

NATIONAL  
INDIAN  
GAMING  
COMMISSION

JUL 11 1994

Albert S. Martin, Tribal Chairman  
Tyme Maidu Tribe  
Berry Creek Rancheria  
1779 Mitchell Avenue  
Oroville, California 95966

Dear Chairman Martin:

This letter responds to your request to review and approve the tribal gaming ordinance adopted by the Tyme Maidu Tribe (the Tribe) on June 29, 1994. This letter constitutes such approval under the Indian Gaming Regulatory Act (IGRA).

Under the IGRA and the regulations of the National Indian Gaming Commission (NIGC), the Chairman is directed to review ordinances with respect to the requirements of the IGRA and the implementing regulations. Thus, the scope of the Chairman's review and approval is limited to the requirements of the IGRA and the NIGC regulations. Provisions other than those required under the IGRA or the NIGC regulations that may be included in a tribal ordinance are not subject to review and approval. Also, such approval does not constitute approval of specific games.

It is important to note that the gaming ordinance is approved for gaming only on Indian lands as defined in the IGRA.

With the Chairman's approval of the Tribe's gaming ordinance, the Tribe is now required to conduct background investigations on its key employees and primary management officials. The NIGC expects to receive a completed application for each key employee and primary management official pursuant to 25 C.F.R. § 556.5(a) and an investigative report on each background investigation before issuing a license to a key employee or primary management official pursuant to 25 C.F.R. § 556.5(b).

Thank you for submitting the ordinance of the Tyme Maidu Tribe for review and approval. The NIGC staff and I look forward to working with you and the Tribe in implementing the IGRA.

Sincerely yours,

**Anthony J. Hope**

f. Granting a Gaming License.

(1) If, within a thirty (30) day period after the Commission receives a report, the Commission notifies the Tribe that it has no objection to issuance of a license pursuant to a license application filed by a key employee or a primary management official for whom the Tribe has provided an application and investigative report to the Commission, the Tribe may issue a license to such applicant.

(2) The Tribe shall respond to a request for additional information from the Chairman of the Commission concerning a key employee or a primary management official who is the subject of a report. Such a request shall suspend the 30-day period under paragraph f(1) of this section until the Chairman of the Commission receives the additional information.

(3) If, within the (30) day period described above, the Commission provides the Tribe with a statement itemizing objections to the issuance of a license to a key employee or to a primary management official for whom the Tribe has provided an application and investigative report to the Commission, the Tribe shall reconsider the application, taking into account the objections itemized by the Commission. The Tribe shall make the final decision whether to issue a license to such applicant.

The licensee may present testimony and other evidence and may cross-examine any other witnesses testifying at the hearing. The hearing panel shall base its decision exclusively on the evidence presented at the hearing and may uphold, modify or reverse the proposed revocation. The General Council shall issue a written decision, based on the recommendation of the hearing panel, and serve a copy on the licensee.

Section 11. Enforcement and Public Safety.

The General Council shall adopt such additional rules and regulations and take or authorize such enforcement actions as it deems necessary to ensure full compliance with the provisions of this Ordinance. The General Council is hereby authorized to cooperate with local, state and federal law enforcement officials to the extent deemed necessary by the General Council to ensure that Class 2 or Class 3 gaming complies with all applicable laws and that persons engaged in gaming do not commit any illegal acts that could endanger persons or property.

Section 12. Public/Patron Disputes.

If any customer or member of the general public has a dispute with the manager of a gaming facility or the Tribe, it shall be resolved using the following procedure.

Any gaming facility manager and the Tribe must endeavor to resolve disputes at the lowest level of management possible. Toward that end, any dispute involving gaming must be presented using a multistep process.

Step 1: If a patron has a complaint involving the conduct of a game or his or her treatment at the facility, he or she must discuss the matter with the employee involved in the incident. The employee must listen carefully and courteously to the patron's complaint. All employees shall receive training in customer relations. If the employee fails to resolve the complaint to the customer's satisfaction or lacks the authority to remedy the complaint, he or she shall immediately contact his or her immediate supervisor, if available, or the floor manager.

Step 2: If the supervisor or floor manager fails to resolve the dispute to the customer's satisfaction or lacks the authority to remedy the complaint, he or she shall refer the complaint to the gaming facility manager. The supervisor or floor manager shall also notify security. If a customer is referred to the gaming facility manager, the gaming facility manager shall interview the customer and, if necessary, the involved employee(s) and shall make a decision within a reasonable time, not to exceed, five (5) days. The manager shall obtain the customer's name, address and telephone number. The manager shall notify the customer that if he or she remains dissatisfied, he or she can request in writing review by the Tribal Gaming Representative ("Representative") within seven (7) days of the manager's decision.

Step 3: The Representative shall review the customer's written appeal and may interview the customer, the manager and any involved employees. The Representative shall issue a written decision to the customer within five (5) working days of receiving the customer's appeal. The Representative's written decision shall include a notice that the customer may appeal the Representative's decision to the hearing panel appointed by the General Council. The written appeal must include all information the customer wants the hearing panel to consider in acting on the appeal. The appeal must be filed within seven (7) days of the date on the Representative's decision.

Step 4: The hearing panel shall conduct such hearing on the appeal as it deems appropriate. It may limit its review to the written appeal and the written decision of the Representative or it may invite the customer to present written testimony and it may receive testimony from the involved employees. General Council, based on the recommendation of the hearing panel, shall issue a written decision which shall be final.

All written notices and decisions shall be sent by regular first class mail to the customer at the address furnished by the customer. The time limits for complainants shall be calculated from the date appearing on the notices or decisions, provided these items are mailed on that date. The time limits for tribal officials shall be calculated from the postmarks appearing on the envelopes containing the appeals.

### Section 13. Investment and Management Contract.

a. The terms of any gaming management contract shall not contravene any provision of the IGRA.

No gaming management contract may be assigned without the prior written approval of the General Council. Such approval may be withheld without any reason given.

b. The majority of Berry Creek Rancheria members in attendance, at a duly called special or general meeting, shall be required to approve any contract for the construction and management of any gaming facility on the Berry Creek Rancheria, and any amendments thereto.

Section 14. Preference.

Any management and investment gaming contracts must make provision for the preferential hiring Berry Creek Rancheria members followed by a preference for Native people from the Berry Creek and surrounding areas for jobs in the construction and operation of any gaming facilities or activities.

Section 15. Scope and Licensing.

Class 2 and Class 3 gaming is covered by the provisions of this Ordinance.

(1) A separate license for each gaming place, facility or location on Berry Creek Rancheria lands is required where Class 2 or Class 3 gaming is conducted or occurs.

(2) Class 3 gaming will only be authorized, if it is conducted in accordance with an approved Class 3 gaming compact between the Tribe and the State of California.

Section 16. Designation of Agent for Service of Process

The Berry Creek Rancheria hereby designates its chairperson as its agent for service of any official determination, order, or notice of violation by the National Indian Gaming Commission. The Rancheria shall notify the Commission of the name, address and phone and fax numbers of the current chairperson.
