2.2 **Term.** The term of this Agreement shall begin on the Commencement Date and shall continue for a period of _____ years after the Commencement Date

64

2.3 **Status of Property.** The Tribe and the Authority represent and covenant that they will maintain the Property throughout the Term as Indian lands, eligible as a location upon which Class II and Class III Gaming can occur. The Tribe and the Authority covenant, during the term hereof, that Manager shall and may peaceably have complete access to and presence in the Facility in accordance with the terms of this Agreement, free from molestation, eviction and disturbance by the Tribe or the Authority or by any other person or entity; provided, however, that such right of access to and presence in the Facility shall cease upon the termination of this Agreement pursuant to its terms, and further provided that such right of access to and presence in the Facility shall cease upon the revocation of the Manager's gaming license. However, nothing in this Section shall prevent the Tribe from enforcing any of its Tribal codes for the purposes of reasonably protecting public health and safety and the integrity of the gaming operations.

2.4 **Tribe, Authority and Manager Compliance with Law; Licenses.** The parties agree that all Gaming in the Facility will be conducted in accordance with the IGRA, the Tribal Gaming Code, and the Compact. Manager, the Authority, and Tribe covenant that they will at all times comply with all Legal Requirements, including the Tribal Gaming Code, the IGRA, the Compact, California statutes, to the extent applicable, and any licenses issued under any of the foregoing. The Authority, the Tribe and the Tribal Gaming Commission shall not unreasonably withhold, delay, withdraw, qualify or condition such licenses as they are authorized to grant.

2.5 **Amendments to Tribal Gaming Code and Tribal Constitution.** The Tribe covenants that any amendments made to the Tribal Gaming Code will be a legitimate effort to

ensure that gaming is conducted in a manner that adequately protects the environment, the public health and safety, and the integrity of the Enterprise. The adoption of any amendments to the Tribal Gaming Code or any other codes or resolutions that would materially and adversely affect Manager's or Lender's rights under this Agreement, the Loan Agreement, the Note, the Interim Promissory Note, the Security and Reimbursement Agreement, the Development Agreement or any Collateral Agreement shall be a Material Breach of this Agreement. The Tribe agrees that it will not amend its Constitution, Tribal Gaming Code, the Ordinance Establishing the Chukchansi Economic Development Authority, or any other ordinance or law in such a fashion as to affect the jurisdiction, power, composition, independence, or compensation of the Authority, or by exercise of the police power or otherwise, act to modify, amend, or in any manner impair the Tribe's or the Authority's obligations under this Agreement, provided that nothing herein shall prevent the Tribe from adopting reasonable regulations protecting the health, safety, and welfare of members of the Tribe and the public when such regulations do not solely restrict the activities of Manager, and do not alter or avoid the responsibilities and obligations of the Tribe or the Authority under this Agreement, the Development Agreement, or the Loan.

2.6 Compliance with Compact. The parties shall at all times comply with the provisions of the Compact.

2.7 Fire and Safety. Manager shall ensure that the Facility shall be constructed and maintained in compliance with all fire and safety statutes, codes, and regulations which would be applicable if the Facility were located outside of the jurisdiction of the Tribe although those requirements would not otherwise apply within that jurisdiction. Nothing in this Section shall grant any jurisdiction to the State of California or any political subdivision thereof over the Property or the Facility. The Authority shall be responsible for arranging fire protection and police services for the Facility.

2.8 Compliance with the National Environmental Policy Act. With the assistance of Manager, the Tribe and the Authority shall supply the NIGC with all information necessary for the NIGC to comply with any regulations of the NIGC issued pursuant to the National Environmental Policy Act (NEPA).

2.9 Satisfaction of Effective Date Requirements. Manager, the Authority, and the Tribe each agree to cooperate and to use their best efforts to satisfy all of the conditions of the Effective Date at the earliest possible date. The Tribe and the Authority each shall adopt resolutions (the "Tribal Resolution" and the "Authority Resolution") reciting that it is the governing law of the Tribe that the Management Agreement, Loan Agreement, Note, Interim Promissory Note, Security and Reimbursement Agreement, Development Agreement and the exhibited documents attached thereto are the legal and binding obligations of the Tribe and the Authority (as applicable), valid and enforceable in accordance with their terms. Manager agrees to memorialize the satisfaction of each of the following requirements as well as the Effective Date in writings signed by Manager and delivered to the Tribe, to the Authority, and to the Chairman of the NIGC: (i) Manager has satisfied itself as to the proper ownership and control of the Property and its

suitability for construction and operation of the Facility, and that all of the Legal Requirements and other requirements for lawful conduct and operation of the Enterprise in accordance with this Agreement have been met and satisfied; and (ii) the satisfactory completion of all necessary and applicable feasibility studies required for the development, construction and operation of the Enterprise

2.10 Commencement Date. Manager shall memorialize the Commencement Date in a writing signed by Manager and delivered to the Tribe, to the Authority, and to the Chairman of the NIGC.

SECTION 3 BUSINESS AFFAIRS

3. Business and Affairs in Connection with Enterprise.

3.1 Manager's Authority and Responsibility. Manager shall conduct and direct all business and affairs in connection with the day-to-day operation, management and maintenance of the Enterprise and the Facility, including the establishment of operating days and hours. It is the parties' intention that the Enterprise be open twenty-four (24) hours daily, seven (7) days a week. Manager is hereby granted the necessary power and authority to act, through the General Manager, in order to fulfill all of its responsibilities under this Agreement. Nothing herein grants or is intended to grant Manager a titled interest to the Facility or to the Enterprise. Manager hereby accepts such retention and engagement.

The Authority shall have the sole proprietary interest in and ultimate responsibility for the conduct of all Gaming conducted by the Enterprise, subject to the rights and responsibilities of Manager under this Agreement.

3.2 Duties of Manager. In managing, operating, maintaining and repairing the Enterprise and the Facility, under this Agreement, Manager's duties shall include, without limitation, the following:

3.2.1 Operating Capital. Manager will provide Operating Capital to the Authority under the terms of section 8.12 of this Agreement.

3.2.2 Physical Duties. Manager shall use reasonable measures for the orderly physical administration, management, and operation of the Enterprise and the Facility, including without limitation capital improvements, cleaning, painting, decorating, plumbing, carpeting, grounds care and such other maintenance and repair work as is reasonably necessary.

3.2.3 Compliance. Manager shall comply with all duly enacted statutes,

regulations and codes of the State, the Federal government, and the Tribe.

3.2.4 Required Filings. Manager shall comply with all applicable provisions of the Internal Revenue Code including, but not limited to, the prompt filing of any cash transaction reports and W-2G reports that may be required by the Internal Revenue Service of the United States or under the Compact. Manager shall also comply with all applicable reporting and filing provisions of all other Federal, State, and Tribal regulatory agencies.

3.2.5 Contracts in Authority's Name Doing Business as the Enterprise and at Arm's Length. Contracts for the operations of the Enterprise shall be entered into in the name of the Authority, doing business as the Enterprise, and signed by the General Manager. Any contract requiring an expenditure in any year in excess of _____ shall be approved by the Authority. No contracts, of any amount, for the supply of goods or services to the Enterprise shall be entered into with an Affiliate of Manager unless that affiliation is disclosed to and approved by the Authority, and the contract terms are no less favorable for the Enterprise than could be obtained from a nonaffiliated contractor. Notwithstanding anything to the contrary contained herein, contracts for the supply of any goods or services paid for entirely by Manager may be provided by an Affiliate of the Manager, provided that payments on such contracts shall not constitute Operating Expenses and shall be the sole responsibility of Manager and the Authority shall be notified of any such contracts. Nothing contained in this Section 3.2.5 shall be deemed to be or constitute a waiver of the Tribe's or the Authority's sovereign immunity.

3.2.6 Enterprise Operating Standards. Manager shall operate the Enterprise in a proper, efficient and competitive manner.

3.2.7 Operating Days and Hours. Manager shall be responsible for establishing the operating days and hours of the Facility.

3.3 Security. Manager shall provide for appropriate security for the operation of the Enterprise. All aspects of the Facility security shall be the responsibility of Manager. All security officers shall be bonded and insured in an amount commensurate with his or her enforcement duties and obligations. The cost of any charge for security and increased public safety services will be an Operating Expense.

3.4 Damage, Condemnation or Impossibility of the Enterprise. If, during the term of this Agreement, the Facility is damaged or destroyed by fire, war, or other casualty, or by an Act of God, or is taken by condemnation or sold under the threat of condemnation, or if Gaming on the Property is prohibited as a result of a decision of a court of competent jurisdiction or by operation of any applicable legislation, Manager shall have the following options:

3.4.1 Recommencement of Operations. If Gaming on the Property is prohibited

by Legal Requirements, Manager shall have the option to continue its interest in this Agreement and to commence or recommence the operation of Gaming at the Facility if, at some point during the Term of this Agreement, such commencement or recommencement shall be legally and commercially feasible in the sole judgment of Manager.

3.4.2 Repair or Replacement. If the Facility is damaged, destroyed or condemned so that Gaming can no longer be conducted at the Facility, the Facility shall be reconstructed if the insurance or condemnation proceeds are sufficient to restore or replace the Facility to a condition at least comparable to that before the casualty occurred. If Manager elects to reconstruct the Facility and if the insurance proceeds or condemnation awards are insufficient to reconstruct the Facility to such condition, Manager may with the consent of the Authority, arrange for third-party financing to reconstruct the Facility to such condition. If the insurance proceeds are not sufficient and are not used to repair the Facility, the Authority and Manager shall jointly adjust and settle any and all claims from such insurance proceeds or condemnation awards, and such proceeds or awards shall be applied in the following order: to the amounts due under the Note (including principal and interest); to the Security and Reimbursement Agreement (including principal and interest); to any other loans; to any undistributed Net Revenues pursuant to Section 5 of this Agreement; and any surplus shall be distributed to the Authority.

3.4.3 Other Business Purposes. Manager shall have the option to use the Facility for other purposes included in the Enterprise and reasonably incidental to Class II and Class III Gaming, provided the Authority has approved such purposes (which approval shall not be unreasonably withheld). For any purpose other than Gaming, Manager shall obtain all approvals necessary under applicable law.

3.4.4 Termination of Gaming. Manager shall have the option at any time within a sixty (60) day period following the cessation of Gaming on the Property to notify the Authority and the Tribe in writing that it is terminating operations under this Agreement, in which case Manager shall retain any rights Manager may have to undistributed Management Fees and/or Net Revenues pursuant to Section 5 of this Agreement and rights to repayments of amounts owed to it. If Manager does not elect to terminate this Agreement, it may take whatever action may be necessary to reduce expenses during such termination of Gaming, and shall not be obligated to supply operating capital, notwithstanding Section 8.12 to the contrary.

3.4.5 Tolling of the Agreement. If, after a period of cessation of Gaming on the Property, the recommencement of Gaming is possible, and if Manager has not terminated this Agreement under the provisions of Section 3.4.4, the period of such cessation shall not be deemed to have been part of the term of this Agreement and the date of expiration of the term of this Agreement shall be extended by the number of days of such cessation period. The costs of recommencing Gaming shall be subject to the process described in section 3.9 of this Agreement and, when approved by the Authority pursuant to that section, shall be

treated in accordance with GAAP.

3.5 Alcoholic Beverages and Tobacco Sales. No Tribal legislation prohibiting the sale of tobacco and/or alcoholic beverages is now in force, and no such legislation will be enacted during the term of this Agreement. The Tribe agrees to enact any Tribal legislation necessary to allow sale of alcoholic beverages or tobacco products in the Facility. The Tribe, the Authority, and Manager mutually agree to include sale of tobacco and alcoholic beverages within the Facility to the fullest extent allowed by the Compact.

3.6 Employees.

3.6.1 Manager's Responsibility. Manager shall have, subject to the terms of this Agreement, the exclusive responsibility and authority to direct the selection, control and discharge of all employees performing regular services for the Enterprise in connection with the maintenance, operation, and management of the Enterprise and the Facility and any activity upon the Property; and the sole responsibility for determining whether a prospective employee is qualified and the appropriate level of compensation to be paid.

3.6.2 Enterprise Employee Policies. Manager shall prepare a draft of personnel policies and procedures (the "Enterprise Employee Policies"), including a job classification system with salary levels and scales, which policies and procedures shall be subject to approval by the Authority. The Enterprise Employee Policies shall include a grievance procedure in order to establish fair and uniform standards for the employees of the Authority engaged in the Enterprise, which will include procedures for the resolution of disputes between Manager and Enterprise Employees. Any revisions to the Enterprise Employee Policies shall not be effective unless they are approved in the same manner as the original Enterprise Employee Policies. Manager shall have the responsibility and authority, under the Enterprise Employee Policies, to render a final decision on all Enterprise Employee grievances.

3.6.3 Employees. The selection of the General Manager, Chief Financial Officer, and Security Director of the Enterprise shall be subject to consultation between Manager and the Authority. Manager shall provide Governing Board with sufficient information to adequately evaluate all recommendations for employment in the positions of General Manager, Chief Financial Officer, or Security Director. The General Manager, Chief Financial Officer, and Security Director of the Enterprise shall be Enterprise Employees. The terms of employment of Enterprise Employees shall be structured as though all labor, employment, and unemployment insurance laws applicable in California which would apply to Manager Employees if they were not working on an Indian reservation would also apply to Enterprise Employees. The Tribe and the Authority agree to take no action to impede, supersede or impair such treatment.

3.6.4 Off-Site Employees. Subject to approval of the Authority, Manager shall

also have the right to use Off-Site Employees to provide economic benefit to the Enterprise through the use of Centralized Services. No Off-Site Employee shall be an officer or owner of Manager. The portion of the expenses and costs of Off-Site Employees (including, but not limited to, salaries and benefits paid to Off-Site employees, but excluding pension, retirement, severance or similar benefits), that is paid by the Enterprise shall be subject to the Operating Budget approved by the Authority, and shall be treated as Pre-Opening Expenses or Operating Expenses as appropriate.

3.6.5 No Manager Wages or Salaries. Except as otherwise provided with respect to Section 3.6.4 neither Manager nor Manager's Affiliates nor any of their officers, directors, shareholders, or employees shall be compensated by wages from or contract payments by the Enterprise for their efforts or for any work which they perform under this Agreement, other than loan repayments, reimbursement pursuant to the Security and Reimbursement Agreement and the Management Fee to be paid to Manager under Section 5.1. Nothing in this subsection shall restrict the ability of an employee of the Enterprise to purchase or hold stock in Manager, or Manager's Affiliates where (i) such stock is publicly held, and (ii) such employee acquires, on a cumulative basis, less than five percent (5%) of the outstanding stock in the corporation.

3.6.6 Tribal Gaming Commission (Costs). The funding of the operation of the Tribal Gaming Commission shall, prior to the Commencement Date, be funded as an advance to the Tribe, said advance to be repaid pursuant to an Interim Note as a component of the Interim Loan or pursuant to the terms of the Loan Agreement. The costs of operation of the TGC shall thereafter be an operating expense to the Tribe. The budget for the TGC shall reflect the reasonable cost of regulating the Enterprise.

3.6.7 Employee Background Checks. A background investigation shall be conducted by the TGC in compliance with all Legal Requirements, to the extent applicable, on each applicant for employment as soon as reasonably practicable.

No individual whose prior activities, criminal record, if any, or reputation, habits and associations are known to pose a threat to the public interest, the effective regulation of Gaming, or to the gaming licenses of Manager or any of its Affiliates, or to create or enhance the dangers of unsuitable, unfair or illegal practices and methods and activities in the conduct of Gaming, shall knowingly be employed by Manager, the Enterprise, or the Authority, or the Tribe.

The background investigation procedures employed by the TGC shall be formulated in consultation with Manager and shall satisfy all regulatory requirements independently applicable to Manager. Any cost associated with obtaining such background investigations of the Tribe or the Authority shall constitute an Operating Expense. Any cost associated with background investigations of Manager shall be paid by Manager.

3.6.8 Indian Preference, Recruiting and Training. In order to maximize benefits of the Enterprise to the Tribe, Manager shall, during the term of this Agreement, to the extent permitted by applicable law, including but not limited to the Indian Civil Rights Act, 25 U.S.C. §1301 et seq., and the Compact, give preference in recruiting, training and employment to qualified Native Americans, their spouses and children in all job categories of the Enterprise. Manager shall:

- (i) conduct job fairs and skills assessment meetings for Native Americans, their spouses and children;
- (ii) abide by any duly enacted Tribal preference laws;
- (iii) in consultation with and subject to the approval of the Authority, develop a management training program for Native Americans, their spouses and children. This program shall be structured to provide appropriate training for those participating to assume full managerial control at the conclusion of the Term of this Agreement;
- (iv) train and hire, to the maximum extent permitted by law, members of the local communities where the Facility is located. Whenever possible, Enterprise jobs shall be filled by Native Americans, their spouses and children, and persons living within Madera County ("Local Community Members"). Final determination of the qualifications of all persons for employment shall be made by Manager, subject to any licensing requirements of the TGC; and
- (v) within two hundred seventy (270) days of the Commencement Date, Manager shall develop and present to the Authority for its approval, a training plan designed to progressively reduce the number of Manager Employees, so that, by the end of the Term of the Agreement, all persons assigned to work at the Facility will be Enterprise Employees.

3.6.9 Removal of Employees. Manager will act in accordance with the Enterprise Employee Policies with respect to the discharge, demotion or discipline of any Enterprise Employee.

3.7 Marketing.

3.7.1 Nature of Marketing Services. The services described in this Section 3.7 ("Marketing Services") shall be provided by Manager.

3.7.2 Marketing Services. Manager shall provide the following Marketing

Services which shall be an Operating Expense of the Enterprise:

- (i) provide a marketing director and adequate staff to implement a marketing plan. The marketing director and his or her staff shall be employees of the Enterprise; provided that the Authority may authorize marketing services to be provided by Off-Site Employees, pursuant to Section 3.6.4 of this Agreement;
- (ii) no later than 90 days prior to the scheduled opening date of the Facility, Manager shall have prepared and implemented a marketing plan for the Facility;
- (iii) the marketing plan shall include provisions for the Facility opening, public relations, community relations, electronic and print media advertising, industry advertising and relations, employee marketing programs, promotional programs, entertainment and hospitality marketing and advertising, group sales, special events, tour sales, and any & all other related or required components of a complete marketing program sufficient to maximize the Facility's position in the local market.
- (iv) the Manager shall have the responsibility for placing the advertising contemplated by the marketing plan.

3.8 Pre-Opening. Six (6) months prior to the scheduled Commencement Date, Manager shall commence implementation of a pre-opening program which shall include all activities necessary to financially and operationally prepare the Facility for opening. To implement the pre-opening program, Manager shall prepare a comprehensive pre-opening budget which shall be submitted to the Authority for its approval no later than seven (7) months prior to the scheduled Commencement Date ("Pre-Opening Budget"). The Pre-Opening Budget sets forth expenses which Manager anticipates to be necessary or desirable in order to prepare the Facility for the Commencement Date, including without limitation, cash for disbursements, Furnishings and Equipment and Operating Supplies, hiring, training, relocation and temporary lodging of employees, advertising and promotion, office overhead and office space (whether on or off the Property), and travel and business entertainment (including opening celebrations and ceremonies) ("Pre-Opening Expenses"). The Pre-Opening Budget shall be included in an Interim Promissory Note, the Interim Loan, or funded pursuant to the Loan Agreement. The Authority recognizes that the Pre-Opening Budget will have been prepared well in advance of the Commencement Date and will be intended only to be a reasonable estimate, subject to variation due to a number of factors, some of which will be outside of Manager's control (e.g. the time of completion, inflationary factors and varying conditions for the goods and services required). The Authority agrees that the Pre-Opening Budget may be modified from time to time, subject to approval of the Governing Board in accordance with the procedure established by Section 3.9 of this Agreement for adjustments to the

Operating Budget and Annual Plan.

3.9 Operating Budget and Annual Plan. Manager shall, prior to the scheduled Commencement Date, submit to the Authority, for its approval, a proposed Operating Budget and Annual Plan for the remainder of the current Fiscal Year. Thereafter, Manager shall, not less than sixty (60) days prior to the commencement of each full or partial Fiscal Year, submit to the Authority, for its approval, a proposed Operating Budget and Annual Plan for the ensuing full or partial Fiscal Year, as the case may be. The Operating Budget and Annual Plan shall include a projected income statement, balance sheet, and projection of cash flow for the Enterprise, with detailed justifications explaining the assumptions used therein. Included with the Operating Budget and Annual Plan shall be a schedule of repairs and maintenance (other than Capital Replacements), a business and marketing plan for the Fiscal Year, the Minimum Balance which must remain in the Enterprise Bank Accounts and the House Bank as of the end of each month during the Fiscal Year to assure sufficient monies for working capital purposes, and the House Bank and other expenditures authorized under the Operating Budget and Annual Plan.

The Operating Budget and Annual Plan for the Enterprise will be comprised of the following:

- a) a statement of the estimated income and expenses for the coming Fiscal Year, including estimates as to Gross Revenues and Operating Expenses for such Fiscal Year, such operating budget to reflect the estimated results of the operation during each month of the subject Fiscal Year;
- b) either as part of the statement of the estimated income and expenses referred to in the preceding clause (a), or separately, budgets (and timetables and requirements of Manager) for:
 - (i) repairs and maintenance;
 - (ii) Capital Replacements;
 - (iii) Furnishings and Equipment;
 - (iv) advertising and business promotion programs for the Enterprise; and
 - (v) the estimated cost of Promotional Allowances; and
- c) a business and marketing plan for the subject Fiscal Year.

The Authority's approval of the Operating Budget and Annual Plan shall not be unreasonably withheld or delayed. Manager shall meet with the Governing Board to discuss the proposed Operating Budget and Annual Plan, and the Authority's approval shall be deemed given

unless a specific written objection thereto is delivered by the Authority to Manager within thirty (30) days after Manager and the Governing Board have met to discuss the proposed Operating Budget and Annual Plan. If the Governing Board for any reason fails to meet with Manager to discuss a proposed Operating Budget and Annual Plan, the Authority shall be deemed to have consented unless a specific written objection is delivered to Manager within fifteen (15) days after the date the proposed Operating Budget and Annual Plan is submitted to the Authority. The Authority shall review the Operating Budget and Annual Plan on a line-by-line basis. To be effective, any notice which disapproves a proposed Operating Budget and Annual Plan must contain specific objections in reasonable detail to individual line items.

If the initial proposed Operating Budget and Annual Plan contains any disputed budget item(s), the Governing Board and Manager agree to cooperate with each other in good faith to resolve the disputed or objectionable proposed item(s). If the Authority and Manager are unable to resolve the disputed or objectionable item(s) prior to the commencement of the applicable fiscal year, the undisputed portions of the proposed Operating Budget and Annual Plan shall be deemed to be adopted and approved and the corresponding line item(s) contained in the Operating Budget and Annual Plan for the preceding fiscal year shall be adjusted as set forth herein and shall be substituted in lieu of the disputed item(s) in the proposed Operating Budget and Annual Plan. Those line items which are in dispute shall be determined by increasing the preceding fiscal year's actual expense for the corresponding line items by an amount equal to the Consumer Price Index for All Urban Consumers published by the Bureau of Labor Statistics of the United States Department of Labor, U.S. City Average, all items (1982-1984 = 100) for the Fiscal Year prior to the Fiscal Year with respect to which the adjustment to the line item(s) is being calculated or any successor or replacement index thereto.

3.9.1 Adjustments to Operating Budget and Annual Plan. Manager may, after notice to and approval by the Authority, revise the Operating Budget and Annual Plan from time to time, as necessary, to reflect any unpredicted significant changes, variables or events or to include additional, unanticipated items of expense. Manager may, after notice to the Authority, reallocate part or all of the amount budgeted with respect to any line item to another line item and to make such other modifications to the Operating Budget and Annual Plan as Manager deems necessary, provided that the total adjustments to the Operating Budget and Annual Plan shall not exceed _____ of the aggregate approved Operating Budget and Annual Plan without approval of the Authority. Manager shall submit a revision of the Operating Budget and Annual Plan to the Authority for review on a quarterly basis. In addition, in the event actual Gross Revenues for any period are greater than those provided for in the Operating Budget and Annual Plan, the amounts approved in the Operating Budget and Annual Plan for guest services, food and beverage, telephone, utilities, marketing and the repair and maintenance of the Facility for any month shall be automatically deemed to be increased to an amount that bears the same relationship (ratio) to the amounts budgeted for such items as actual Gross Revenue for such month bears to the projected Gross Revenue for such month. The Authority acknowledges that the Operating Budget and Annual Plan is intended only to be a reasonable estimate of the

Enterprise's revenues and expenses for the ensuing Fiscal Year. Manager shall not be deemed to have made any guarantee concerning projected results contained in the Operating Budget and Annual Plan.

3.10 Capital Budgets. Manager shall, not less than sixty (60) days prior to the commencement of each fiscal year, or partial fiscal year, submit to the Authority a recommended capital budget (the "Capital Budget") describing the present value, estimated useful life and estimated replacement costs for the ensuing full or partial year, as the case may be, for the physical plant, furnishings, equipment, and ordinary capital replacement items, all of which are defined to be any items, the cost of which is capitalized and depreciated, rather than expensed, using GAAP ("Capital Replacements") as shall be required to operate the Enterprise in accordance with sound business practices. Capital Replacements in the Capital Budget in an aggregate sum equal to or less than the sum of the Capital Replacement Reserve for the Fiscal Year shall be approved by the Authority; and any amounts in excess of the Capital Replacement Reserve for the Fiscal Year shall be subject to approval of the Authority in its sole discretion. The Governing Board and Manager shall meet to discuss the proposed Capital Budget and the Authority shall be required to make specific written objections to a proposed Capital Budget in the same manner and within the same time periods specified in Section 3.9 with respect to an Operating Budget and Annual Plan. The Authority shall not unreasonably withhold or delay its consent. Unless the Authority and Manager otherwise agree, Manager shall be responsible for the design and installation of Capital Replacements, subject to the Authority's approval.

3.11 Capital Replacements. The Authority shall effect and expend such amounts for any Capital Replacements as shall be required, in the course of the operation of the Enterprise, to maintain, at a minimum, the Enterprise in compliance with any Legal Requirements and to comply with Manager's recommended programs for renovation, modernization and improvement intended to keep the Enterprise competitive in its market, to maintain industry standards; or to correct any condition of an emergency nature, including without limitation, maintenance, replacements or repairs which are required to be effected by the Authority, which in Manager's sole discretion requires immediate action to preserve and protect the Facility, assure its continued operation, and/or protect the comfort, health, safety and/or welfare of the Facility's guests or employees (an "Emergency Condition"); provided, however, that the Authority shall be under no obligation to fund Capital Replacements in an aggregate amount greater than its periodic required contributions to the Capital Replacement Reserve described in Section 3.12. Manager is authorized to take all steps and to make all expenditures from the Disbursement Account, described at Section 3.18.3 (in the case of non-capitalized repairs and maintenance), or Capital Replacement Reserve, described at Section 3.12, (in the case of expenditures for Capital Replacements) as it deems necessary to repair and correct any Emergency Condition, regardless whether such provisions have been made in the Capital Budget or the Operating Budget and Annual Plan for any such expenditures. Design and installation of Capital Replacements shall be effected in a time period and subject to such conditions as the Authority may establish to minimize interference with or disruption of ongoing operations.

3.12 Capital Replacement Reserve. Manager shall establish a Capital Replacement Reserve on the books of account of the Enterprise, and the periodic contributions of cash required by Section 3.13 shall be deposited by Manager into an account (the "Capital Replacement Reserve") established in the Enterprise's name at a bank designated by the Authority in accordance with Section 3.18.1 of this Agreement. All amounts in the Capital Replacement Reserve shall be invested in interest bearing investments in accordance with the Enterprise Investment Policy attached hereto as Exhibit B and approved by Authority to the extent that availability of funds, when required, is not thereby impaired. Interest earned on amounts deposited in the Capital Replacement Reserve shall be credited to the Capital Replacement Reserve and shall be available for payment of expenditures for Capital Replacements to the Facility. Manager shall draw on the Capital Replacement Reserve for Capital Replacements to purchase those items included in the Capital Budget approved by the Authority or such emergency additions, repairs or replacements as shall be required to correct an Emergency Condition or to comply with operating standards.

3.13 Periodic Contributions to Capital Replacement Reserve. In accordance with Section 5.4 of this Agreement, Manager shall make monthly deposits into the Capital Replacement Reserve in amounts equivalent to an annual rate of _____ during the _____ of this Agreement after the Commencement Date and equivalent to an annual rate of _____ during the remainder of the Term. The cash amounts required to be so deposited shall be calculated and deposited into the Capital Replacement Reserve, in arrears, no later than the twenty-first (21st) day of the month immediately following the month with respect to which a deposit is made. If any adjustment of Gross Revenues is made as a result of an audit or for other accounting reasons, a corresponding adjustment in the Capital Replacement Reserve deposit shall be made. In addition, all proceeds from the sale of capital items no longer needed for the operation of the Enterprise, and the proceeds of any insurance received in reimbursement for any items previously paid for from the Capital Replacement Reserve, shall be deposited into the Capital Replacement Reserve upon receipt. 64

3.14 Use and Allocation of Capital Replacement Reserve. Any expenditures for Capital Replacements which have been budgeted and previously approved may be paid from the Capital Replacement Reserve without further approval from the Authority. Any amounts remaining in the Capital Replacement Reserve at the close of any Fiscal Year shall be carried forward and retained in the Capital Replacement Reserve until fully used.

3.15 Contracting. In entering into contracts for the supply of goods and services for the Enterprise, Manager shall give preference to qualified Native Americans, their spouses and children, and qualified business entities certified by the Authority to be controlled by members of the Tribe. "Qualified" shall mean a member of the Tribe, a member's spouse or children, or a business entity certified by the Authority to be controlled by members of the Tribe, who or which is able to provide services at competitive prices, has demonstrated skills and abilities to perform the tasks to be undertaken in an acceptable manner, in Manager's opinion, and can meet the reasonable bonding and/or financial requirements of Manager.

3.16 Internal Control Systems. Manager shall install systems for monitoring of all funds (the "Internal Control Systems"), which systems shall comply with all Legal Requirements, and shall be submitted to the Authority and the Tribal Gaming Commission for approval in advance of implementation, which approval shall not be unreasonably withheld. The Authority shall have the right to retain an auditor to review the adequacy of the Internal Control Systems prior to the Commencement Date. If the Authority elects to exercise this right, the cost of such review shall be a Pre-Opening Expense. Any significant changes in such systems after the Commencement Date also shall be subject to review and approval by the Tribal Gaming Commission. The Tribal Gaming Commission and Manager shall have the right and duty to maintain and police the Internal Control Systems in order to prevent any loss of proceeds from the Enterprise. The Tribal Gaming Commission shall have the right to inspect and oversee the Internal Control Systems at all times. Manager shall install a closed circuit television system to be used for monitoring all cash handling activities of the Enterprise sufficient to meet all Legal Requirements.

3.17 Tribal Access. Manager shall provide immediate access to the Gaming operation, including the books and records of the Enterprise, by the Authority and Tribal officials designated by the Tribal Council in accordance with the Tribal Gaming Code, who shall have the right to verify the daily Gross Revenues and Net Revenues from the Gaming operation; and access to any other Gaming-related information the Authority or the Tribe deems appropriate.

3.18 Banking and Bank Accounts.

3.18.1 Enterprise Bank Accounts. The Authority shall select a bank or banks for the deposit and maintenance of funds and shall establish in such bank or banks accounts as Manager deems appropriate and necessary in the course of business and as consistent with this Agreement ("Enterprise Bank Accounts"). Establishment of any Enterprise Bank Account shall be subject to the approval of the Authority, and shall be consistent with the terms of the Loan Agreement. The sum of money agreed to by the Authority to be maintained in the Enterprise Bank Account(s) to serve as working capital for Enterprise operations, shall include all sums needed for the House Bank, and all sums needed to accrue for payment of expenses not paid on a monthly basis (the "Minimum Balance"). Manager will maintain funds in the Enterprise Bank Accounts equal to the Minimum Balance, and Manager may increase the Minimum Balance, in Manager's sole discretion, at any time during the first year following the Commencement Date to reflect unanticipated working capital needs revealed by actual Enterprise operations. Attached hereto as Exhibit C is the form of Irrevocable Banking Instructions to be executed by the Authority with regard to each Enterprise Bank Account and to be in effect during the Term of this Agreement.

3.18.2 Daily Deposits to Depository Account. Manager shall establish for the benefit of the Authority in the Enterprise's name a Depository Account. Manager shall collect all Gross Revenues and other proceeds connected with or arising from the operation of the Enterprise, the sale of all products, food and beverage, and all other activities of the Enterprise and deposit the related cash daily into the Depository Account at least once

during each twenty-four (24) hour period. 4.1. Liens. Subject to the exceptions hereinafter stated in Section 4.2, the Tribe and the Authority specifically warrant and represent to Manager that during the term of this Agreement they shall not act in any way whatsoever, either directly or indirectly, to cause any person or entity to become an encumbrancer or lien holder of the Property or the Facility, or to allow any person or entity to obtain any interest in this Agreement without the prior written consent of Manager, and, where applicable, consent of the United States. Manager specifically warrants and represents to the Tribe and the Authority that during the term of this Agreement Manager shall not act in any way, directly or indirectly, to cause any person or entity to become an encumbrancer or lien holder of the Property or the Facility, or to obtain any interest in this Agreement without the prior written consent of the Tribe and the Authority, and, where applicable, the United States. The Authority, and Manager shall keep the Facility and Property free and clear of all enforceable mechanics' and other enforceable liens resulting from the construction of the Facility and all other enforceable liens which may attach to the Facility or the Property. If any such lien is claimed or filed, it shall be the duty of the Authority to discharge the lien within thirty (30) days after having been given written notice of such claim, either by payment to the claimant, by the posting of a bond and the payment into the court of the amount necessary to relieve and discharge the Property from such claim, or in any other manner which will result in the discharge or stay of such claim, and Manager is

authorized to act in behalf of the Authority to discharge any liens.

4.2 Exceptions. The Authority shall have the right to grant security interests in Enterprise revenues subordinated to all loans made by Manager to the Authority and all amounts due under the Loan Agreement and this Agreement, as well as first priority security interests in any Facility assets other than personal property purchased with the proceeds of the Loan, but only if such security interests are permissible under the Loan Agreement, granted to secure loans made to and for the benefit of the Enterprise, and Manager has been offered a prior opportunity to make such loans on similar financial terms.

SECTION 5

MANAGEMENT FEE, REIMBURSEMENTS, DISBURSEMENTS, AND OTHER PAYMENTS BY MANAGER

5.1 Management Fee. Subject to the provisions of Section 5.4, on or before the twenty-first (21st) day of each month after the first calendar month of operation, Manager is authorized by the Authority to pay itself from the Enterprise Bank Account(s) the Management Fee, provided that

5.2 Disbursements. As and when received by Manager, Gross Revenues shall be deposited in the Depository Account created pursuant to Section 3.18.2 of this Agreement. There shall, in turn, be disbursed by Manager, on a monthly basis, for and on behalf of the Authority, funds from the Enterprise Bank Account(s) to pay, to the extent available, Operating Expenses and thereafter the items identified in section 5.4 of this Agreement, in the priority specified in that section.

5.3 Adjustment to Bank Account. After the disbursements pursuant to Section 5.2, and establishment of any additional reserves into the Enterprise Bank Accounts for future disbursements as Manager deems necessary and as are approved by the Authority, taking into account anticipated cash flow and Operating Expenses, any excess funds remaining in the Enterprise Bank Account(s) over the Minimum Balance, the Capital Replacement Reserve, and such additional reserves approved by the Authority, shall be disbursed monthly in accordance with Section 5.4.

5.4 Payment of Fees and Tribal Disbursement. Within twenty-one (21) days after the end of each calendar month of operations, Manager shall calculate Gross Revenues, Operating Expenses, and Net Revenues of the Enterprise for the previous month's operations and the year's operations to date. Such Net Revenues shall be disbursed from the Enterprise Bank Account(s) to

the extent available to pay the scheduled items to the extent due and payable and earned in the following order of priority:

- (i) the Minimum Guaranteed Monthly Payment described in Section 5.5;
- (ii) payments due on the Note or as otherwise required by the Loan Agreement (and if payments are due other than monthly, a reserve equal to a proportionate amount of the scheduled quarterly payment shall be deposited in a designated Enterprise Bank Account for such payment, and may be invested in accordance with the Enterprise Investment Policies pending payment);
- (iii) Capital Replacement Reserve contributions as described in Section 3.13;
- (iv) payments due on the Interim Promissory Note and the reimbursement of amounts advanced by Manager; and
- (v) the Management Fee.

All remaining Net Revenues (the "Monthly Distribution Payment") shall be distributed to the Authority at the same time the Management Fee is paid.

5.5 Minimum Guaranteed Monthly Payment. Manager shall pay the Tribe per month (the "Minimum Guaranteed Monthly Payment"), beginning on the Commencement Date and continuing for the remainder of the Term. The Minimum Guaranteed Monthly Payment shall be payable to the Tribe in arrears on the twenty first (21st) day of each calendar month following the month in which the Commencement Date occurs, which payment shall have priority over the Management Fee and retirement of development and construction costs. If the Commencement Date is a date other than the first day of a calendar month, the first payment will be prorated from the Commencement Date to the end of the month. Minimum Guaranteed Monthly Payments shall be charged against the Authority's Monthly Distribution Payment for each month provided, however, where the Net Revenues in a given month are less than b4/

 If during a given month gaming does not occur for a portion of the month, the Minimum Guaranteed Monthly Payment shall be reduced pro rata, in proportion to the portion of the month in which gaming does not occur. If no gaming takes place in a given month, no Minimum Guaranteed Monthly Payment shall be made during that month. The obligation to make Minimum Guaranteed Monthly Payments shall cease upon termination of this Agreement. Except as provided in the preceding sentence of this Section 5.5, Manager's obligation to pay the Tribe the Minimum Guaranteed Monthly Payment is unconditional, and shall not be affected by the actual

Section 5.1 of this Agreement; provided, however, the Tribe may assess license fees reflecting reasonable regulatory costs incurred by the Tribal Gaming Commission. The Tribe and the Authority further agree that neither they nor any agent, agency, Affiliate or representative will impose any taxes, fees, assessments or other charges of any nature whatsoever on the salaries or benefits, or dividends paid to, any of Manager's stockholders, officers, directors, or employees, or any of the employees of the Enterprise; or any provider of goods, materials, or services to the Enterprise, other than with respect to any such provider of goods, materials, or services to the Enterprise, license fees reflecting reasonable regulatory costs incurred by the TGC. Manager retains the right, subject to Section 16 of this Agreement, to terminate this Agreement and all accompanying agreements if it reasonably determines that any statute, law, code or regulation of the Tribe or the Authority renders operation of the Enterprise uncompetitive.

Nothing in this Section 7.2 shall be construed to prohibit the Tribe or the Authority from taxing the sale of goods or services by the Enterprise to the public in amounts equivalent to any state taxes that would otherwise be applicable but for the Tribe's status as an Indian tribe; provided that no such tax shall be applied to any goods or services supplied as Promotional Allowances.

7.2.1. Termination by Manager. Should Manager terminate this Agreement pursuant to this Section 7.2, Manager shall retain the right to repayment of: (a) money lent to the Tribe or the Authority by Manager or Manager's Affiliates and money lent to the Tribe or the Authority and guaranteed by the Manager and/or Manager's Affiliates to the extent Manager and/or Manager's Affiliates are required to pay pursuant to such guarantee; (b) reimbursement of any monies which may become due and payable under the terms of the Security and Reimbursement Agreement. Except as otherwise provided herein, if any taxes, fees or assessments are levied by the Tribe or the Authority against the Manager, such taxes and assessments shall constitute Operating Expenses of the Enterprise.

7.3 Compliance with Internal Revenue Code. Manager shall comply with all applicable provisions of the Internal Revenue Code.

SECTION 8 GENERAL PROVISIONS

Any such notice shall be deemed given three (3) days following deposit in the United States mail or upon actual delivery, whichever first occurs.

8.3 Authority to Execute and Perform Agreement. The Tribe, the Authority, and Manager represent and warrant to each other that they each have full power and authority to execute this Agreement and to be bound by and perform the terms hereof. On request, each party shall furnish the other evidence of such authority.

8.4 Relationship. Manager, the Authority, and the Tribe shall not be construed as joint venturers or partners of each other by reason of this Agreement and none shall have the power to bind or obligate the others except as set forth in this Agreement. The Tribe and the Authority shall be jointly and severally liable for the obligations and liabilities of the other under this Agreement.

8.5 Manager's Contractual Authority. Manager is authorized to make, enter into and perform in the name of and for the account of the Authority, doing business as the Enterprise, such contracts deemed necessary by Manager to perform its obligations under this Agreement, provided such contracts comply with the terms and conditions of this Agreement, including, but not limited to, Section 3.2.5, and provided such contracts do not obligate the Enterprise to pay sums not approved in the Operating Budget and Annual Plan or the Capital Budget.

8.6 Further Actions. The Tribe, the Authority, and Manager agree to execute all contracts, agreements and documents and to take all actions necessary to comply with the provisions of this Agreement and the intent hereof.

8.7 Defense. Except for disputes between the Tribe and Manager, and between the Authority and Manager, and claims relating to the Tribe's status as a Tribe, the Authority's status as a body corporate and politic of the Tribe, or the status of the Property as Indian lands, Manager shall bring and/or defend and/or settle any claim or legal action brought against Manager, the Enterprise, the Authority, or the Tribe, individually, jointly or severally, or any Enterprise Employee, in connection with the operation of the Enterprise. Subject to the Authority's approval of legal counsel, Manager shall retain and supervise legal counsel, accountants and such other professionals, consultants and specialists as Manager deems appropriate to defend any such claim or cause of action. All liabilities, costs and expenses, including reasonable attorneys' fees and disbursements incurred in defending and/or settling any such claim or legal action which are not covered by insurance, shall be an Operating Expense, or, if incurred prior to the Commencement Date, shall be a Pre-Opening expense. Nothing contained herein is a grant to Manager of the right to waive the Tribe's, the Authority's, or the Enterprise's sovereign immunity. That right is strictly reserved to the Tribe, as to matters affecting the Tribe, and the Authority, as to matters affecting the Authority. Any settlement of a third party claim or cause of action shall require approval of the

Tribe, as to claims affecting the Tribe, and approval of the Authority, as to claims affecting the Authority.

8.8 Waivers. No failure or delay by Manager, the Authority, or the Tribe to insist upon the strict performance of any covenant, agreement, term or condition of this Agreement, or to exercise any right or remedy consequent upon the breach thereof, shall constitute a waiver of any such breach or any subsequent breach of such covenant, agreement, term or condition. No covenant, agreement, term, or condition of this Agreement and no breach thereof shall be waived, altered or modified except by written instrument. No waiver of any breach shall affect or alter this Agreement, but each and every covenant, agreement, term and condition of this Agreement shall continue in full force and effect with respect to any other then existing or subsequent breach thereof.

8.9 Captions. The captions for each Section and Subsection are intended for convenience only.

8.10 Severability. If any of the terms and provisions hereof shall be held invalid or unenforceable, such invalidity or unenforceability shall not affect any of the other terms or provisions hereof. If, however, any material part of a party's rights under this Agreement shall be declared invalid or unenforceable, (specifically including Manager's right to receive its Management Fees) the party whose rights have been declared invalid or unenforceable shall have the option to terminate this Agreement upon thirty (30) days written notice to the other party, without liability on the part of the terminating party.

8.11 Interest. Except as otherwise provided in the Development Agreement, any amounts advanced by Manager or the Authority related to the operation of the Enterprise shall accrue interest at the rate agreed to in the Interim Promissory Note(s) or other loan agreements applicable to the advance.

8.12 Operating Capital. In the event Gross Revenues are insufficient to pay Operating Expenses, after application of all reserves established under Section 3.13 of this Agreement and all other reserves established pursuant to the Loan Agreement, Manager shall provide operating capital to the Enterprise. Manager's obligation under this section shall not be deemed to require contributions in excess of the minimum amounts necessary to permit the continued operation of the Enterprise, and to comply with the Gaming Code, the Compact, and any other Legal Requirements. Notwithstanding the foregoing, however, Manager may contribute operating capital in excess of such minimum amounts, provided that such contributions have been approved in advance in writing by the Authority. Manager shall keep appropriate records to document all reimbursable expenses paid by Manager, which records shall be made available for inspection by the Authority or its agents upon request. The Authority agrees to reimburse Manager with interest from future Net Revenues for money paid or property contributed by Manager to satisfy obligations of the Authority in connection with the Enterprise and/or this Agreement. Interest shall be calculated at the rate set forth in Section 8.11 from the date the Authority was obligated to provide the operating capital for

the satisfaction of such obligation to the date reimbursement is made. Manager's sole source of such reimbursement shall be from undistributed and future Net Revenues.

8.13 Travel and Out-of-Pocket Expenses. To the extent approved by the Authority, Manager shall be reimbursed for all travel and out-of-pocket expenses reasonably incurred at the request of the Authority outside the scope of this Agreement. Subject to the Operating Budget and Annual Plan, all travel and out-of-pocket expenses of Enterprise Employees reasonably incurred in the performance of their duties shall be an Operating Expense.

8.14 Third Party Beneficiary. This Agreement is exclusively for the benefit of the parties hereto and it may not be enforced by any party other than the parties to this Agreement and shall not give rise to liability to any third party other than the authorized successors and assigns of the parties hereto as such are authorized by this Agreement.

8.15 Brokerage. Except, for Manager, with respect to securing the Loan, Manager, the Authority, and the Tribe represent and warrant to each other that neither has sought the services of a broker, finder or agent in this transaction, and neither has employed, nor authorized, any other person to act in such capacity. Manager, the Authority, and the Tribe each hereby agrees to indemnify and hold the others harmless from and against any and all claims, loss, liability, damage or expenses (including reasonable attorneys' fees) suffered or incurred by the other party as a result of the breach of the representation and warranty set forth herein.

8.16 Survival of Covenants. Any covenant, term or provision of this Agreement which, in order to be effective, must survive the termination of this Agreement, shall survive any such termination.

8.17 Estoppel Certificate. Manager, the Authority, and the Tribe each agree to furnish to the other parties, from time to time upon request, within ten (10) business days of receipt of the request an estoppel certificate in such reasonable form as the requesting party may request stating whether there have been any defaults under this Agreement known to the party furnishing the estoppel certificate and such other information relating to the Enterprise as may be reasonably requested.

8.18 Periods of Time. Whenever any determination is to be made or action is to be taken on a date specified in this Agreement, if such date shall fall on a Saturday, Sunday or legal holiday under the laws of the Tribe, Federal government, or the State of California, then in such event said date shall be extended to the next day which is not a Saturday, Sunday or legal holiday.

8.19 Exhibits. All exhibits attached hereto are incorporated herein by reference and made a part hereof as if fully rewritten or reproduced herein.

8.20 Successors, Assigns, and Subcontracting. The benefits and obligations of this Agreement shall inure to and be binding upon the parties hereto and their respective successors and

assigns. Manager shall have the right to assign its rights under this Agreement and the Development Agreement to one or more directly or indirectly wholly-owned subsidiaries of CASCADE ENTERTAINMENT GROUP, LLC, or its successor. The Tribe's and the Authority's consent shall be required for the assignment or subcontracting by the Manager of its rights, interests or obligations as Manager hereunder to any other Affiliate of Manager, or any successor corporation to Manager, provided that any such assignee or subcontractor agrees to be bound by the terms and conditions of this Agreement, and the Tribe and the Authority shall consent to any such assignee or subcontractor provided that such assignee or subcontractor has, in the discretion of the Tribe and the Authority, the competency and financial capability to perform as required by this Agreement. The acquisition of Manager or its parent company by a party other than an Affiliate of Manager, or its successor corporation, shall not constitute an assignment of this Agreement by Manager and this Agreement shall remain in full force and effect between the Tribe, the Authority, and Manager, subject only to Legal Requirements.

8.21 Permitted Assignment. Any assignment of this Agreement permitted under the Agreement, to the extent mandated by the IGRA, shall be subject to approval by the Chairman of the NIGC or his authorized representative after a complete background investigation of the proposed assignee. Any assignment by the Tribe or the Authority shall not prejudice the rights of Manager under this Agreement or the Lender under the Loan Agreement. No assignment authorized hereunder shall be effective until all necessary government approvals have been obtained.

8.22 Time is of the Essence. Time is of the essence in the performance of this Agreement.

8.23 Confidential Information. The parties agree that any information received concerning another party during the performance of this Agreement, regarding the parties' organization, financial matters, marketing plans, or other information of a proprietary nature (the "Confidential Information"), will be treated by all parties in full confidence and except as required to allow Manager, the Authority, and the Tribe to perform their respective covenants and obligations hereunder, or under the Loan Agreement, as required in connection with any arbitration proceeding commenced hereunder or in response to legal process or appropriate and necessary inquiry, and will not be revealed to any other persons, firms or organizations. This provision shall survive the termination of this Agreement for a period of two (2) years.

The obligations not to use or disclose the Confidential Information shall not apply to Confidential Information which (i) has been made previously available to the public by the Tribe, the Authority, or Manager or Manager's Affiliates or becomes generally available to the public, unless the Confidential Information being made available to the public results in a breach of this Agreement; (ii) prior to disclosure to the Tribe, the Authority, or Manager or Manager's Affiliates, was already rightfully in any such person's possession; or (iii) is obtained by the Tribe, the Authority, or Manager or Manager's Affiliates from a third party who is lawfully in possession of such Confidential Information, and not in violation of any contractual, legal or fiduciary obligation

to the Tribe, the Authority, or Manager or Manager's Affiliates, with respect to such Confidential Information and who does not require the Tribe, the Authority, or Manager or Manager's Affiliates to refrain from disclosing such Confidential Information to others.

8.24 Patron Dispute Resolution. Manager shall have the authority to resolve all patron disputes. In the event a patron is dissatisfied with Manager's final resolution of a dispute, the patron may seek such redress as may be authorized under the rules and regulations of the Tribal Gaming Commission, after all dispute resolution procedures adopted by Manager have been exhausted.

8.25 Modification. Any change to or modification of this Agreement must be in writing signed by all parties hereto and shall be effective only upon approval by the Chairman of the NIGC, the date of signature of the parties notwithstanding.

SECTION 9 WARRANTIES

9.1 Noninterference in Tribal Affairs. Manager agrees not to interfere in or attempt to wrongfully influence the internal affairs or government decisions of the Tribe's government, or of the Authority, by offering cash incentives, by making written or oral threats to the personal or financial status of any person, or by any other action, except for actions in the normal course of business of Manager that relate to the Enterprise. As of the date of this Agreement, the Tribe and the Authority acknowledge that Manager has not interfered or wrongfully interfered in the internal affairs of the Tribe or the Authority. For the purposes of this Section 9.1, if any such undue interference in Tribal affairs or the affairs of the Authority is alleged by the Federally recognized Tribal government or by the Authority in writing, and the NIGC finds that Manager has unduly interfered with the internal affairs of the Tribe's government or the Authority, and has not taken sufficient action to cure and prevent such interference, that finding of interference shall be grounds for termination of the Agreement. Manager shall be entitled to immediate written notice and a complete copy of any such complaint to the NIGC.

9.2 Prohibition of Payments to Members of Tribal Government. Manager represents and warrants that no payments have been or will be made by Manager or Manager's Affiliates, to any Member of the Tribal Government, any Tribal official, any relative of a Member of Tribal Government or Tribal official, or any Tribal government employee for the purpose of obtaining any special privilege, gain, advantage or consideration.

9.3 Prohibition of Hiring Members of Tribal Government. No Member of the Tribal Government, Tribal official, or employee of the Tribal government may be employed at the Enterprise or by Manager or its Affiliates without a written waiver of this Section 9.3 by the Authority. For this purpose, the Tribe and the Authority will identify all such persons to Manager in a writing and take reasonable steps to keep the list current; Manager shall not be held responsible if any person not on such written list is employed.

9.4 Prohibition of Financial Interest in Enterprise. No Member of the Tribal Government or relative of a Member of the Tribal Government shall have a direct or indirect financial interest in the Enterprise greater than the interest of any other member of the Tribe, and no Member of the Tribal Government or relative of a Member of the Tribal Government shall purchase or hold an interest or stock in Manager, or Manager's Affiliates; provided, however, nothing in this subsection shall restrict the ability of a Tribal Member who is not a Member of the Tribal Government or a relative of a Member of the Tribal Government to purchase or hold stock in Manager, or Manager's Affiliates where (i) such stock is publicly held, and (ii) the Tribal Member acquires less than five percent (5%) of the outstanding stock in the corporation, provided that if a Tribal Member shall acquire more than five percent (5%) such person shall comply with all applicable law.

SECTION 10 TERMINATION

10.1 Voluntary Termination and Termination for Cause. This Agreement may be terminated pursuant to the provisions of Sections 3.4.4, 9.1, 10.2, 10.3, 10.4, 10.5 and 10.6.

10.2 Voluntary Termination. This Agreement may be terminated upon the mutual written consent and approval of the parties, subject to the terms of the Loan Agreement. Notwithstanding the foregoing, the voluntary termination of this Agreement by either of the Tribe or the Authority shall be deemed the termination by both the Tribe and the Authority.

10.3 Termination for Cause. Either the Authority or Manager may terminate this Agreement by written notice to the other parties as set forth in this Section 10.3 in the event of a Material Breach of this Agreement.

10.3.1 Non-Curable Terminating Events. The Authority may terminate this Agreement on not less than 15 days written notice to Manager upon the occurrence of any of the following events:

- (i) an act of fraud perpetrated by any officer or member of Manager in connection with the performance by Manager of its obligations under this Agreement;

- (ii) an act of fraud perpetrated by any employee, agent or representative (other than officers) of Manager, or embezzlement or theft perpetrated by any employee, agent or representative of Manager in connection with the performance of Manager of its obligations under this Agreement, for which Manager shall not promptly (i) make full restitution to the Enterprise to the extent such loss is not covered by insurance proceeds, (ii) to the extent permitted under applicable law, terminate the employee(s), agent(s) and representative(s) perpetrating such fraud, embezzlement or theft and (iii) institute appropriate procedures to prevent any further fraud, embezzlement or theft by similar means;
- (iii) the existence of a pattern or practice of fraud, embezzlement or theft resulting from the gross negligence of Manager in connection with the performance of Manager of its obligations under this Agreement;

10.3.2 Curable Defaults. In the event of Material Breaches other than those described in section 10.3.1, the non-breaching party may terminate this Agreement if (i) such breach has continued for thirty (30) consecutive days following receipt by the breaching party of written notice describing the breach, (ii) the non-breaching party thereafter provides written notice to the other of its intention to declare a default and terminate this Agreement, and (iii) the defaulting party thereafter fails to cure or take steps to substantially cure the default within sixty (60) days. The discontinuance or correction of a Material Breach under this subsection 10.3.2 shall constitute a cure thereof. Notwithstanding anything to the contrary contained in this Agreement, a Material Breach by either of the Tribe or the Authority shall be deemed a Material Breach of both the Tribe and the Authority.

10.3.3. Parties Rights Following Material Breach. In the event of any termination for cause, regardless of fault, the parties shall retain all money previously paid to them pursuant to Section 5 of this Agreement; and the Authority shall retain title to all Enterprise and Facility fixtures, improvements, supplies, equipment, funds and accounts, subject to the rights of Manager under any security agreement and to the rights of Manager to any accrued and unpaid Net Revenues due under Section 5 of this Agreement. Manager

shall continue to have the right to repayment of unpaid principal and interest and other amounts due to Manager or outstanding and guaranteed by Manager and/or Manager's Affiliates (if Manager is called on to pay under such guarantee) under the Interim Note, Loan Agreement and/or Security and Reimbursement Agreement and advances made by Manager and interest thereon as contemplated by Section 8.12, and any other agreements entered into pursuant hereto. An election to pursue damages or to pursue specific performance of this Agreement or other equitable remedies while this Agreement remains in effect pursuant to the provisions of Sections 10.7 or 10.8 shall not preclude the injured party from providing notice of termination pursuant to this Section 10.3. Neither shall termination preclude a suit for damages.

10.4 Involuntary Termination Due to Changes in Legal Requirements. It is the understanding and intention of the parties that the establishment and operation of the Enterprise shall conform to and comply with all Legal Requirements. If during the term of this Agreement, the Enterprise or any material aspect of Gaming is determined by the Congress of the United States, the Department of the Interior of the United States of America, the NIGC, or the final judgment of a court of competent jurisdiction to be unlawful under federal law, the obligations of the parties hereto shall cease, and this Agreement shall be of no further force and effect; provided that:

- (i) Manager shall have the rights described in Section 5.4 of this Agreement;
- (ii) Manager, the Tribe, and the Authority shall retain all money previously paid to them pursuant to Section 5 of this Agreement;
- (iii) funds of the Enterprise in any Enterprise account shall be paid and distributed as provided in Section 5 of this Agreement;
- (iv) any money loaned or advanced to the Tribe or the Authority by or guaranteed by Manager or Manager's Affiliates (to the extent Manager or its Affiliates have paid under such guarantee) or owed to Manager or its Affiliates pursuant to the Security and Reimbursement Agreement or any other written agreement that has been approved by the Tribe or the Authority shall be repaid to Manager or its Affiliates in accordance with the terms of the Agreement; and
- (v) The Authority shall retain its interest in the title (and any lease) to all Enterprise assets, including all fixtures, supplies and equipment, subject to the rights of Manager under the Security and Reimbursement Agreement and subject to any requirements of financing arrangements.

10.5 Manager's Right to Terminate Agreement. Manager may terminate this Agreement by written notice effective upon receipt if:

- (i) Any Tribal, State or Federal authority where approval is required fails to approve this Agreement or otherwise objects to the performance by Manager of any obligation imposed on it under this Agreement.
- (ii) Manager has been notified by any regulatory agency that the performance by it of any obligation imposed by this Agreement will jeopardize the retention of any license, or approvals granted thereunder, held by Manager or any of its Affiliates in any other jurisdiction, and the Tribe or the Authority refuses to allow Manager to immediately rectify any such complaint.
- (iii) Manager has reason to believe that the performance by it, the Authority or the Tribe of any obligation imposed under this Agreement may reasonably be expected to result in the breach of any Legal Requirement and the parties have been unable to agree upon waiver of such performance within ten (10) days written notice by Manager.
- (iv) Through its own actions, the Tribe or the Authority fails to make any payment to Manager when due within the time specified in this Agreement and a grace period of thirty (30) days.

10.6 Authority's Right to Terminate Agreement.

10.6.1 Authority's Right to Terminate. The Authority may terminate this Agreement by written notice effective upon receipt if:

- (i) Any Federal or State authority, where approval is required, fails to approve this Agreement or otherwise objects to the performance by Manager of any obligation imposed on it under this Agreement and Manager has not cured the circumstance giving rise to the failure to approve or the objection to performance within one hundred twenty (120) days. A good faith effort to take steps to substantially cure the breach shall constitute cure until such time that no further appeal or resolution of the circumstance giving rise to the failure to approve or the objection to performance is available.
- (ii) The Authority has reason to believe that the performance by it or Manager of any obligation imposed under this Agreement may

reasonably be expected to result in the breach of any Legal Requirement and the parties have been unable to agree upon waiver of such performance within ten (10) days of written notice given by the Authority.

- (iii) Manager fails to make any payment to the Tribe or Authority when due, including but not limited to any Monthly Distribution Payment to the Authority or any Minimum Guaranteed Monthly Payment to the Tribe within the time specified in this Agreement and a grace period of thirty (30) days.

10.6.2 Tribe/Authority: No Right to Terminate Upon Other's Default. A Material Breach by the Authority shall not permit the termination of this Agreement by the Tribe. A Material Breach by the Tribe shall not permit the termination of this Agreement by the Authority.

10.7 Consequences of Manager's Breach. In the event of the termination of this Agreement by the Authority for cause under Section 10.3, Manager shall not, prospectively from the date of termination, except as provided in Section 10.3, have the right to its Management Fee from the Enterprise, but such termination shall not affect Manager's rights relating to recoupment and reimbursement of monies owed to Manager and/or guaranteed by Manager and/or Manager's Affiliates (to the extent Manager or Manager's Affiliate has paid under such guarantee) under this Agreement, the Loan Agreement, the Note or any other agreements entered pursuant hereto. Any Net Revenues accruing through the date of termination shall be distributed in accordance with Section 5 of this Agreement. Manager, the Authority and the Tribe acknowledge and agree that termination of this Agreement may not be a sufficient or appropriate remedy for breach by Manager, and further agree that pursuant to the other provisions of this Agreement, including but not limited to Section 17, the Authority and the Tribe shall, upon breach of this Agreement by Manager, have the right to pursue such remedies (in addition to termination) at law or equity as it determines are best able to compensate it for such breach, including the common law right of set-off. However, such right of set-off shall not apply to payments of amounts owing under the Loan Agreement or the Note. Manager specifically acknowledges and agrees that there may be irreparable harm to the Tribe or the Authority and that damages will be difficult to determine if Manager commits a Material Breach, and Manager therefore further acknowledges that an injunction and/or other equitable relief may be an appropriate remedy for any such breach. In any event, the Authority shall have the right to all payments due to the Authority accruing until the date of termination.

10.8 Consequences of Authority's or Tribe's Breach. In the event of termination of this Agreement by Manager for cause under Section 10.3, Manager shall not be required to perform any further services under this Agreement and the Tribe and the Authority shall indemnify and hold Manager harmless against all liabilities of any nature whatsoever relating to the Enterprise, but only insofar as these liabilities result from acts within the control of the Tribe or the Authority or their

agents or were created by the termination of this Agreement. Manager, the Authority, and the Tribe acknowledge and agree that termination of this Agreement may not be a sufficient or appropriate remedy for breach by the Authority or Tribe, and further agree that pursuant to the other provisions of this Agreement, including but not necessarily limited to, Section 16, Manager shall, upon breach of this Agreement by the Authority or Tribe, have the right to pursue such remedies (in addition to termination) at law or equity as it determines are best able to compensate it for such breach, including, without limitation, specifically actions to require payment of the Management Fee pursuant to Section 5 for a term equal to the then remaining term of this Agreement at the percentage of Net Revenues specified in Section 5. The Authority and the Tribe specifically acknowledge and agree that there may be irreparable harm to Manager and that damages will be difficult to determine if the Authority or the Tribe commits a Material Breach, and the Authority and the Tribe therefore further acknowledge that an injunction and/or other equitable relief may be an appropriate remedy for any such breach. In any event, Manager shall have the right to its Management Fee accruing until the date of termination as provided in Section 5 of this Agreement, and to the repayment of unpaid principal and interest and other amounts due under the Interim Note and any other note guaranteed by Manager or its Affiliates, the Loan Agreement, and any other loans to the Authority or the Tribe, and the Security and Reimbursement Agreement.

10.9 Notice and Opportunity to Cure. The Tribe and the Authority will give Manager notice of any alleged violation of the Tribal Gaming Code by Manager and thirty (30) days opportunity to cure before the Tribal Gaming Commission may take any action based on such alleged violation.

SECTION 11 CONCLUSION OF THE MANAGEMENT TERM

11.1 Conclusion of the Management Term. Upon the conclusion or the termination of this Agreement, Manager shall have the following rights and obligations:

11.2 Transition. Manager shall take reasonable steps for the orderly transition of management of the Enterprise to the Authority or its designee pursuant to a transition plan as described in Section 17 of this Agreement; such transition period shall be for a reasonable period but not less than thirty (30) days.

11.3 Undistributed Net Revenues. If the Enterprise has accrued Net Revenues which have not been distributed under Section 5 of this Agreement, Manager shall receive that Management Fee equal to that Management Fee it would have received had the distribution occurred during the term of the Management Agreement.

SECTION 12 CONSENTS AND APPROVALS

12.1 Authority or Tribe. Where approval or consent or other action of the Tribe or the Authority is required, such approval shall mean the written approval of the Tribal Council or the Governing Board, as the case may be, evidenced by a resolution thereof, certified by a Tribal official or Authority official as having been duly adopted, or such other person or entity designated by resolution of the Tribal Council or the Governing Board. Any such approval, consent or action shall not be unreasonably withheld or delayed; provided that the foregoing does not apply where a specific provision of this Agreement allows the Tribe or the Authority an absolute right to deny approval or consent or withhold action. Notwithstanding the foregoing, if the approval or consent of the Tribe or the Authority, or the delivery of notice to the Tribe or the Authority, is required by the terms and conditions of this Agreement, then the approval or consent of, or the delivery of notice to, either the Tribe or the Authority shall be deemed to constitute the approval or consent of, or delivery of notice to, both the Tribe and the Authority, and if any inconsistent or contradictory instructions (by way of approval, disapproval, consent or otherwise) shall be delivered by the Authority and the Tribe, Manager shall have the right to choose (in its sole and absolute discretion) the instruction that shall be binding upon both the Authority and the Tribe (and the Authority and the Tribe acknowledge and agree that Manager's choice shall be binding on them).

12.2 Manager. Where approval or consent or other action of Manager is required, such approval shall mean the written approval of the Managing Officer. Any such approval, consent or other action shall not be unreasonably withheld or delayed.

SECTION 13 DISCLOSURES

13.1 Members, Shareholders and Directors. Manager warrants that on the date of this Agreement its members, shareholders, directors and officers are those listed on Exhibits E and F.

13.2 Warranties. Manager further warrants and represents as follows:

- (i) no person or entity has any beneficial ownership interest in Manager other than as set forth herein;
- (ii) no officer, director or owner of five percent (5%) or more of the stock of Manager has been arrested, indicted for, convicted of, or pleaded *nolo contendere* to any felony or any gaming offense, or had any association with individuals or entities known to be connected with organized crime; and
- (iii) no person or entity listed on Exhibits E or F to this Agreement, including any officers and directors of Manager, has been arrested,

indicted for, convicted of, or pleaded *nolo contendere* to any felony or any gaming offense, or had any association with individuals or entities known to be connected with organized crime.

13.3 Criminal and Credit Investigation. Manager agrees that all of its members, shareholders, directors and officers (whether or not involved in the Enterprise), shall:

- (i) consent to background investigations to be conducted by the Tribe, the State of California, the Federal Bureau of Investigation (the "FBI") or any other law enforcement authority to the extent required by the IGRA and the Compact;
- (ii) be subject to licensing requirements in accordance with Tribal law and this Agreement;
- (iii) consent to a background, criminal and credit investigation to be conducted by or for the NIGC, if required;
- (iv) consent to a financial and credit investigation to be conducted by a credit reporting or investigation agency at the request of the TGC;
- (v) cooperate fully with such investigations; and
- (vi) disclose any information requested by the TGC which would facilitate the background and financial investigation.

Any materially false or deceptive disclosures or failure to cooperate fully with such investigations by an employee of Manager or an employee of the Authority shall result in the immediate dismissal of such employee. The results of any such investigation may be disclosed by the TGC to federal officials and to such other regulatory authorities as required by law.

13.4 Disclosure Amendments. Manager agrees that whenever there is any change proposed in the information disclosed pursuant to this Section 13 it shall notify the NIGC, the Authority and the TGC of such change within ten days of any such proposed change. In the event there is any change in information disclosed pursuant to section 13.1 of this section, Manager agrees that it will notify the Authority, the TGC and the NIGC not later than thirty (30) days following the change or within ten days after it becomes aware of such change, whichever is later. No addition to the list of persons listed in section 13.1 of this Agreement, or to the persons having management responsibility for the Enterprise pursuant to this Agreement, shall be effective until the parties are notified that the Chairman of the NIGC has approved the change pursuant to the provisions of 25 C.F.R. Part 535. All of the warranties and agreements contained in this Section 13 shall apply to any person or entity who would be listed in this Section 13 as a result of such changes.

13.5 Breach of Manager's Warranties and Agreements. The Material Breach of any warranty or agreement of Manager contained in this Section 13 shall be grounds for immediate termination of this Agreement; provided that (i) if a breach of the warranty contained in clause (ii) of Section 13.2 is discovered, and such breach was not disclosed by any background check conducted as part of the Federal approval of this Agreement, or was discovered by the investigation but all officers and directors of Manager sign sworn affidavits that they had no knowledge of such breach, then Manager shall have sixty (60) days after notice from the Authority to terminate the interest of the offending person or entity and, if such termination takes place, this Agreement shall remain in full force and effect; and (ii) if a breach relates to a failure to update changes in financial position or additional gaming related activities, then Manager shall have thirty (30) days after notice from the Authority to cure such default prior to termination.

SECTION 14 RECORDATION

14. Recordation. At the option of Manager or the Authority, any security agreement related to the Loan Agreement, or the Security and Reimbursement Agreement, may be recorded in any public records. Where such recordation is desired in any relevant recording office maintained by the Tribe, and/or in the public records of the BIA, the Authority will accomplish such recordation upon the request of Manager. Manager shall promptly reimburse the Authority for all expenses, including attorney fees, incurred as a result of such request. No such recordation shall waive the Tribe's or the Authority's sovereign immunity.

SECTION 15 LIEN, LEASE OR JOINT VENTURE

15. No Present Lien, Lease or Joint Venture. The parties agree and expressly warrant that neither the Management Agreement nor any exhibit thereto is a mortgage or lease and, consequently, does not convey any present interest whatsoever in the Facility or the Property, nor any proprietary interest in the Enterprise itself. The parties further agree and acknowledge that it is not their intent, and that this Agreement shall not be construed, to create a joint venture between the Tribe and Manager or the Authority and the Manager; rather, Manager shall be deemed to be an independent contractor for all purposes hereunder.

SECTION 16 DISPUTE RESOLUTION

16.1 General. The parties agree that binding arbitration shall be the remedy for all disputes, controversies and claims between the Tribe and the Manager or between the Authority and the

Manager arising out of this Agreement, any documents referenced by any of this Agreement, any agreements collateral thereto, or any notice of termination thereof, including without limitation, any dispute, controversy or claim arising out of any of these agreements. The Tribe and the Authority waive any recourse to any court of the Tribe, and agree that Tribal court procedures need not be exhausted as a precondition to commencing or maintaining dispute resolution procedures under this Agreement. The parties intend that such arbitration shall provide final and binding resolution of any dispute, controversy or claim, and that action in any other forum shall be brought only if necessary to compel such arbitration, to aid such arbitration, or to enforce an award or order resulting from such arbitration. All initial proceedings between the parties before the arbitrator shall be instituted within twelve (12) months after the claim accrues or shall be forever barred. Notwithstanding the foregoing, an arbitrator shall not have the power to compel, negate, assume, usurp or in any manner affect any Governmental Action unless any Governmental Action or failure to take any Governmental Action constitutes a breach of this Agreement by the Tribe or the Authority.

- (i) **Initial Procedure.** Each party agrees that it will use its best efforts to negotiate an amicable resolution of any dispute between Manager and the Tribe or the Authority arising from this Agreement.
- (ii) **Arbitration Jurisdiction.** Arbitration shall be initiated by written notice given by one party to the other, pursuant to the Notice section of this Agreement, and the Commercial Arbitration Rules of the American Arbitration Association shall thereafter apply. The Arbitrator shall have the power to grant legal, equitable and injunctive relief, including preliminary and temporary injunctive relief, and specific performance as provided in this Agreement, the Interim Promissory Note, the Note, the Loan Agreement (to the extent Manager is the Lender thereunder), the Security and Reimbursement Agreement, the Development Agreement and/or any agreement collateral thereto.
- (iii) **Court Authority.** If necessary, orders to compel arbitration, aid arbitration, or enforce an award of an arbitrator or provide any necessary remedies in aid of an arbitration may be sought before the courts of the State of California and the Federal Courts.
- (iv) **Choice of Law.** In determining any matter, the arbitrator shall apply the terms of this Agreement, without adding to, modifying or changing the terms in any respect, and shall apply Federal and applicable State law.
- (v) **Place of Hearing.** All arbitration hearings shall be held at a place designated by the arbitrator in Madera County, California.
- (vi) **Confidentiality.** The parties shall maintain strict confidentiality with respect to any arbitration commenced or maintained under the provisions of this Agreement,

provided that Manager or the Tribe or the Authority may provide any notice or information that may be required to any person under the terms of any Loan Agreement.

16.2 Limited Waiver of Sovereign Immunity. The Tribe and the Authority expressly and irrevocably waive their immunity from suit as provided for and limited by this Section. This waiver is limited to the Tribe's and the Authority's consent to all arbitration proceedings, and actions to compel arbitration, to aid arbitration, and to enforce any awards or orders issuing from or connected to such arbitration which are sought in the Courts of the State of California and the Federal Courts. The arbitrator shall not have the power to award punitive damages.

- (i) **Time Period.** The waiver granted herein shall commence as of the date of this Agreement and shall continue for one year following expiration, termination or cancellation of this Agreement, but shall remain effective for the duration of any arbitration or dispute resolution proceedings then pending, all appeals therefrom, including court procedures, and except as limited by this Section, to the full satisfaction of any awards or judgments which may issue from such proceedings, provided that an action to collect such judgments has been filed within one year of the date of the final judgment.
- (ii) **Recipient of Waiver.** This limited waiver is granted only to Manager and its permitted assigns hereunder and not to any other individual or entity.
- (iii) **Limitations of Actions.** This limited waiver is specifically limited to the following actions and judicial remedies:
 - (a) **Damages.** The enforcement of an award of money damages by the arbitrator, provided that the waiver does not extend beyond the assets specified in Subsection (c) below. No court or arbitrator shall have any authority or jurisdiction to order execution against any assets or revenues of the Tribe or the Authority except as provided in this Section or to award any punitive damages against the Tribe or the Authority.
 - (b) **Action to Compel Litigation.** An action to compel, aid or enforce arbitration or awards or orders resulting from or connected to such arbitration.
 - (c) **Limitation Upon Enforcement.** Damages awarded against the Tribe or the Authority shall be satisfied solely from the distributable share of Net Revenues of the Tribe and the Authority from the Enterprise, the tangible assets of the Facility and the business of the Enterprise, provided, however, that this limited waiver of sovereign immunity shall terminate with respect to the collection of any Net Revenues transferred from the

accounts of any of these businesses to the Tribe or the Tribe's bank account in the normal course of business. In no instance shall any enforcement of any kind whatsoever be allowed against any assets of the Tribe other than those specified in this Subsection.

- (d) **Extent of Waiver.** Notwithstanding the preceding three Subsections, the Tribe's and the Authority's waiver in this Section 16.2 extends to any action, order, or judgment of an arbitrator or court that provides for injunctive and/or declaratory relief."

SECTION 17 NEGOTIATE NEW AGREEMENT

17. **Intent to Negotiate New Agreement.** On or before thirty (30) days after the end of the year of this Agreement, the Authority shall give Manager notice of its intent regarding its willingness to enter into negotiations for a new Management Agreement to be effective upon the conclusion of this Agreement. 64

17.1 **Transition Plan.** If the Authority and Manager are unable to agree to the terms of a new agreement or if the Authority decides not to enter into negotiations for a new agreement, then the Authority and Manager shall agree upon a transition plan within thirty (30) days notice from the Authority of its intention not to negotiate a new Management Agreement, which plan shall be sufficient to allow the Authority to operate the Enterprise and provide for the orderly transition of the management of the Enterprise.

SECTION 18 ENTIRE AGREEMENT

18. **Entire Agreement.** This Agreement, including the Schedules and Exhibits referred to herein and any documents executed by the parties simultaneously herewith, including the Development Agreement and the Interim Promissory Note, constitutes the entire understanding and agreement of the parties hereto and supersedes all other prior agreements and understandings, written or oral, between the parties.

SECTION 19 GOVERNMENT SAVINGS CLAUSE

19. **Government Savings Clause.** Each of the parties agrees to execute, deliver and, if necessary, record any and all additional instruments, certifications, amendments, modifications and

other documents as may be required by the United States Department of the Interior, BIA, the NIGC, the office of the Solicitor, or any applicable statute, rule or regulation in order to effectuate, complete, perfect, continue or preserve the respective rights, obligations, liens and interests of the parties hereto to the fullest extent permitted by law; provided, that any such additional instrument, certification, amendment, modification or other document shall not materially change the respective rights, remedies or obligations of the Tribe, the Authority, or Manager under this Agreement or any other agreement or document related hereto.

SECTION 20 PREPARATION OF AGREEMENT

20. **Preparation of Agreement.** This Agreement was drafted and entered into after careful review and upon the advice of competent counsel; it shall not be construed more strongly for or against either party.

SECTION 21 STANDARD OF REASONABLENESS

21. **Standard of Reasonableness.** Unless specifically provided otherwise, all provisions of this Agreement and all collateral agreements shall be governed by a standard of reasonableness.

SECTION 22 EXECUTION

22. **Execution.** This Agreement may be executed in four counterparts, two to be retained by each party. Each of the six originals is equally valid. This Agreement shall be deemed "executed" and shall be binding upon all parties when properly executed and approved by the Chairman of the NIGC.

SECTION 23 ATTORNEY'S FEES

23. **Attorneys' Fees.** If a dispute resolution proceeding is filed under this Agreement based in contract, tort or equity, or this Agreement gives rise to any other legal proceeding between any of the parties hereto, the prevailing party shall be entitled to recover from the losing party reasonable attorneys' fees, costs and expenses, including, but not limited to, expert witness fees, accounting and engineering fees, and any other professional fees incurred in connection with the prosecution or defense of such action, if but only if an arbitrator or court (as applicable) determines that the claims of the losing party were frivolous or were made in bad faith and with the intent to harass or obstruct

the prevailing party. For purposes of this Agreement, the terms "attorneys' fees," "costs" and "expenses" shall also include the fees and expenses incurred by counsel to the parties hereto for photocopies, duplications, deliveries, postage, telephone and facsimile communications, and transcripts of proceedings relating to the action, and all fees billed for law clerks, paralegals, librarians, secretaries and others not admitted to the bar but performing services under the supervision of an attorney. The terms "attorneys' fees," "costs" and "expenses" shall also include, without limitation, fees and costs incurred in the following proceedings: (1) arbitrations; (2) bankruptcy proceedings; (3) appeals; (4) post-judgment motions and collection actions; and (5) garnishment, levy and debtor examinations. The prevailing party shall also be entitled to attorneys' fees and costs after any dismissal of an action.

SECTION 24 PERFORMANCE DELAYED

24. Performance Delayed. Neither the Tribe, the Authority, nor the Manager party will be liable for any failure or delay in the performance of its obligations hereunder which are due, in whole or in part, directly or indirectly, to any cause beyond the reasonable control of such party, which in the exercise of due diligence could not have been avoided, including without limitation, fire, explosion, earthquake, storm, flood or other weather, unavailability of necessary utilities or raw materials, strike, lockout, unavailability of any component, activities of a combination of workers or other labor difficulties, war, insurrection, riot, act of God or public enemy, law, act, order, export control regulation, proclamation decree, regulations, ordinance, or instruction of government or other public authorities, or judgment or decree of a court of competent jurisdiction (not arising out of any breach by such party of this Agreement). In the event of such occurrence, the party so affected will give prompt notice to the other parties, stating the period of time the occurrence is expected to continue.
