22.415 IMMEDIATE SUSPENSION

If, in the judgment of a majority of Commissioners, the public interest, the effective regulation and control of gaming or the safe, fair and honest operation and conduct of Class II or Class III Gaming on the Reservation requires the immediate exclusion of a Licensee from involvement in such gaming, the Commission may immediately suspend a License or Section 4(b) License prior to the conduct of a hearing of the matter. Such an immediate suspension may take effect upon service of a complaint upon the Licensee.

22.416 COMPLAINT; SERVICE OF PROCESS

Proof of service may be provided by a certificate or affidavit of service, which shall be signed by the person effecting service and specify the date and manner in which service was made.
- B. Contents of Complaint - The complaint issued in relation to an adversary proceeding must be in writing and set forth in ordinary and concise language the acts or omissions which the respondent is believed to have committed. The complaint must cite the sections of law or regulation which the respondent is alleged to have violated.
- C. Answer - The respondent shall file an answer to the complaint with the Commission within twenty (20) days after service of the complaint.

1. In his or her answer the respondent must:
 - a. state in short and plain terms his or her defenses to each claim asserted;
 - b. admit or deny each and every fact alleged in the complaint;
 - c. state which allegations he or she is without knowledge or information sufficient to form a belief as to their truth. Such allegations shall be deemed denied; and
 - d. affirmatively set forth any matter which constitutes an avoidance or affirmative defense.
 2. The respondent may request a hearing in his or her answer to the complaint. Failure to demand a hearing in the answer constitutes a waiver of that right but, at the Commission's discretion, a hearing not requested in the respondent's answer may be granted.
 3. Failure to file an answer constitutes an admission by the respondent of all facts alleged in the complaint. The Commission may take action based on such an admission and on other evidence without further notice to the respondent.
- D. Setting of Hearing - The Chair of the Commission shall serve a notice of the hearing date within fourteen (14) days following receipt of respondent's answer.
- E. Appearance Through Counsel
1. Parties to proceedings governed by this Title may appear personally or through an attorney, except that the parties must themselves attend any hearing on the merits unless such attendance is waived in advance by the Commission.

2. Once a party appears through an attorney, all future service of notices, motions, orders, decisions or other papers shall be made upon the attorney.
3. When a party is represented by an attorney, the attorney may sign all motions, opposition, notices, requests, and other papers on behalf of the party.
4. The Executive Director may appear by and have the assistance of counsel.

F. Prehearing Conferences

1. After the respondent files an answer to the complaint, the Chair of the Commission may direct the parties to participate in a conference or conferences before the hearing on the merits, for such purposes as expediting the disposition of the action, resolving discovery issues, and facilitating the settlement of the case.
2. The participants at a prehearing conference shall be prepared to consider and act to address any or all of the following, as directed by the Chair of the Commission:
 - a. the formulation and simplification of the issues;
 - b. the necessity or desirability of amendments to the complaint or answer;
 - c. the possibility of obtaining admissions of fact which will avoid unnecessary proof, stipulations regarding the admissibility or authenticity of documents, and advance rulings from the Chair of the Commission regarding the admissibility of evidence;
 - d. the avoidance of unnecessary findings of proof and evidence;

- e. the identification of witnesses and documents, the need and schedule for filing and exchanging prehearing briefs, and the date or dates for further conferences and for the hearing on the merits;
 - f. the possibility of settlement;
 - g. the disposition of pending motions;
 - h. the possibility that all evidence can be submitted by affidavits, transcripts, and other documents; and
 - i. such other matters as may aid in the disposition of the action.
3. At a time designated by the Chair of the Commission, the respondent and the Executive Director shall set forth in a written prehearing statement, to be filed in the proceeding record, any matter no longer in dispute, and any matters for which no agreement has been reached and which require a ruling.

G. Discovery: Mandatory Exchanges

Within twenty (20) days following the date on which respondent's answer is received by the Commission, or such other date as the parties may agree or the Chair of the Commission may order, the respondent and the Executive Director shall personally confer and shall:

- 1. Exchange copies of all documents then reasonably available to a party which are then intended to be offered as evidence in support of the party's case in chief;
- 2. Identify, describe, or produce all tangible and reasonably available things, other than documents, which are intended to be offered as evidence in support of the party's case in chief, and upon request, arrange for the opposing party or parties to inspect, copy,

test, or sample the same under the supervision of the parties;

3. Exchange written lists of persons each party intends to call as a witness in support of the party's case. Each witness shall be identified by name, if known; position; business address and a brief description of the purpose for which the witness will be called. If no business address is available, the party shall provide a home address for the witness, or shall make the witness available for service of process.
4. The parties shall bear a continuing obligation to produce documents, witness lists, and other matters governed by this Section as such become identified by and available to the parties. A party may amend a response by informing the adverse party that documents previously produced or witnesses previously listed will not be introduced in that party's case in chief.

22.423 CONDUCT OF ADVERSARY HEARINGS

The following procedures shall apply to adversary proceedings conducted under this Title.

- A. A respondent may present and argue any legal objections to the complaint set forth in his or her answer.
- B. The Executive Director will present his or her opening statement on the merits. The respondent will then be permitted to make an opening statement of the defense, or he or she may reserve the same until commencement of the presentation of the case for the respondent.
- C. The Executive Director will then present his or her case in chief in support of the complaint.
- D. Upon conclusion of the Executive Director's case in chief, the respondent may move for dismissal of the complaint. The Commission may hear arguments on

the motion, or may grant, deny, or reserve decision thereon, with or without argument.

- E. If no motion to dismiss is made, or if such motion is denied or decision reserved thereon, the respondent shall thereupon present the case for the respondent.
- F. Upon conclusion of the respondent's case, the Executive Director may present his or her case in rebuttal.
- G. Upon conclusion of the Executive Director's case in rebuttal, the Executive Director shall present his or her closing argument, the respondent may present answering argument, and thereafter the Executive Director may present rebuttal argument. Thereupon the matter will stand submitted for decision.
- H. Any member of the Commission may ask questions of witnesses, parties, or counsel and may request or allow additional evidence at any time, including additional rebuttal evidence.
- I. Objections asserted by the parties may be immediately ruled upon by the Commission or taken under advisement and the hearing continued.
- J. The Commission may meet in closed session with, or without, counsel to deliberate concerning any ruling and the final decision in the proceeding. All rulings and decisions shall be announced in open session.
- K. The open sessions of an adversary hearing shall be recorded either by audio recording or by stenographic means. The transcript or audio tape shall be made a part of the hearing record.
- L. The Commission may delegate responsibility for conducting prehearing and hearing proceedings, in whole or in part, to a hearing officer. A hearing officer that conducts a hearing on behalf of the Commission shall issue a written decision which the Commission may adopt as the decision of the Commission. If the Commission does not adopt a hearing officer's decision, then the Commission

shall establish such further proceedings as may be required to enter a final decision and shall provide notice of the same to the Licensee.

22.424 EVIDENCE: ADMISSIBILITY

- A. Reliable evidence will be admitted in a proceeding. Evidence is reliable if it is the sort of evidence on which responsible persons are accustomed to relying upon in the conduct of serious affairs or if the evidence would be admissible in a court of law.
- B. Irrelevant or unduly repetitious evidence shall be excluded upon request of a party or the Commission's own initiative.

22.425 EVIDENCE: AUTHENTICATION AND IDENTIFICATION

Documentary and other physical evidence may be authenticated or identified by any method through which the matter in question can be shown to be what its proponent claims it to be.

22.426 FAILURE OR REFUSAL TO TESTIFY

- A. If a respondent fails to testify in his or her own behalf or asserts a claim of privilege against self-incrimination with respect to any question propounded to him or her at a deposition or at a hearing, the Commission may infer therefrom that such testimony or answer would have been adverse to his or her case.
- B. If any person controlling, controlled by, or under common control with, or employed by, or an agent of, a respondent fails to respond to a subpoena, or asserts a claim of privilege against self-incrimination with respect to any question propounded to him or her, the Commission may, taking into account all of the circumstances, infer that such testimony would have been adverse to the respondent.
- C. If, on a ground other than a properly invoked privilege against self-incrimination, a respondent fails to respond to a subpoena, or fails or refuses

to answer a material question propounded to him or her, the Commission may deem such failure or refusal to be independent grounds for granting the relief requested by the Executive Director in the complaint with respect to that respondent.

22.427 CONTINUANCES

A matter shall not be continued except for good cause shown. A motion to continue a hearing must be made at least ten (10) days prior to the hearing date and may be granted or denied in the discretion of the Chair of the Commission.

22.428 DEFAULTS

Failure of a respondent to file an answer to the complaint or to request a hearing, to appear personally at a hearing on the merits or to appear at a prehearing conference without having obtained a waiver of appearance, shall constitute an admission of all matters and facts contained in the complaint filed with respect to such respondent, and shall be deemed a waiver of the right to an evidentiary hearing. In such cases the Commission may take action based upon such admission or upon any other evidence, including affidavits, and without any further notices whatever to respondent. For good cause shown, the Commission may set aside any action it has taken based upon a default.

22.429 STANDARDS OF PROOF

Findings of fact shall be based upon a preponderance of the evidence standard, that is, a finding of fact must be supported by evidence that, when considered and compared with opposing evidence, has more convincing force and produces in the minds of the Commissioners a belief that what is sought to be proved is more likely true than not true.

22.430 DECISIONS OF THE COMMISSION

Final decisions of the Commission regarding disciplinary proceedings shall be in writing, issued within sixty (60) days after the hearing and served upon the parties personally, by certified mail, return receipt requested. A copy shall also be provided to the Governor of the Community at the same time.

22.431 PENALTIES

- A. The Commission may suspend, revoke, limit or condition the License or Section 4(b) License of any person or Entity, or order the suspension or termination of any Gaming Employee found to have violated the provisions of this Title, the Compact or the Regulations. In addition, or as an alternative to suspending, revoking, limiting, or conditioning a License or Section 4(b) License of any person or Entity, or suspending or terminating a Gaming Employee, the Commission may impose a civil fine of not more than \$5,000 for each separate violation of the Title, Compact, or Commission Regulations. All fines must be paid to the Commission within fifteen (15) days following the date on which the order to pay the fine is issued unless otherwise ordered by the Commission. All fines received by the Commission shall be deposited in an authorized account designated by the Commission and Community Treasurer.
- B. If, instead of suspending, revoking, limiting, or conditioning the License or Section 4(b) License, of a Licensee or terminating or suspending a Gaming Employee, the Commission imposes a fine, the Licensee or Gaming Employee may request a hearing before the Commission to challenge the fine. The Commission shall promulgate regulations establishing the procedures for a hearing on a challenge to a Commission fine.
- C. The Commission is authorized to take the lead in imposing fines on any persons, Gaming Employees, Commission employees, Management Contractors, financiers, Manufacturer, Distributor, and persons providing Gaming Services that are certified by the State Gaming Agency and have violated the Compact.

A Licensee may appeal a final decision of the Commission to impose a fine of five hundred dollars (\$500) or more or to suspend or revoke a License or Section 4(b) License, but not the denial of an Application, in the Community Court at any time within thirty (30) days after the effective date of such

final decision. A decision of the Community Court of last resort shall be final.

22.433 RETENTION OF RECORDS

The Commission and Gaming Enterprise shall retain applications for employment containing all of the information listed in Section 22.402(B)(1) - (14) when an individual is employed in a Primary Management Official or Key Employee position and retain any report of background investigations and eligibility determinations of Primary Management Officials and Key Employees for a period of no less than three (3) years from the date of termination of employment.
