Dear Tribal Gaming Regulator/LASO,

The National Indian Gaming Commission (NIGC) has extended the deadline of January 1, 2021 for the execution of the updated Criminal History Record Information Memorandum of Understanding (MOU) between the National Indian Gaming Commission and Tribes, as listed in the current NIGC Noncriminal Justice Agency Guide (CJIS Manual). The deadline has been extended due to the review and comment process on the MOU, currently underway. Once comments are received, reviewed and considered, a new timeline for the MOU's execution will be announced along with the final version of the MOU.

As a reminder, there is still time to provide feedback on the proposed MOU. Please submit your comments and suggestions by December 16, 2020 to NIGC.Outreach@NIGC.gov.
