- removes management functions from the Tribal Gaming Commission;

Executive Committee  
The Delaware Nation  
P.O. Box 825  
Anadarko, Oklahoma 73005

Dear Executive Committee Members,

Pursuant to your request, I have reviewed the Delaware Gaming Ordinance. It is my understanding the Executive Committee is considering repealing sections of the Gaming Ordinance that require the Tribal Gaming Commission to perform as managers of the gaming enterprises. (Please see the attached Resolution proposed by the Executive Committee.)

Generally Tribal Gaming Ordinances are drafted with the goal of segregating regulatory duties from those of management in order to provide a system of checks and balances in a Tribal gaming operation. The Delaware Nation Gaming Ordinance is unique in many respects as compared to other tribal gaming ordinances. The most distinguishable attribute of this ordinance is the duty and authority assigned to the Tribal Gaming Commission. The Tribal Gaming Commission in addition to regulatory authority is authorized to create debt, own property, oversee the gaming operation (from both regulatory and management perspectives), and further requires gaming managers to report directly to the Tribal Gaming Commission. The Ordinance is structured in a manner that creates dual roles of gaming regulator and gaming operator for the Tribal Gaming Commission.

Based upon my review, there are several sections of The Delaware Nation Gaming Ordinance that vest the Tribal Gaming Commission with management authority as noted below:

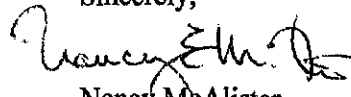

- a. Section 4.3. Second sentence should be deleted for purposes of uniformity.
- b. Section 4.15 (D) and following sub-sections.
- c. Section 4.18 (D), (G), (L), (P), (Y), (Z) all items are managerial duties.
- d. Section 4.18 (AA), (AB), (AD), (AE), (AF), (AG), (AI), and Sic (AI).
- e. Section 4.25 and sub-sections (A) and (B).
- f. Section 4.26.

- g. Section 9.1(A). Last two sentences.
- h. Section 9.1 (B) and (C).
- i. Section 9.3 (B). Note, there is no NIGC authority to audit contracts.
- j. Section 13.

The changes noted above should achieve the purpose of maintaining the regulatory authority of the Tribal Gaming Commission while excising management responsibility and authority assigned to the Gaming Commission from the Ordinance.

I look forward to our scheduled meeting to discuss this matter. However, if you have questions or concerns, please do not hesitate to contact me sooner.

Sincerely,

Nancy McAlister

## **GAMING ORDINANCE THE DELAWARE NATION**

*An Ordinance to authorize, license and regulate Class II and Class III gaming on lands of the Delaware Nation, a federally recognized Indian Tribe located north of Anadarko, Oklahoma.*

### **SECTION 1. FINDINGS, INTENT AND POLICY**

#### **1.1 FINDINGS The Executive Committee, on behalf of the Delaware Nation, finds that:**

- (A) Tribal regulation and control of gaming activity within the jurisdiction of the Delaware Nation is essential for the protection of the public health and welfare, and the interests of the Tribe and residents including visitors to the Delaware Community.
- (B) The Tribe has the legal authority to license and regulate any gaming activity within the jurisdiction of the Delaware Nation that is not specifically prohibited by federal law.
- (C) Properly licensed and regulated gaming activity conforms with announced federal policy promoting Indian self-government and Indian tribal economic self-sufficiency.
- (D) It is essential that the Tribe, through its Executive Committee, and subsidiary commissions exercise civil regulatory authority including the regulation of gaming activities in a manner commensurate with applicable federal and tribal law and policy.
- (E) The present needs of the Tribe include increased employment, job and skills training, housing, quality health care, nutrition, educational opportunities, social services, and community and economic development needs which are not adequately addressed by present tribal, federal, and state programs.
- (F) Tribal operation and licensing of gaming activities within the tribal jurisdiction is an appropriate means of generating revenue to address the needs of the Tribe.
- (G) The Tribe is vigorously pursuing its goal of self-sufficiency and self-determination through the development of tribal business and enterprises. Because the Delaware Nation lacks income-generating natural resources and because the tax base of the Tribe is almost non-existent; the Tribe must rely on tribal business development to raise the funds necessary to expand its social, health and education programs, increase employment, and improve its tribal economy.  
  
This effort has recently become increasingly important as a result of cutbacks in federal and state funding and the increased costs of self-government. It is therefore, essential that the Tribe develop new and expanded sources of revenue to support its ever-increasing governmental needs and to provide much needed employment and training for tribal members.
- (H) To accomplish the foregoing, the adoption of the following gaming laws is necessary and is in the best interest of the Delaware Nation.

#### **1.2 PURPOSE The purpose of this Ordinance is to:**

- (A) Regulate, control, and license the operation of all gaming within the jurisdiction of the Tribe.
- (B) Make clear and explicit that a tribal license to operate a gaming activity is a revocable privilege, not a right or property interest.
- (C) Ensure that the operation of tribally-regulated gaming will continue as a means of generating tribal revenue.
- (D) Ensure that tribally-regulated gaming is conducted fairly and honestly by both gaming

- operators and players, and that it remains free from corrupt, incompetent, unconscionable and dishonest persons and practices.
- (E) Promote and strengthen tribal economic development and self-determination and to enhance employment opportunities for its members.
  - (F) Generate revenue to strengthen and improve tribal self-government and the provision of tribal governmental services.
  - (G) Ensure that all gaming revenue is used for the benefit of the Tribe and the tribal community.
  - (H) Ensure that tribal gaming laws are strictly and fairly enforced against all persons involved in gaming activities within the jurisdiction of the Tribe.
  - (I) Ensure that the Tribe provides a fair and impartial forum for the resolution of gaming disputes.

**1.3 It is the declared policy of the Delaware Nation that:**

- (A) Gaming conducted on Indian lands within the jurisdiction of the Delaware Nation shall be regulated by the Gaming Commission created under this Ordinance for the protection of the public health, welfare and morals of all residents, employees and persons who visit the tribal lands for gaming purposes, such protection shall be from the adverse effects which may flow from unregulated gaming.
- (B) The Tribal objective is to achieve the maximum tribal revenue from gaming and to sustain the highest achievable levels of tribal revenue from gaming.
- (C) Gaming activities conducted within the Delaware Nation tribal jurisdiction be done in compliance with and in accordance to this Ordinance and the Indian Gaming and Regulatory Act, 102 Stat. 2467, 25 U.S.C. Section 2701 et seq.
- (D) The Delaware Nation will exercise all powers of self-government consistent with federal policy and law; and that the tribal government will provide, from gaming revenues, a wide range of public services and benefits to the tribal jurisdiction including tribal governmental services, law and order, judicial systems, educational opportunities, economic development, social services and other appropriate activities within the tribal jurisdiction.

The Tribe shall have sole proprietary interest in and responsibility for the conduct of any gaming operation.

#### **3.2 APPLICATION OF FEDERAL POLICY**

In 1970 President Nixon announced the policy of the United States to promote self-determination for Indian tribes. At the heart of this policy is a commitment by the federal government to foster and encourage tribal self-government, economic development and self-sufficiency. That commitment was signed into law in 1975 as the Indian Self-Determination and Education Assistance Act, Public Law 93-638, 88 Stat. 2203, 25 U.S.C. Subsection 450-450n. In 1983, President Reagan reaffirmed that commitment in his Indian policy statement, encouraged tribes to reduce their dependence on federal funds by generating more of their own revenues, and pledged to assist tribes in that endeavor. The policy of self-governance has continued with amendments to P.L. 93-638 enacted as the Tribal Self-Governance Demonstration Project, P.L. 100-472 (1988). In 1988 the federal commitment was furthered in 1988 by passage of the Indian Gaming Regulatory Act ("IGRA"), Public Law 100-497, 102 Stat. 2426, 25 U.S.C. Subsection 2701, et seq. (1988), through which the federal government recognized the inherent sovereign right of tribes to conduct and regulate gaming on their reservations and preempted state authority in the area of Indian gaming.

#### **3.3 DELAWARE NATION'S POLICY OF SELF-GOVERNMENT**

The Tribe is firmly committed to the principle of tribal self-government. Consistent with federal policy, tribal government provides a wide range of public services to the Tribe including general governmental services, the maintenance of peace and good order, the establishment of

educational programs, and the promotion and regulation of economic activities within the sovereign jurisdiction of the Tribe.
