Dear Chairperson Carroll:

This letter responds to your request to review and approve the tribal gaming ordinance, Ordinance No. 95-04, adopted on October 20, 1995, by the Bear River Band (Tribe). This letter constitutes such approval under the Indian Gaming Regulatory Act (IGRA).

Under the IGRA and the regulations of the National Indian Gaming Commission (NIGC), the Chairman is directed to review ordinances with respect to the requirements of the IGRA and the implementing regulations. Thus, the scope of the Chairman's review and approval is limited to the requirements of the IGRA and the NIGC regulations. Provisions other than those required under the IGRA or the NIGC regulations that may be included in a tribal ordinance are not subject to review and approval. Also, such approval does not constitute approval of specific games. It is important to note that the gaming ordinance is approved for gaming only on Indian lands as defined in the IGRA.

With the Chairman's approval of the Tribe's gaming ordinance, the Tribe is now required to conduct background investigations on its key employees and primary management officials. The NIGC expects to receive a completed application for each key employee and primary management official pursuant to 25 C.F.R. § 556.5(a) and an investigative report on each background investigation before issuing a license to a key employee or primary management official pursuant to 25 C.F.R. § 556.5(b).

The NIGC has been advised by the Bureau of Indian Affairs that the Tribe's only parcel of trust land was acquired after the enactment of the IGRA. Section 2719 of the IGRA generally prohibits gaming on lands acquired in trust after 1988. Please provide the NIGC with some documentation demonstrating that this parcel falls under one of the exceptions to the general prohibition in § 2719 or that the Tribe has other lands which qualify as Indian lands.
Thank you for submitting the ordinance of the Bear River Band of the Rohnerville Rancheria for review and approval. The NIGC staff and I look forward to working with you and the Tribe in implementing the IGRA.

Sincerely yours,

Harold A. Montea
Chairman

All such contracts shall specify that they are subject to the annual independent audit requirement.

ARTICLE X: LICENSES

a. Licensing Requirement. In order to protect the morals, good order, and welfare of the tribal members and other persons on the reservation and to preserve the honesty, fairness, and integrity of gaming activities, all gaming activities must be licensed. Therefore, no person shall engage in or conduct any class II or class III gaming activities on the reservation without an appropriate and valid independent class II or class III license issued by the Gaming Commission. Any gaming license which is issued, or finding of suitability or approval by the Gaming Commission shall be deemed a privilege subject to suspension or revocation. No license shall be issued that would place the Tribe in violation of the Indian Gaming Regulatory Act, provisions of a tribal-state compact, or of any other applicable law.

b. Claim of Privilege. An applicant may claim any privilege afforded by law in connection with a gaming license application or investigation, but a claim of privilege with respect to any testimony or evidence pertaining thereto may constitute sufficient grounds for denial, suspension or revocation.

c. Release of Information. All applicants for a license shall agree to release the information necessary for the Gaming Commission to carry out its duties and achieve its goals under this Ordinance, and to furnish such information to the Bureau of Indian Affairs, the National Indian Gaming Commission, or such other governmental agency as may be required by law.

d. Types of Licenses. Three classes of licenses (Class A, Class B, and Class C) shall be issued to persons and entities associated with gaming activities -

(1) Class A License. Before permitting any person to become permanently associated with a gaming activity as an investor, management entity, or other person owning or controlling ten percent (10%) or more of any interest in any management entity, or any primary management official, key
employee, closely associated independent contractor, or other individual or entity with influence over the management or operation of the gaming, or a class III or III gaming employee, supplier, manufacturer or distributor, such person shall obtain a Class A license. The Gaming Commission shall conduct or cause to be conducted a background investigation to determine if such person has:

(a) Any criminal record or reputation, prior activities, habits, or associations which might pose a threat to the public interest or to the effective regulation of gaming.

(b) Anything else in the person's background that might create or enhance the dangers of unsuitable, unfair, or illegal practices and methods and activities in the conduct of gaming.

(2) Class B License. Persons who are not among those identified in subsection (1) above, but who are to be employed at a gaming facility on the reservation in some other capacity, such as in non-gaming activities, shall be required to obtain a Class B license from the Gaming Commission. Such persons must establish that they have not been convicted of a crime, or engaged in any activity, which the Gaming Commission in its sole discretion deems would render such person a danger to the safety or integrity of the gaming activities or the safety or property of the Tribe, any tribal member, any gaming employee or patron, or the general public.

(3) Class C License. Minors (persons under the age of 18 years) employed at a gaming facility on the reservation may be issued a Class C license, which will entitle them to work in any position for which a Class B license is required for adults and not otherwise prohibited by law, provided such minors are not deemed by the Gaming Commission to pose any threat to the safety or integrity of the gaming activities or the safety or property of the Tribe, any tribal member, any gaming employee or patron, or the general public. The Class C license shall be valid for no more than six (6) months before renewal, and shall be revoked upon the minor reaching the age of 18, at which time a Class A or Class B license, as may be appropriate, will be required. Minors shall not be employed as dealers or otherwise operate or supervise the operations of games, or to serve alcoholic beverages.

e. License Renewal. Class A and Class B licenses shall be subject to renewal at least every two (2) years, and are subject to revocation or suspension upon the occurrence of any act which, if known during the application process, would have tended to disqualify such person for such a license.

f. Temporary Licenses. Pending completion of an investigation for a license, the Gaming Commission may issue as it deems appropriate and in its sole discretion a temporary license of no more than ninety (90) days duration. Such license shall permit the licensee to engage in such activities and pursuant to such terms and conditions as may be specified by the Gaming Commission. Such temporary license shall expire ninety (90) days from the date of issuance, upon issuance of a regular license, or until an earlier specified expiration date, whichever occurs first.
g. License Investigation. The Gaming Commission may employ all reasonable means, including the engagement of outside services and investigators and the holding of hearings, to acquire the information needed to determine if a license should be issued. Applicants shall also agree to release the information necessary for the Gaming Commission to achieve its duties and goals under this section, and to furnish such information to the National Indian Gaming Commission or such other agency as may be required by law.

h. License Fees. All license applicants shall be required to pay all applicable fees and costs when due, including a reasonable deposit of costs incurred in obtaining information in connection with the application, unless such fees or costs are specifically waived by the Gaming Commission. Estimates of licensing costs shall be provided to applicants upon request. Payment for all reasonable fees and costs must be received by the Gaming Commission prior to issuance of the license.

i. Appeals. All decisions of the Gaming Commission regarding the issuance or revocation of licenses shall be effective when issued. An applicant or licensee whose license is denied, revoked, or suspended may, within thirty (30) days after the date of receipt of a written decision of the Gaming Commission, file a petition with the Gaming Commission requesting a hearing to reconsider the decision, and shall have the right to appeal such decision to the Tribal Court in accordance with such rules and procedures as may be promulgated for that purpose. Any tribal member denied a license by the Gaming Commission may, within sixty (60) days of written notice of such denial, appeal the denial to the Gaming Commission, which shall have the power to reverse its prior decision and order that such license be issued, and shall have the right to appeal such decision to the Tribal Court; Provided that no such license shall be issued for more than one (1) year, subject to the renewal procedures set forth herein; Provided further that no order of the Gaming Commission or Tribal Court that a license be issued shall be valid if such issuance would place the Tribe in violation of any tribal-state compact to which the Tribe is a party, or of any applicable law.
