The National Indian Gaming Commission is pleased to announce our 2-day, in-person only event, **Advanced Internal Audit Workshop**.

Auditors! Join us for an interactive workshop that is going to help you strengthen your internal audit knowledge and skillset. We will guide you through the discussion of processes and activities that will give you some practice in development. Using your critical thinking skills, you will work through multiple activities in the sessions. It is a great opportunity to connect with your peers and discuss all things auditing. Plus, you will develop new relationships that you can keep in your back pocket as a resource.

This advanced workshop is best suited for Internal Auditors with at least three years of Internal Audit experience. If you haven't attended the previously conducted Internal Audit Boot Camp, it is strongly encouraged that you review the recorded training.
