Section 4.07 Waiver of Licensing for Certain Entertainers

The Gaming Commission has determined that licensing of certain entertainers is not necessary to protect the public interest, regardless of the value of services provided, subject to the requirements of this Section. In the event the Tribe or Gaming Operation contracts directly with an entertainer, the Commission will waive the licensing requirements for an entertainer, employees of the entertainer, and Person providing personal services to the entertainer who are paid by the entertainer so long as: (A) the entertainer does not perform within the Gaming Facility more than three days in a calendar year; and (B) the entertainer, employees of the entertainer, and Persons providing personal services to the entertainer who are paid by the entertainer are not allowed unescorted access to any secure area of the Gaming Facility. Performances ending after midnight that are part of a show or series of shows that started the previous evening will be considered part of the performance from the previous evening, and performances do not include setting up and tearing down the stage, props, or light and sound equipment, or warm-ups and sound checks. The Commission may rescind this waiver if it has a reasonable, good faith belief that the entertainer, employees of the entertainer, or Persons providing personal services to the entertainer who are paid by the entertainer would pose a threat to the public interest.

Section 4.08 Violation of Terms of License

Violation of any material provision of this Ordinance or any of the Gaming Commission's Regulations by a Licensee, its agent, or employee shall be deemed contrary to the public health, safety, morals, good order and general welfare of the Tribe and the inhabitants of the Sycuan Reservation, and shall constitute grounds for refusing to grant or renew a License, suspension or revocation of a License, or for the imposition of sanctions by the Gaming Commission or its staff. Acceptance of a License or renewal on the part of the Licensee shall constitute the Licensee's agreement to be bound by all regulations and requirements of the Gaming Commission. It is the responsibility of the Licensee to keep informed of the contents of such Regulations, amendments, provisions, and conditions and ignorance thereof will not excuse the violations. All Licenses shall have not more than one-year duration and will require renewal thereafter in accordance with procedures set forth by the Gaming Commission.

The Gaming Commission shall license each Tribal Gaming Facility, which license shall be renewed annually. Prior to the issuance of a facility license, the Executive Director shall determine the following:

- E. Prescribe the intervals at which financial and other information shall be furnished to the Gaming Commission.

Provide for preliminary review of the internal control structure upon adoption of the policies and procedures by the Gaming Facility, provide an opinion regarding the adequacy of controls, to disclose any deviation from prescribed rules and regulations, and report such finding to the Gaming Commission and Gaming Facility management.

Section 5.03 Sycuan Tribal Gaming Commission's Right to Conduct Audits

The Gaming Commission is authorized to retain its own staff auditors and accountants, or contract with an accountant(s), to conduct its own audits of any Gaming Operation, separate and apart from the annual audit of the Gaming Operation's financial statements and internal control compliance

Section 5.04 Prohibition Against Embezzlement

Any delay, maneuver or action of any kind which, in the opinion of the Executive Director of the Gaming Commission or Commissioners, is effectuated or attempted by any Licensee to unlawfully divert gaming or other proceeds properly belonging to the Tribe, shall constitute grounds for imposing sanctions upon that Licensee. If the Tribal Gaming Commission finds that an unlawful diversion was conducted or attempted, it shall sanction the Licensee. Sanctions may include fining, revoking, suspending, limiting or refusing to renew the License, or referring the matter for criminal prosecution and/or a civil action to recover funds and other property and enforcement of fines.

CHAPTER 6
