Re: Request for Approval of Amendments to the
Augustine Band of Cahuilla Indians Gaming Ordinance

Dear Mr. Hehir:

This letter responds to your request, on behalf of Tribal Chairperson Mary Ann Green, to the National Indian Gaming Commission ("NIGC") to review and approve the amendments to the tribal gaming ordinance of the Augustine Band of Cahuilla Indians ("Tribe"). On March 3, 2009, the Tribe forwarded the amendments to the ordinance by Resolutions No. 09.01, No. 08.02, No. 07.11, and No. 07.10. The NIGC received the amendments on March 5, 2009.

The amended ordinance is consistent with the requirements of the Indian Gaming Regulatory Act and the NIGC's regulations, and it is therefore approved. In the future, please be advised that NIGC regulations require that amendments to an ordinance must be submitted to the NIGC Chairman for approval within 15 days of adoption of a resolution amending said ordinance.

Thank you for your submission. If you have any questions or require assistance, please contact Armando Acosta in the Office of the General Counsel at 202-632-7003.

Sincerely,

Dear Chairman Hogen:

The Augustine Band of Cahuilla Indians is submitting for your approval four (4) Resolutions, signed by the Tribal Chairperson, Mary Ann Green, amending five (5) sections of the Tribal's Gaming Ordinance entitled "The Code of Laws of the Augustine Band of Cahuilla Indians-Title IV Gaming".

Resolution No. 09.01 Gaming Code Section 914 “License Suspension and Revocation” has been amended to specify with clarity that any employee who has their license suspended wherein it is the intention of the Gaming Commission to revoke their license **has a right to a hearing.** Subsections (a), (b), and (f) have been amended to be consistent with the employee’s right to have hearing regarding the revocation of their license. Because we have found that it is not practical to schedule a hearing within ten (10) days of the original date of license suspension Subsection (e) has been amended to provide thirty (30) days.

Resolution No. 08.02 Gaming Code Section 406 “Qualifications” has been amended to provide Tribal members greater flexibility and opportunity for employment and participation in the Tribal Gaming Agency. Subsection (c) has been amended by adding the words “Unless a Tribal Member” to the beginning of the first sentence.

Resolution No. 07.11 Gaming Code Section 404 "Terms" has been amended to decrease the length of service of a commissioner from three (3) years to two (2) years. The length of service for the Commission Chairperson remains three (3) years. The Last paragraph in Gaming Code Section 404 is amended to read, "Thereafter all terms for commissioners shall be two years and the term of the chairperson shall be three years. If a vacancy occurs during a term, the Council may appoint a successor for the unexpired portion of the term".

NO. 5
R. 1
L. 1

Resolution No. 07.10 Gaming Code Sections 401 "Establishment of Augustine Band Gaming Commission" and 409 "Meetings" have been amended to provide the Gaming Commission more flexibility in the makeup of the Commission and meeting frequency. Section 401 has been amended to read, "...consisting of a Commission Chairperson and **up to four other members**". Section 409 "Meetings" has been amended to read, "The Commission shall meet as scheduled to fulfill its duties and obligations under this Code, but in no event less frequently than once **per quarter**".

Section 914 License Suspension and Revocation

- (a) If after issuance of a permanent license under this chapter the Commission determines that the continued licensing of the person or entity could constitute a threat to the public health or safety or that the licensee is unsuitable or otherwise unqualified for a gaming license, or the Commission receives from the NIGC or an appropriate law enforcement department reliable written information indicating that a key employee or a primary management official is not eligible for licensure, the Commission shall summarily suspend such license and shall notify in writing the licensee of the suspension and the proposed revocation, and the right to have a hearing on the proposed revocation of the license.
- (b) If after issuance of a permanent license under this chapter the Commission receives notice that the State Gaming Agency has determined that a person would be unsuitable for licensure in a gaming establishment subject to the jurisdiction of the State Gaming Agency, the Commission shall suspend such license and notify the licensee in writing of the proposed revocation and the licensee's right to a hearing. - (c) The gaming operation shall not enter into, or continue to make payments pursuant to, any contract or agreement for the provision of gaming resources requiring state certification with any person whose application to the State Gaming Agency for a determination of suitability has been denied or has expired without renewal. Any agreement between the gaming operation and a gaming resource supplier shall be deemed to include a provision for its termination without further liability on the part of the gaming operation, except for bona fide repayment of all outstanding sums (exclusive of interest) owed as of, or payment for services or materials received up to, the date of termination, upon revocation or non-renewal of the gaming resource supplier's license by the Commission based on a determination of unsuitability by the State Gaming Agency.

Any agreement between the gaming operation or the Band and a financial source providing financing for class III gaming activity shall be deemed to include a provision for its termination without further liability on the part of the gaming operation or the Band, except for bona fide repayment of all outstanding sums (exclusive of interest) owed as of the date of termination, upon revocation or non-renewal of the financial source's license by the Commission based on a determination of unsuitability by the State Gaming Agency.

(e) Upon suspension of the license under this section, the Commission shall notify the licensee in writing of the suspension and proposed revocation. Such suspension shall not extend beyond 30 *days* days without a hearing, if a hearing has been requested.

(f) Should the licensee request a hearing, the Commission shall notify the licensee of the time and place of the hearing. At the hearing, the licensee shall have the right to be present, be represented by counsel at the licensee's own expense, to review all evidence before the Commission on the application, and to present additional oral or documentary evidence in support of the application. The decision of the Commission shall be in writing, and shall be rendered within five business days of the conclusion of the hearing.

(g) After a revocation hearing, the Commission shall determine, based on the evidence presented at the hearing, whether to revoke or reinstate the license.
