 13
Bayfield, Wisconsin 54814

Dear Chairperson Soulier:

On October 13, 2010, we received the Amendments to the Red Cliff Band of Lake Superior Chippewas (Tribe) and the State of Wisconsin (State) Gaming Compact of 1991, executed on January 15, 1999, (Amendment). We have completed our review of this Amendment and conclude that it does not violate the Indian Gaming Regulatory Act of 1988 (IGRA), Federal law that does not relate to jurisdiction over gaming on Indian lands, or the trust obligation of the United States to Indians. Therefore, pursuant to my delegated authority and Section 11 of IGRA, we approve the Amendment. This Amendment shall take effect when the notice of our approval, pursuant to Section 11(d)(3)(B) of IGRA, 25 USC §2710(d)(3)(B), is published in the FEDERAL REGISTER.

A similar letter is being sent to the Honorable James Doyle, Governor of Wisconsin. We wish the Tribe and the State success in their economic venture.

Sincerely,

For Assistant Secretary – Indian Affairs

INTERNATIONAL TRADE COMMISSION

[Investigation Nos. 731-TA-1092-1093 (Final)]

Diamond Sawblades and Parts Thereof From China and Korea

Determination

On the basis of the record¹ developed in the subject investigation, the United States International Trade Commission (Commission) determines, pursuant to section 735(b) of the Tariff Act of 1930 (19 U.S.C. 1673d(b)) (the Act), that an industry in the United States is threatened with material injury by reason of imports from China and Korea of diamond sawblades and parts thereof, provided for in subheading 9202.39.00 of the Harmonized Tariff Schedule of the United States,² that have been found by the Department of Commerce (Commerce) to be sold in the United States at less than fair value (LTFV).³

Background

On May 3, 2005, the Commission instituted these investigations, following receipt of a petition filed with the Commission and Commerce by the Diamond Sawblades Manufacturers Coalition (DSMC) and its individual members, which included Blackhawk Diamond, Inc., Fullerton, CA;⁴ Diamond B, Inc., Santa Fe Springs, CA; Diamond Products, Elyria, OH; Dixie Diamond, Lilburn, GA; Hoffman Diamond, Punxsutawney, PA; Hyde Manufacturing, Southbridge, MA;

² When packaged together as a set for retail sale with an item that is separately classified under heading 8202 to 8205 of the HTS, diamond sawblades or parts thereof may be imported under HTS heading 8206.

³ Chairman Okun and Commissioners Lane and Pearson dissent, having determined that an industry in the United States is not materially injured or threatened with material injury by reason of LTFV imports of diamond sawblades and parts thereof from China and Korea.

⁴ Blackhawk Diamond ceased operations in January 2006.

IN REPLY REFER TO:

The Honorable James Doyle
Governor of Wisconsin
State Capitol
Madison, Wisconsin 53707

Dear Governor Doyle:

On May 28 2003, we received the Amendments (2003 Amendment) to the Red Cliff Band of the Lake Superior Chippewa Indians and the State of Wisconsin Gaming Compact of 1991, as amended January 15, 1999, executed on April 30, 2003. Before making a determination on whether to approve or disapprove the 2003 Amendment, we are seeking clarification and additional documentation on the following provisions of the 2003 Amendment.

Under the 2003 Amendment, Section IV(A) of the Compact is amended by adding, *inter alia*, electronic keno, roulette, craps, poker, and similar non-house banked card games, and games played at blackjack style tables. Please provide clarification on why you believe that the addition of these games is not in violation of the scope of gaming provision in 25 U.S.C. § 2710 (d)(1)(B) of the Indian Gaming Regulatory Act (IGRA) which requires that Class III gaming activities be located in a State that permits such gaming for any purpose by any person, organization, or entity.

The 2003 Amendment substantially modify Section XXXII of the Compact. When Section XXXII was added to the 1991 Compact as part of the 1998 Amendments, it provided for a payment of \$64,685 per year for the duration of the term of the Compact (five years). Section XXXII (A) of the 2003 Amendment seems to require the Community to pay more money to the State in exchange for the exclusive right to engage in the expanded scope of gaming authorized under amended Section IV(A). If the payment is an increase from the 1999 Amendment please submit a legal analysis that explains why this provision does not violate 25 U.S.C. § 2710(d)(4) of IGRA which prohibits the imposition of any fee, tax, charge, or other assessment on an Indian tribe. As we stated in our April 25, 2003 letters to the Governor of the State of Wisconsin and to the Chairman of the Forest County Potawatomi Community, it is the position of the Department of the Interior to permit revenue-sharing payments in exchange for *quantifiable* economic benefits over which the State is not required to negotiate under IGRA, such as substantial exclusive rights to engage in certain Class III gaming activities. We also need to assess whether the economic benefit that the Tribe is receiving under the Compact is sufficient consideration that justifies the payment to the State. Please submit an economic analysis that explains why you believe that the payment is appropriate in exchange for the economic benefit secured by the Tribe under the Compact.

An analysis discussing the factors above is needed in order for the Department to approve the Amendment. Under IGRA, the Department has 45 days to approve or disapprove your compact amendments. The action deadline for the 2003 Amendments is July 11, 2003. Please respond to this letter as soon as possible, but no later than June 13, 2003, to ensure that your response is taken into consideration in our decision making process.

Sincerely,

George T. Skibine

National Park Service

Fire Management Plan, Environmental Impact Statement, Grand Canyon National Park, AZ

AGENCY: National Park Service, Department of the Interior.

ACTION: Notice of Intent to prepare an Environmental Impact Statement for a Fire Management Plan for Grand Canyon National Park.

SUMMARY: Pursuant to the National Environmental Policy Act of 1969, 42 U.S.C. 4332 (C), the National Park Service is preparing an Environmental Impact Statement (EIS) for the Fire Management Plan (FMP) for Grand Canyon National Park. This effort will result in a new wildland fire management plan that meets current policies, provides a framework for making fire-related decisions, and serves as an operational manual. Development of a new fire plan is compatible with the broader goals and objectives presented in Grand Canyon National Park's 1995 General Management Plan (GMP).

The Environmental Impact Statement process will identify and evaluate the environmental impacts of several alternatives for fire management in the park. Alternatives will address resource protection, potential resource impacts, and various mitigation practices necessary or desirable to minimize adverse impacts to resource conditions. Alternatives to be considered will include no-action, and a reasonable range of alternatives that meet the project objectives, including various combinations of fire suppression, wildland fire use, prescribed fire, and mechanical treatments. The Environmental Impact Statement process will be conducted in consultation with the U.S. Fish and Wildlife Service, the Arizona State Historic Preservation Office, natural resource management agencies, affiliated American Indian tribes, and other interested Federal, state, and local agencies. Attention will also be given to resources outside the boundaries that affect the integrity of Grand Canyon.

Issues are expected to include protection of cultural resources, protection of plant and wildlife habitats, effects on native and non-native species, protection of threatened and endangered species and their habitats, protection of other natural resources, wildland urban interface, fire in proposed wilderness, protection of park neighbors' property, reducing impacts to park visitors,

protection of life and property, protection of air quality, effects on tourism, and changes in landscape-scale vegetation patterns.

The public involvement process will include distribution of a scoping document requesting public input and comment. Several public meetings will be held in locations surrounding the park. The scoping document will describe the project in general, identify preliminary issues, and include specific meeting dates and locations.

Information can be obtained from Dan Oltrogge, FMP Project Leader, Grand Canyon National Park, P.O. Box 129, Grand Canyon, AZ 86023, 928-638-7822.

DATES: The Park Service will accept comments from the public through November 17, 2003.

ADDRESSES: Information will be available for public review and comment in the office of the FMO, Dan Oltrogge, Grand Canyon National Park, P.O. Box 129, Grand Canyon, Arizona 86023; 928-638-7822.

FOR FURTHER INFORMATION CONTACT: Dan Oltrogge, FMP Project Leader, Grand Canyon National Park (928) 638-7822 or go to the Grand Canyon Compliance Web site at <http://www.nps.gov/grca/compliance>.

SUPPLEMENTARY INFORMATION: If you wish to comment on the scoping document, you may submit your comments by any one of several methods. You may mail comments to FMP Project, Grand Canyon National Park, P.O. Box 129, Grand Canyon, Arizona 86023. You may also comment via electronic mail (e-mail) to GRCA_FMP@nps.gov. 28. Section XXIII of the Compact is amended as follows:

XXIII. SOVEREIGN IMMUNITY; COMPACT ENFORCEMENT.

- A. This Compact does not alter any waiver of either State or Tribal immunity which may have been effectuated by Congress in passing the Act. This Compact in no way limits the application of 25 U.S.C. sec. 2710(d)(7)(A) [1991] which the parties believe provides an enforcement mechanism for violation of this Compact.
- B. In addition to other enforcement mechanisms, both the State and the Tribe agree that legal action to enforce any provision of this Compact may be brought in federal court by either the State or the Tribe against any official or employee of either the State or the Tribe. Relief in said legal action shall be limited to prospective declaratory or injunctive relief. An allegation that an official or employee violated this Compact shall be deemed an allegation that said official or employee is acting in excess of his/her authority for purposes of jurisdiction only. The State and the Tribe shall bear their own costs of litigation for any action to enforce this Compact, including but not limited to, attorneys' fees.

- C. The Tribe and the State, to the extent the State or the Tribe may do so pursuant to law, expressly waive any and all sovereign immunity with respect to any claim brought by the State or the Tribe to enforce any provision of this Compact. This waiver includes legal actions to collect money due to the State or the Tribe pursuant to the terms of the Compact; to obtain an order to specifically enforce the terms of any provision of the Compact; or to obtain a declaratory judgment and/or enjoin any act or conduct in violation of the Compact. Nothing contained herein shall be construed to waive the immunity of the Tribe or the State, except for legal actions arising under the terms of this Compact. This waiver does not extend to other claims brought to enforce other obligations that do not arise under the Compact or to claims brought by parties other than the State and the Tribe. In addition, the State agrees that State officials and employees may not engage in unauthorized activity. State officials and employees are not authorized under law to engage in activity that violates the terms of the Compact; that violates an arbitration award entered under Section XXII; or, with respect to subject matters governed by the Compact that is not authorized by the Compact. The Tribe may maintain a legal action against State officials, agents, or employees to prevent unauthorized activity without regard to whether or not the State has waived its sovereign immunity.
- D. These enforcement provisions are an essential and reciprocal part of this Compact, and if they are found unenforceable against the Tribe or the State, or should the courts otherwise determine they lack jurisdiction to enforce the Compact, the parties will immediately resume negotiations to create a new enforcement mechanism. Disputes regarding the obligation to negotiate in good faith shall be resolved pursuant to the provisions of Sections XXII A. through D.
- E. In the event that the Tribe is unable to obtain a judicial resolution under any procedures provided for by law including the procedures set out in Sections 16.007 and 775.01 of the Wisconsin Statutes (2001-02), of a dispute regarding an obligation by the State to make payments to the Tribe pursuant to the terms of this Compact due to the immunity of the State from legal action, then the waiver of immunity granted by the Tribe to allow legal actions for money owing to the State by the Tribe pursuant to the terms of this Compact shall immediately be deemed null and void and shall have no further force or effect. Any waiver of immunity which has been nullified shall be reinstated if the State ratifies a waiver of sovereign immunity in Section XXII., or otherwise waives the State's sovereign immunity for judicial enforcement of any obligation of the State to make payments to the Tribe pursuant to the terms of this Compact.

- F. In the event that it is necessary for either party to seek judicial resolution of a dispute pursuant to Section XXII and the party is unable to obtain the judicial remedy because the other party is immune from suit, then any waiver of immunity authorizing suit pursuant to Section XXII granted by the party seeking relief shall immediately be deemed null and void and shall have no further force or effect. Any waiver of immunity which has been nullified shall be reinstated, if the State ratifies the waiver of sovereign immunity in Section XXII., or waives the State's sovereign immunity to allow judicial resolution of disputes under Section XXII.E.8.

Section XXXVI. Minimum Internal Control Procedures.

A. Minimum Internal Control Standards Applicable to the Conduct of Games (Rules of Play).

1. The rules of play for all Class III games conducted by the Tribe shall be promulgated by the Tribe as minimum internal control standards ("MICS") pursuant to this Section. The standards governing game play shall provide an accurate payout ratio for each game, ensure the fairness of the playing of the game that the MICS seeks to regulate, ensure the

revenue generated from the playing of the game is adequately counted and accounted for in accordance with Generally Accepted Accounting Principles for casinos, and provide a system of internal control standards that are consistent with industry standards and practices for comparable gaming facilities. The Parties shall comply with the MICS established under this Section. Until a set of MICS is established addressing the software, hardware and other requirements currently governed by Sections XV. and XVI. of the Compact, the Tribe may continue to conduct gaming under Sections XV. and XVI. and the MICS in effect as of the effective date of this Amendment. MICS addressing the software, hardware and other requirements currently governed by Sections XV. and XVI shall supersede those provisions upon promulgation pursuant to this Section.

2. Within thirty (30) days from the date of submission of either party's MICS, the parties shall submit any objections they may have to any or all of the MICS submitted. If objections are submitted, the Parties shall, within ten (10) days of submission, the Parties meet and confer at a neutral location for a reasonable period of time not to exceed thirty (30) days for the purpose of attempting in good faith to resolve the objection(s) to the proposed MICS. If at the end of the thirty (30) day period, the parties' objection(s) have not been resolved to their mutual satisfaction, then the matter shall be resolved subject to the provisions of Section XXII.D. If the matter is not resolved by mediation, the matter shall be resolved pursuant to Section XXXVII.D., below. Until a set of MICS is established under this Section the Tribe may continue to conduct gaming under Sections XV and XVI of the Compact and the MICS in effect as of the effective date of this Amendment, as well as under the agreed upon rules for new games.

B. Minimum Internal Control Standards Applicable to Class III Gaming Facility Operations.

1. Within sixty (60) days from the date of execution of this Compact by the Parties, the Tribe shall submit to the State MICS for all areas subject to the MICS promulgated by the National Indian Gaming Commission ("NIGC") to be used at each Class III gaming facility of the Tribe. These standards shall meet or exceed the MICS promulgated by the NIGC. The minimum internal control standards shall ensure the revenue generated from the playing of the games is adequately counted and accounted for in accordance with Generally Accepted Accounting Principles for casinos,

industry standards and practices for comparable gaming facilities, and ensure compliance with relevant provisions of the Compact. The Parties shall comply with the MICS established under this Section.

2. Within thirty (30) days from the date of submission of either party's MICS, the parties shall submit any objections they may have to any or all of the MICS submitted. If objections are submitted, the Parties shall, within ten (10) days of submission, meet and confer at a neutral location for a reasonable period of time not to exceed thirty (30) days for the purpose of attempting in good faith to resolve the objection(s) to the proposed MICS. If at the end of the thirty (30) day period, the parties' objection(s) have not been resolved to their mutual satisfaction, then the matter shall be resolved subject to the provisions of Section XXII.D. If the matter is not resolved by mediation, the matter shall be resolved pursuant to Section XXXVII.D., below.
- C. Amendment of Minimum Internal Control Standards. Tribes with a net win of \$35,000,000 or less, as evidenced in fiscal year 2002 gaming audit, may propose and implement changes to the MICS at any time, subject to the objection of the State; the State may propose MICS with respect to implementation of new technology and associated equipment, and accounting standards directly related to the new technology at any time, or at any time in January 2005, and in January of odd-numbered years thereafter, subject to the agreement of the Tribe, which agreement shall not be unreasonably withheld. Disputes between the parties regarding proposed amendments to the MICS pursuant to this paragraph shall be resolved in accordance with Section XXXVII. A.2. or B.2., as applicable.
- D. Appeal of Proposed Changes or Amendments to MICS. Either party may appeal any part of any proposed amendments or changes to minimum internal control standards required by this Section XXXVII to a three-member arbitration panel:
1. The panel shall consist of three members, one of whom shall be a C.P.A., and one of whom shall be experienced in the regulation of gaming, which criteria may be met by substantial experience with regulatory compliance issues while employed by a regulated entity. Of the three arbitrators, one will be chosen by the Tribe, one chosen by the Department, and the third chosen by the two panel members. No person who has performed services, or whose firm has performed services,

for either the Department or the Tribe's gaming facility in the preceding year, may serve on the panel.

2. For any proposed amendments or changes to MICS established pursuant to Paragraph A. of this Section, the panel shall select from the two proposals submitted by the Parties the one which best assures: (a) the fairness of the playing of the game that the MICS seek to regulate; (b) that the revenue generated from the playing of the game is adequately counted and accounted for in accordance with Generally Accepted Accounting Principles for casinos, and (c) a system of internal control standards consistent with industry standards and practices for comparable gaming facilities. For any proposed amendments or changes to MICS established pursuant to Paragraph B of this Section, the panel shall select from the two proposals submitted by the Parties the one which best assures: (a) that the revenue generated from the playing of the games is adequately counted and accounted for in accordance with Generally Accepted Accounting Principles for casinos, (b) a system of internal control standards consistent with industry standards and practices for comparable gaming facilities, and (c) compliance with relevant provisions of the Compact.
3. Except as provided within this Section XXXVII.D., the arbitrators shall conduct the arbitration in accordance with the provisions of Section XXII.E., above. To the extent practicable, the parties shall stipulate to all facts not reasonably in dispute. At the request of either party, the panel may take testimony from witnesses if it feels that such procedures are necessary for an informed resolution of the controversy. The formal rules of evidence shall not apply to witness testimony, and the panel shall determine the permissible scope and extent of any proffered testimony, but the panel shall observe basic principles of relevancy, materiality and probative value. At a time determined by the panel after the factual record is finalized, each party shall simultaneously submit a written statement in support of its position. Upon mutual agreement of the parties, any and all proceedings may be conducted telephonically. The panel shall decide the matter within thirty (30) days of receipt of the testimony and written submissions. The decision of the panel shall be final and non-appealable. The parties shall equally share the cost of the panel and meeting facilities, If any, and bear its own cost of the proceedings.

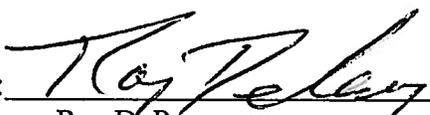

E. Regulatory Requirements Regarding Data Collection System and Records.

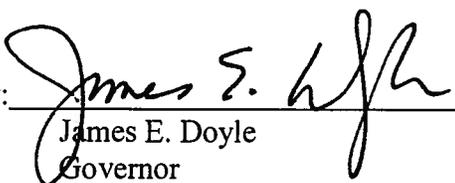

1. The Parties agree that the Tribe shall report information from its slot accounting systems to the Data Collection System ("DCS") maintained by the State, utilizing the hardware, software and reporting formats for the specified information in use on the date of this Amendment #2, except that the Parties agree that at no time shall the DCS be used for live, online monitoring of the Tribe's online accounting system. All costs related to the acquisition, installation and maintenance of DCS shall be borne by the State.
2. Notwithstanding any other provision of this Compact, the Parties shall meet and confer regarding any proposed modifications to the hardware, software and reporting formats utilized by the DCS that would affect the manner in which the Tribe reports its information. Any modifications proposed by either Party shall be implemented by the other Party, unless the other Party objects to the modification pursuant to the procedures contained in Section XXXVII.D., above, except that the arbitrators shall approve the proposed modification if it is determined to be reasonably necessary to allow the State to maintain electronic monitoring of the specified information or shall reject the amendment if it is determined to be unreasonably burdensome on the Tribe.
3. The Tribe shall submit to the Department of Administration, Division of Gaming, in an electronic format maintained by the Tribe, the following daily revenue information for table games: (1) Type of table game; (2) Table number; (3) Shift; (4) Opening Inventory; (5) Fills; (6) Credits; (7) Adjustments; (8) Closing Inventory; (9) Drop, and (10) Win/(loss).
