The NIGC is proud to offer 23 new and updated courses!

The National Indian Gaming Commission is pleased to announce a three-day, three-tracked training opportunity, presented at no charge! This event gives the Indian gaming community access to training, which builds a foundation for understanding gaming regulations, best practices to ensure compliance assurance.

The training also includes current topics of interest presented by representatives from other agencies or organizations. These sessions provide the Indian gaming community information about and access to these representatives and their agencies/organizations.

Who should attend? The training is appropriate for tribal leaders, gaming commissioners, commission staff, operation managers and operations staff.

The new and updated courses which will be taught by Compliance, Audit, Technology and General Counsel, in addition to quest speakers from the IRS, FBI and other agencies.

Our trainings are designed to be attended by all levels, from new employees and seasoned employees, from all areas from the Tribal, Regulatory and Operations side of Indian Gaming

Virtual attendance through Adobe Connect continues this year!

The NIGC is continuing to take strides in meeting the Commission’s initiative of staying ahead of the technology curve and Creating a Strong Workforce. To accommodate all of our regulatory partners and Tribal Leaders ability to access training, you can attend courses virtually.

We will broadcast some courses from the Regional Training Conference through a virtual classroom using Adobe Connect. Prior individual registration is required to receive access to the classroom link. Registration can be completed using the virtual training tab under this announcement.
