Subject: 2015 Final Fee Rate and Fingerprint Fees

The National Indian Gaming Commission (Commission) has adopted its 2015 final annual fee rates of 0.00% for tier 1 and 0.065% (.00065) for tier 2. These rates shall apply to all assessable gross revenues from each gaming operation under the jurisdiction of the Commission. If a tribe has a certificate of self-regulation under 25 CFR part 518, the 2015 final fee rate on Class II revenues shall be 0.0325% (.000325), which is one-half of the annual fee rate.

The final rates being adopted here are effective June 1, 2015 and will remain in effect until new rates are adopted.

The NIGC has implemented an electronic payment system through Pay.gov in 2014. The system can be used for the quarterly payment of annual fees and submission of associated worksheets. Tribes interested in using the new Pay.gov electronic payment system should visit www.pay.gov and select the NIGC using the tab *Find an Agency*. Additionally, tribes can visit the Commission's website at www.nigc.gov for details on how to sign into the system, what information is required to be submitted and how to handle changes or corrections to submissions. Use of this system is optional and paper worksheets and fee payments by check will still be accepted. Please remit quarterly fee payments to:

Pursuant to 25 CFR 514.4, please be sure to use the appropriate fiscal year as the base period for determining 2015 fee payments. Also, please provide the following identifying information: name, address, and telephone number of the gaming operation; name of licensing tribe; and the name, telephone number, and email address of contact person.

The National Indian Gaming Commission has also adopted its fingerprint processing fees of \$21 per card, which is the same as the fingerprint processing fees announced in March 2015. Pursuant to 25 CFR part 514, the Commission annually reviews the cost of processing fingerprint cards and sets a fee based on the amount charged by the Federal Bureau of Investigation and costs incurred by the Commission. Commission costs include Commission personnel, supplies, equipment costs, and postage to submit the results to the requesting tribe.

SUPPLEMENTARY INFORMATION: The Indian Gaming Regulatory Act (IGRA) established the National Indian Gaming Commission, which is charged with regulating gaming on Indian lands.

Commission regulations (25 CFR 514) provide for a system of fee assessment and payment that is self-administered by gaming operations. Pursuant to those regulations, the Commission is required to adopt and communicate assessment rates and the gaming operations are required to apply those rates to their revenues, compute the fees to be paid, report the revenues, and remit the fees to the Commission. All gaming

operations within the jurisdiction of the Commission are required to self-administer the provisions of these regulations, and report and pay any fees that are due to the Commission.

Pursuant to 25 CFR 514, the Commission must also review annually the costs involved in processing fingerprint cards and set a fee based on fees charged by the Federal Bureau of Investigation and costs incurred by the Commission. Commission costs include Commission personnel, supplies, equipment costs, and postage to submit the results to the requesting tribe. Based on that review, the 2015 fingerprint processing fee will remain the same at \$21 per card.
