

Public Law 100-497
100th Congress

An Act

To regulate gaming on Indian lands.

Oct. 17, 1988

[S. 555]

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,
That this Act may be cited as the "Indian Gaming Regulatory Act".

Indian Gaming
Regulatory Act.
25 USC 2701
note.

FINDINGS

SEC. 2. The Congress finds that—

25 USC 2701.

(1) numerous Indian tribes have become engaged in or have licensed gaming activities on Indian lands as a means of generating tribal governmental revenue;

(2) Federal courts have held that section 2103 of the Revised Statutes (25 U.S.C. 81) requires Secretarial review of management contracts dealing with Indian gaming, but does not provide standards for approval of such contracts;

(3) existing Federal law does not provide clear standards or regulations for the conduct of gaming on Indian lands;

(4) a principal goal of Federal Indian policy is to promote tribal economic development, tribal self-sufficiency, and strong tribal government; and

(5) Indian tribes have the exclusive right to regulate gaming activity on Indian lands if the gaming activity is not specifically prohibited by Federal law and is conducted within a State which does not, as a matter of criminal law and public policy, prohibit such gaming activity.

DECLARATION OF POLICY

SEC. 3. The purpose of this Act is—

25 USC 2702.

(1) to provide a statutory basis for the operation of gaming by Indian tribes as a means of promoting tribal economic development, self-sufficiency, and strong tribal governments;

(2) to provide a statutory basis for the regulation of gaming by an Indian tribe adequate to shield it from organized crime and other corrupting influences, to ensure that the Indian tribe is the primary beneficiary of the gaming operation, and to assure that gaming is conducted fairly and honestly by both the operator and players; and

(3) to declare that the establishment of independent Federal regulatory authority for gaming on Indian lands, the establishment of Federal standards for gaming on Indian lands, and the establishment of a National Indian Gaming Commission are necessary to meet congressional concerns regarding gaming and to protect such gaming as a means of generating tribal revenue.

(e) For purposes of this section, by not later than the date that is 90 days after the date on which any tribal gaming ordinance or resolution is submitted to the Chairman, the Chairman shall approve such ordinance or resolution if it meets the requirements of this section. Any such ordinance or resolution not acted upon at the end of that 90-day period shall be considered to have been approved by the Chairman, but only to the extent such ordinance or resolution is consistent with the provisions of this Act.

MANAGEMENT CONTRACTS

SEC. 12. (a)(1) Subject to the approval of the Chairman, an Indian tribe may enter into a management contract for the operation and management of a class II gaming activity that the Indian tribe may engage in under section 11(b)(1), but, before approving such contract, the Chairman shall require and obtain the following information:

25 USC 2711.

(A) the name, address, and other additional pertinent background information on each person or entity (including individuals comprising such entity) having a direct financial interest in, or management responsibility for, such contract, and, in the case of a corporation, those individuals who serve on the board of directors of such corporation and each of its stockholders who hold (directly or indirectly) 10 percent or more of its issued and outstanding stock;

(B) a description of any previous experience that each person listed pursuant to subparagraph (A) has had with other gaming contracts with Indian tribes or with the gaming industry generally, including specifically the name and address of any licensing or regulatory agency with which such person has had a contract relating to gaming; and

(C) a complete financial statement of each person listed pursuant to subparagraph (A).

(2) Any person listed pursuant to paragraph (1)(A) shall be required to respond to such written or oral questions that the Chairman may propound in accordance with his responsibilities under this section.

(3) For purposes of this Act, any reference to the management contract described in paragraph (1) shall be considered to include all collateral agreements to such contract that relate to the gaming activity.

(1) for adequate accounting procedures that are maintained, and for verifiable financial reports that are prepared, by or for the tribal governing body on a monthly basis;

(2) for access to the daily operations of the gaming to appropriate tribal officials who shall also have a right to verify the daily gross revenues and income made from any such tribal gaming activity;

(3) for a minimum guaranteed payment to the Indian tribe that has preference over the retirement of development and construction costs;

(4) for an agreed ceiling for the repayment of development and construction costs;

(5) for a contract term not to exceed five years, except that, upon the request of an Indian tribe, the Chairman may authorize a contract term that exceeds five years but does not exceed seven years if the Chairman is satisfied that the capital investment required, and the income projections, for the particular gaming activity require the additional time; and

(6) for grounds and mechanisms for terminating such contract, but actual contract termination shall not require the approval of the Commission.

(c)(1) The Chairman may approve a management contract providing for a fee based upon a percentage of the net revenues of a tribal gaming activity if the Chairman determines that such percentage fee is reasonable in light of surrounding circumstances. Except as otherwise provided in this subsection, such fee shall not exceed 30 percent of the net revenues.

(2) Upon the request of an Indian tribe, the Chairman may approve a management contract providing for a fee based upon a percentage of the net revenues of a tribal gaming activity that exceeds 30 percent but not 40 percent of the net revenues if the Chairman is satisfied that the capital investment required, and income projections, for such tribal gaming activity require the additional fee requested by the Indian tribe.

(d) By no later than the date that is 180 days after the date on which a management contract is submitted to the Chairman for approval, the Chairman shall approve or disapprove such contract on its merits. The Chairman may extend the 180-day period by not more than 90 days if the Chairman notifies the Indian tribe in writing of the reason for the extension. The Indian tribe may bring an action in a United States district court to compel action by the Chairman if a contract has not been approved or disapproved within the period required by this subsection.

effective regulation and control of gaming, or create or enhance the dangers of unsuitable, unfair, or illegal practices, methods, and activities in the conduct of gaming or the carrying on of the business and financial arrangements incidental thereto;

(2) the management contractor has, or has attempted to, unduly interfere or influence for its gain or advantage any decision or process of tribal government relating to the gaming activity;

(3) the management contractor has deliberately or substantially failed to comply with the terms of the management contract or the tribal gaming ordinance or resolution adopted and approved pursuant to this Act; or

(4) a trustee, exercising the skill and diligence that a trustee is commonly held to, would not approve the contract.

(f) The Chairman, after notice and hearing, shall have the authority to require appropriate contract modifications or may void any contract if he subsequently determines that any of the provisions of this section have been violated.

(g) No management contract for the operation and management of a gaming activity regulated by this Act shall transfer or, in any other manner, convey any interest in land or other real property, unless specific statutory authority exists and unless clearly specified in writing in said contract.

Real property.

(h) The authority of the Secretary under section 2103 of the Revised Statutes (25 U.S.C. 81), relating to management contracts regulated pursuant to this Act, is hereby transferred to the Commission.

(i) The Commission shall require a potential contractor to pay a fee to cover the cost of the investigation necessary to reach a determination required in subsection (e) of this section.

necessary modifications to the Indian tribe which shall have not more than 120 days to bring such ordinance or resolution into compliance.

(c)(1) Within 180 days after the submission of a management contract, including all collateral agreements, pursuant to subsection (a), the Chairman shall subject such contract to the requirements and process of section 12.

(2) If the Chairman determines that a management contract submitted under subsection (a), and the management contractor under such contract, meet the requirements of section 12, the Chairman shall approve the management contract.

The allegation shall be set forth in common and concise language and must specify the statutory or regulatory provisions alleged to have been violated, but may not consist merely of allegations stated in statutory or regulatory language.

(b)(1) The Chairman shall have power to order temporary closure of an Indian game for substantial violation of the provisions of this Act, of regulations prescribed by the Commission pursuant to this Act, or of tribal regulations, ordinances, or resolutions approved under section 11 or 13 of this Act.
