Dear Tribal Leader:

On behalf of the National Indian Gaming Commission (NIGC or Commission), we invite you to participate in a consultation meeting on the Notice of Regulatory Review Schedule Group Three regulations. Specifically, we seek input on the following regulations:

Group 3:

- (a) *Part 543* – Minimum Internal Control Standards for Class II Gaming; and
- (b) *Part 547*– Minimum Technical Standards for Gaming Equipment Used with the play of Class II Games.

This schedule is the result of the NIGC's review and consideration of comments received in response to the Notice of Inquiry published on November 18, 2010 and subsequent Notice of Regulatory Review Agenda published on April 4, 2011 in the Federal Register. We know that the best results can be achieved after meaningful consultation with Indian tribes and we look forward to your participation.

The NIGC recognizes and respects the sovereignty of Indian tribes and the government-to-government relationship that exists between the United States and tribal governments. Accordingly, the NIGC is committed to implementing the President's November 5, 2009 Executive Memorandum on Tribal Consultation with Indian tribes and Executive Order 13175 prior to and during any rulemaking process.

As such, we invite all Tribal leaders to share their views with the Commission on Groups One and Three regulations at a consultation scheduled for July 19, 2012 in Shelton, Washington, from 9 a.m. to 4 p.m., at the following location:

Little Creek Casino Resort
Sa-Heh-Wa-Mish Room
91 West State Route 108
