**Re: Review of Rate Protection Documents for Fort Sill Apache Tribe of Oklahoma  
Economic Development Authority**

Dear Ms. Devol:

This letter responds to your December 14, 2018 request for the National Indian Gaming Commission's Office of General Counsel to review agreements between the Fort Sill Apache Tribe of Oklahoma Economic Development Authority and Bank of America, N.A. Specifically, you have asked for my opinion whether the agreements are management contracts or collateral agreements requiring the NIGC Chair's approval under the Indian Gaming Regulatory Act (IGRA). You also asked for my opinion whether the agreements violate IGRA's requirement that the Tribe have the sole proprietary interest in its gaming activity.

In my review, I considered the following submissions (collectively, "the Rate Protection Documents") all of which are unexecuted, but were represented to be in substantially final form:

- the ISDA Master Agreement (marked "NIGC Draft Dec. 14, 2018" on the first page); and
- the Schedule to the ISDA Master Agreement (marked "NIGC Draft Dec. 14, 2018" on the first page).

The Rate Protection Documents contain terms similar to other agreements the Office of General Counsel has already reviewed and analyzed, which are available on the NIGC's website. Applying the same analysis here, it is my opinion that the Rate Protection Documents are not management contracts and do not require the approval of the NIGC Chair. It is also my opinion that they do not violate IGRA's sole proprietary interest requirement.

It is my understanding that the drafts are represented to be in substantially final form, and if the Rate Protection Documents change in any material way prior to closing or are inconsistent with assumptions made herein, this opinion shall not apply. Further, this opinion is limited to the
