Dear Chairman Penney:

This letter responds to your request for National Indian Gaming Commission (NIGC) review of the amendment to the Nez Perce Tribe's gaming code, Resolution No. 99-89 received on September 13, 1999. Under the IGRA and the regulations of the NIGC, the Chairman is directed to review ordinances and amendments with respect to the requirements of the IGRA and the implementing regulations. Thus, the scope of the Chairman's review and approval is limited to the requirements of the IGRA and the NIGC regulations. Provisions other than those required under the IGRA or the NIGC regulations that may be included in a tribal ordinance are not subject to review and approval.

Thank you for submitting the Nez Perce Tribe's amendment for review. If you have questions or require further assistance, please contact our office at (202) 632-7003.

Sincerely yours,

Montie R. Deer
