Dear Mr. Baldwin:

This letter responds to your request on behalf of the Northern Arapaho Tribe for the National Indian Gaming Commission (NIGC) to review and approve the Tribe's amendment to its gaming ordinance. The amendment to the gaming ordinance was adopted by the Northern Arapaho Business Council Resolution 2008-9884. This proposed amendment makes three changes:

1. The Secretarial Procedures require that before the Tribe may offer a new Class III game for play, it must notify NIGC of applicable internal controls, employee training, game rules, etc. The Procedures require that this be done at least 60 days before play begins, unless the Tribe and NIGC agree to a shorter period. The Northern Arapaho Gaming Authority and the NIGC staff agree that 30 days is sufficient for this notification and the ordinance has been amended accordingly.

2. The maximum term of a gaming license is extended from 12 months to 24, though the Northern Arapaho Gaming Agency retains authority to impose shorter periods for specific types of licenses.

3. Gaming employees must have a license. Non-gaming employees are not licensed but must have a work permit if they work at any facility where authorized gaming occurs or is supervised or administered (i.e. a cashier at a convenience store that has slot
machines). Under the previous ordinance, the Tribal Gaming Commission (TGC) could not issue a work permit to a person with any felony conviction. The proposed amendment allows the TGC to issue a work permit to those with felony convictions if they pass a suitability determination and the TGC finds that issuance would not pose a risk to the integrity of the gaming operation. The requirements for suitability determinations related to gaming licenses remain unchanged.

This letter constitutes approval under the Indian Gaming Regulatory Act (IGRA), 25 U.S.C. § 2701 et seq., of this amendment to the Tribe’s gaming ordinance. Thank you for submitting the amendment for review and approval. If you have any questions, please contact Staff Attorney Jennifer Ward at (202) 418-9814.

Sincerely,
