Re: Request for Approval of San Manuel Band of Mission Indians  
Gaming Ordinance

Dear Ms. Poust:

This letter responds to your request to the National Indian Gaming Commission (NIGC) to review and approve the San Manuel Gaming Act, amended by the General Council of the San Manuel Band of Mission Indians (Tribe) by Resolution No. 2008-46 on September 9, 2008, and received by the NIGC on October 14, 2008.

This letter constitutes approval of the Gaming Act under the Indian Gaming Regulatory Act (IGRA). It is important to note, however, that approval is granted for gaming only on Indian lands, as defined in IGRA, over which the Tribe exercises jurisdiction.

Thank you for submitting the Gaming Act for my review and approval. The NIGC staff and I look forward to working with you on future gaming issues. If you have any questions regarding this matter please contact Esther Dittler, Staff Attorney, in the Office of General Counsel at 202-632-7003.

Sincerely,

A handwritten signature in black ink, appearing to read "Philip N. Hogen".

# CHAPTER 7. THE SAN MANUEL GAMING ACT OF 1989.<sup>1</sup>

OCT 14 2008

## SMTC 7.1 Title

This Chapter shall be known as the “SAN MANUEL GAMING ACT OF 1989, as amended.”

## SMTC 7.2 Findings and Policy

7.2.1 This Ordinance is adopted by the General Council of the San Manuel Band of Mission Indians (“Tribe”), a federally recognized Indian Tribe, pursuant to its authority under the Tribal Articles of Association; for the purpose of establishing the terms for gaming on Tribal Lands for Tribal governmental and charitable purposes, and to continue to develop and operate such gaming consistent with the findings herein and in conformity with the federal Indian Gaming Regulatory Act (25 U.S.C. § 2701 *et seq.* (“IGRA”)), and regulations promulgated thereunder, and the Tribal-State Gaming Compact with the State of California (“Compact”). This Gaming Act and regulations promulgated hereunder shall constitute gaming regulations for the Tribe. Based on its experience and observations in connection with such gaming and its studies of similar experiences by other Indian tribes, the Tribe finds that tribally controlled gaming on its reservation is a valuable means of promoting Tribal economic development, self-sufficiency, employment, job training and strong Tribal government. The Tribe further finds that when regulated by the Tribe, such gaming can remain free from organized crime and other corrupting influences and can be conducted fairly and honestly by both the operators and the players.

7.2.2 The General Council finds that:

7.2.2.1 Gaming on its Tribal Lands is a valuable means of generating revenues needed to promote Tribal self-sufficiency, economic development, employment, job training, and a strong Tribal government, and to fund and ensure essential social programs and services;

7.2.2.2 The Tribe desires to conduct certain forms of gaming to provide needed revenues to the Tribe and to regulate and control such gaming in a manner that will protect the environment; the Tribal Lands; the health, security and general welfare of the Tribe; the patrons; and the community; and

7.2.2.3 The Tribe desires to manage and regulate such gaming as authorized under this Ordinance in a manner that will adequately address the interests and needs of the Tribe.

#### **SMTC 7.4 Ownership of Gaming**

The Tribe has the sole proprietary interest in and responsibility for the conduct of any Gaming Operation authorized by this Gaming Act.

#### **SMTC 7.5 Gaming Commission**

7.5.1 **Establishment.** The Tribe hereby establishes the San Manuel Gaming Commission to be composed of no more than three (3) Commissioners. One (1) Commissioner shall be a member of the San Manuel General Council and two (2) Commissioners shall be non-Tribal members. A Commissioner may not be an elected official of the Tribe, or employed in any Gaming Enterprise or by the Tribe in any other capacity, while serving as a Gaming Commissioner.

7.5.2 **Standard of Professional Conduct.** All Commissioners shall abide by the following standard of professional conduct: confidentiality, impartiality, fairness, and commitment to upholding the reputation of the Tribe for conducting Gaming Activities of the highest integrity and honesty.

7.5.3 **Commission Positions.** All Gaming Commissioner positions shall be considered to be full-time positions.

7.5.3.1 **Elected Commissioner.** One (1) Commissioner shall be a member of the San Manuel General Council. This Commissioner shall be elected by the General Council using the same process applicable to the election of Tribal officers. This elected Commissioner shall serve for a three (3) year term, which shall be determined from the date of election. This elected

Commissioner may serve for more than one term if reelected, and may serve past the expiration of any term until replaced or removed.

7.5.3.2 Appointed Commissioners. Two (2) Commissioners shall be non-Tribal members. These Commissioners shall be appointed by the Chairperson and confirmed by the General Council. These Commissioners may serve until they resign, or until they are replaced or removed.

7.5.3.3 Chairperson. It is the goal of the Tribe that the Chairperson be a member of the San Manuel General Council. If, however, no member of the San Manuel General Council seeks the position of elected Commissioner, the appointed Commissioner who has served the longest term as a Commissioner shall assume the position of Chairperson. In the event the elected Commissioner has less than five (5) years experience with the Gaming Commission, or alternatively less than five (5) years of combined gaming management and regulatory experience, the appointed Commissioner who has served the longest term as a Commissioner shall assume the position of Chairperson. Further, if the Chairperson position becomes vacant and stays vacant for more than ninety (90) days, the appointed Commissioner who has served the longest term as a Commissioner shall assume the position of Chairperson. Any time an appointed Commissioner assumes the position of Chairperson, they shall remain Chairperson until they resign, or until they are replaced or removed.

7.5.3.4 Secretary/Treasurer. At the discretion of the Gaming Commission, a member of the San Manuel Gaming Commission staff may be designated as Secretary/Treasurer to the Gaming Commission. The Secretary/Treasurer to the Commission shall be responsible for disbursement of Gaming Commission funds in accordance with Tribal governmental agency policies and the Gaming Commission budget. The Commissioners and Secretary/Treasurer shall approve payment of all goods and services for the Gaming Commission. All funds shall be paid out from Tribal accounts for the Gaming Commission expenditures and charged against the Gaming Commission's approved budget. The Secretary/Treasurer to the Commission shall also ensure that minutes of all Gaming Commission meetings and all official actions taken by the Gaming Commission are taken and transcribed within five (5) business days after such meeting or action, and that the written records thereof are maintained in accordance with applicable document retention policies.

7.5.3.5 Deputy Commissioners. At the discretion of the Gaming Commission, two (2) members of the San Manuel Gaming Commission staff may be designated as Deputy Commissioners. Deputy Commissioners serve at the pleasure of the Gaming Commission and their appointment shall be noticed to the Business Committee. The Deputy Commissioners shall assume certain delegated duties and responsibilities as determined by the Gaming Commission.

7.5.4 Suitability Standards. Gaming Commissioners, Deputy Commissioners and Gaming Commission employees must meet or exceed the qualifications established under this Gaming Act and the Compact. For the purpose of conducting background investigations of and issuing licenses to the Commissioners, Deputy Commissioners and Gaming Commission employees, such persons shall be deemed to be Key Employees under this Gaming Act and shall be required to pass a background investigation and hold a valid gaming license consistent therewith, including a review of financial, criminal, and employment history, contact with references, and

all other suitability requirements for certification or licensing by the State or the Tribal Gaming Commission.

**7.5.5 Background Investigation.** Background investigations of Gaming Commissioners, Deputy Commissioners, Tribal member Commission employees and other Gaming Commission employees, as designated by the Gaming Commission, shall be conducted by an independent investigator or an investigator appointed by the Gaming Commission under the direction of the Tribe's attorney and the Gaming Commissioners. The investigator shall conduct an investigation sufficient to make a determination of eligibility as required under this Act and other applicable law. This shall include verification of information submitted by the applicant. In conducting the background investigation, the investigator and the Gaming Commissioners shall maintain as confidential the identity of each person interviewed in the course of the investigation. The investigator shall document all potential problem areas noted and any disqualifying information. The attorney and/or Gaming Commissioners shall keep the details of the investigation confidential, but the attorney may confer with the investigator or any other person experienced in conducting or evaluating background investigations provided such other person agrees to maintain the confidentiality of the information obtained about the applicant.

7.5.5.1 The attorney and/or Gaming Commissioners shall make a determination as to whether the suitability standards contained within this Gaming Act have been met, and if so, shall certify that finding in writing to the Business Committee.

7.5.5.2 In the event the attorney and/or Gaming Commissioners determines there is any reason to believe the applicant may not meet the suitability standards contained within this Gaming Act, the attorney and/or Gaming Commissioners shall so inform the applicant of that determination on a confidential basis. The applicant shall have three (3) business days in which to respond, by providing additional information or other reasons why the applicant should be deemed suitable. If the attorney and/or Gaming Commissioners still believes the applicant is unsuitable, the attorney and/or Gaming Commissioners shall so notify the applicant in writing, who shall have three (3) business days in which to either withdraw from consideration (in which case the file shall be sealed) or request that the application be reviewed further by the attorney and/or the Business Committee. In the event of such review, only those items that the attorney or Gaming Commissioners believed rendered the applicant unsuitable shall be revealed to the Business Committee or attorney by the Gaming Commission and/or attorney. The applicant can request that any additional information obtained by the attorney be submitted to the Business Committee, and may provide such further information as the Business Committee shall permit. Within ten (10) days after closing its own review and investigation of such applicant, the Business Committee or attorney and/or the Gaming Commissioners shall render a final decision as to the applicant's suitability. In the event of issuance of a finding of suitability, the Gaming Commission shall issue a Class A license to the applicant. Appeals from the Business Committee decision shall follow the same procedures as appeals from other license denials.

7.5.5.3 Background investigations of all Gaming Commission employees that are not conducted by an independent or appointed investigator as provided for above shall be conducted by the appropriate Gaming Commission staff under the direction of the Gaming Commissioners, unless otherwise provided for by the Gaming Commission.

7.5.6 Compensation. The salaries for Commissioners shall be approved by the Business Committee as part of the annual budget, in conjunction with a recommendation of Human Resources. Subject to a budget to be approved on an annual basis by the General Council, Commissioners shall be reimbursed for expenses incurred in connection with the performance of their duties as Commissioners and in accordance with the budget. Policies with respect to reimbursement of expenses shall be the same as those applicable to other Tribal government employees. Any Commissioner employed on a full-time basis shall be eligible for the same fringe benefits as such other full-time Tribal government employees.

7.5.7 Removal. Commissioners may only be removed from office before the expiration of their term by the General Council for neglect of duty, malfeasance or other good cause shown. Removal for cause shall only be under procedures applicable to removal of an elected Tribal official.

7.5.8 Post-Commission Restriction. Unless otherwise provided by the Gaming Commission, Gaming Commissioners and Commission employees shall be precluded from consulting or employment in any position with the Tribe's Gaming Activities for a period of no less than two (2) years from their date of termination at the Gaming Commission.

7.5.9 Meetings. Meetings of the Gaming Commission may be of the following type:

7.5.9.1 Official Meetings. Official meetings of the Gaming Commission shall be held at least every other month and shall be called and attended by at least two (2) Gaming Commissioners. Notice of official meetings shall be given in writing to each Gaming Commissioner at least five (5) business days prior to such meeting. Such notice shall be determined to be valid only when written response, whether via electronic mail or some other written medium, is received from each Commissioner. When present, the Chairperson shall preside over all official meetings of the Gaming Commission. All Commissioners shall be notified of the outcome of all official meetings.

7.5.9.2 Other Meetings. Other meetings may be called at any time, by any means, with unanimous consent of the Gaming Commissioners.

7.5.9.3 Executive Session. All Gaming Commission discussions, deliberations, and votes taken regarding specific license applications and related background investigations, or any other investigations, and any other matter the Gaming Commission deems must be kept confidential in order to preserve the integrity of the Gaming Enterprise or Tribe, or to protect the privacy of the applicant, shall be held in executive session.

7.5.9.4 Quorum. Two (2) members of the Gaming Commission shall constitute a quorum for the purpose of conducting Commission business, provided that nothing herein shall preclude the Chairperson of the Gaming Commission from conducting Commission business if notice of the meeting has been provided in a timely manner reasonably calculated to provide proper notice to all Commissioners, and no Commissioner has objected to the meeting.

7.5.9.5 Voting. All actions of the Gaming Commission shall be taken by majority vote of Commissioners present. The Commission Chairperson may vote on any issue.

7.5.9.6 Conflict of Interest. If any Commissioner has a conflict of interest in investigating, hearing or deciding a matter to come before the Gaming Commission, such as matters involving a member of the Commissioner's household or immediate family (parent, sibling, child, or spouse), that Commissioner shall recuse himself or herself for that matter. When only the Commissioner with a possible conflict is available to sit on the matter before the Gaming Commission, that Commissioner shall recuse himself or herself and request that the Business Committee serve as the Gaming Commission only for the purposes of that matter; with the exception of licensing matters, in which case the investigation shall be conducted under the direction of the Tribe's attorney through the process established in 7.5.5 of this Gaming Act. All such matters shall be handled fairly, objectively and impartially.

7.5.10 Personnel and Administrative Policies. The Gaming Commission shall be deemed to be an agency of the Tribal government and as such shall be subject to the personnel and other governmental administrative policies of the Tribal government, as the General Council shall determine from time to time. In the absence of specific personnel policies, those affecting management level employees of the Gaming Enterprise shall be applied to the operation of the Gaming Commission. The Business Committee shall, in good faith, consider and approve any exceptions necessary to tailor such policies to the Gaming Commission. Any Commissioner employed on a full-time basis shall agree to be employed in accordance and consistent with policies set for other Tribal government employees and to strictly abide by Gaming Commission oaths of confidentiality and professionalism in the discharge of their duties.

7.5.11 Gaming Commission Independence. Notwithstanding the fact that the Gaming Commission is a Tribal governmental agency and is accountable to the Business Committee, on behalf of the General Council, for its administration, in order to maintain independence and ensure the highest level of integrity, the Business Committee shall not interfere with Gaming Commission business or compromise the Gaming Commission's ability to perform its duties and responsibilities as provided for in this Act. The decisions of the Gaming Commission regarding licensing, suitability and compliance with Applicable Law shall be within the exclusive province of the Gaming Commission, except that the Business Committee may review any allegation that the Gaming Commission has exceeded its authority under this Gaming Act and if it deems the allegation to be true, shall refer the allegation to the General Council for action, which may include removal of a Commissioner for cause.

7.5.12 Gaming Commission Funding. The Gaming Commission shall be funded through an annual appropriation by the General Council and such additional funding actions as the General Council shall deem necessary. Unjust pressure shall not be placed upon the Gaming Commission through the budgeting process. After meeting and conferring with the General Council about such appropriation, the Gaming Commission shall prepare a budget. Such budget shall be submitted to the Business Committee no later than sixty (60) days before the end of each Tribal fiscal year. The Business Committee shall, in good faith, act to approve the budget. The Business Committee may modify the budget where such modification is needed to properly reflect the intent of the General Council. Within five (5) days after approval of the budget, funds from the Tribe's treasury shall be appropriated for the Gaming Commission's approved budget, except that at any time the General Council may prescribe other schedules for disbursing such funds.

7.5.12.1 Financial Reports. The Gaming Commission shall maintain its accounts, books and records, including records of all income and expenditures, in accordance with generally accepted accounting principles and consistent with Tribal governmental policies regarding management of funds and records. A financial report shall be rendered by the Gaming Commission to the General Council at least quarterly. All expenditures shall stay within ten percent (10%) of the approved budget.

7.5.12.2 Annual Reports. On or before April 30th of each year, the Gaming Commission shall provide to the Business Committee an Annual Report summarizing its activities during the prior twelve (12) month period ending on December 31, and accounting for all receipts and disbursements, a copy of which shall be provided by the Business Committee to any Tribal member upon his or her request.

### **SMTC 7.6 Powers and Duties**

### **SMTC 7.7 Enforcement**

In the event it is determined that a licensee or the Gaming Enterprise has violated Applicable Law, including any internal control procedures or policy of the Gaming Enterprise, a written report of such incident shall immediately be made to the Gaming Commission. The Commission shall then determine what action should be taken, if any. If action is required, the Commission shall issue a citation to the Gaming Enterprise, notifying it of the specific violation(s) or issues, measures which must be taken for correction, and a reasonable time limit in view of all the circumstances in which such action must be taken. Copies of any such citation shall simultaneously be served on the Business Committee of the Tribe. The Commission may enforce such citations by: (a) suspending or revoking the licenses of any persons found to have violated Applicable Law; or (b) such lesser penalty or other remedy as the Commission shall determine, including the imposition of fines or sanctions. Nothing herein shall prevent or prohibit the Gaming Commission from seeking compliance assistance from local, federal, or state gaming or law enforcement agencies, the Bureau of Indian Affairs, or the National Indian Gaming Commission, particularly but not limited to any instance in which the Gaming Enterprise and the General Council have failed to correct a violation of Applicable Law.

### **SMTC 7.8 Permitted Gaming Activities; Regulation of Gaming Activities**

7.8.1 Unauthorized Gaming Prohibited. All Gaming Activities on Tribal Lands are prohibited except as expressly permitted under this Gaming Act.

7.8.1.1 Class I Gaming. Class I Gaming Activities are hereby permitted to the extent consistent with Tribal custom and practice and provided the General Council is given at least seven (7) days prior notice in writing of any intention to engage in such gaming. The General Council may prohibit any conduct that is claimed to be Class I gaming if the Council finds that

such conduct is not in accordance with Tribal customs or practices or violates IGRA or any other law.

7.8.1.2 Class II and Class III Gaming. Class II and Class III gaming on Tribal Lands are hereby authorized as permitted under Applicable Law, provided the Tribe has the sole proprietary interest in and responsibility for the conduct of any Gaming Operation. The Tribe also reserves the right to contract with and license a person or entity to own, operate, or manage the Gaming Operation pursuant to the provisions of IGRA or as otherwise permitted by law. Nothing herein shall prohibit the Tribe from engaging the services of non-tribal persons as employees or engaging any person or entity to assist the Tribe in the management of a Gaming Activity pursuant to a management agreement entered into under the provisions of IGRA or any other applicable law. Class III gaming shall be conducted in accordance with a Compact, or any alternative thereto as provided by IGRA.

All such funds are deemed Tribal funds only and are and shall remain the property of the Tribe until disbursed, if at all, from the general treasury. The General Council shall retain the sole discretion as to how such funds are utilized, and once becoming part of the treasury such funds shall lose any identity as gaming revenues except to the extent necessary to identify them as such for accounting purposes or to comply with applicable law. Notwithstanding anything herein to the contrary, if the Tribe elects at any time to make per capita payments to the members, it shall authorize such payments only upon approval of a plan submitted to the Secretary of the Interior under 25 U.S.C. § 2710(b)(3). Payments out of general treasury funds to tribal members under other tribal programs, including those relating to health, welfare, education, elderly care, and housing, shall not be deemed to be "per capita" payments when such funds are paid from the Tribe's general treasury.

At least three (3) bids shall be required before any contract may be executed for goods or services in connection with any Gaming Activity for an amount in excess of \$25,000 or to be performed over a period of more than twenty (20) days. The General Council may waive the requirement of three (3) bids upon good cause shown. All proposals for bids as well as all bids received may be reviewed at the discretion of the Gaming Commission. The Tribe shall provide audit results to the NIGC to the extent required and as otherwise required under applicable law.

## **SMTC 7.12 Gaming Licenses**

7.12.1 Licensing Procedure. The Tribe's Gaming Licensing procedure shall be administered through the Gaming Commission. 7.12.2 Licensing Policy and Requirements. It is the policy of the Tribe that all Gaming Activities be licensed and controlled so as to protect the morals, good order and welfare of tribal members and other persons on Tribal Lands, and to preserve the honesty, fairness and integrity of such Gaming Activities. Accordingly, no person shall engage in any Class II or Class III Gaming Activities on Tribal Lands without a valid license issued by the Gaming Commission.

7.12.3 Gaming License is a Privilege. Any gaming license or finding of suitability issued by the Gaming Commission shall be deemed a privilege, and is subject to suspension or revocation at any time. No license or license renewal shall be issued that would place the Tribe in violation of Applicable Law. A gaming license or finding of suitability is subject to renewal at least every two (2) years.

7.12.4 Burden on Applicant. The burden of proving an applicant's qualifications to receive a license hereunder is at all times on the applicant. Applicants must accept any risk of adverse public notice, embarrassment or other action that may result from the application process and expressly waive any claim for damages as a result thereof.

7.12.5 Applicant Claim of Privilege. An applicant may claim any privilege afforded by law in connection with a gaming license application or investigation, but a claim of privilege with respect to any testimony or evidence pertaining thereto may constitute sufficient grounds for denial, suspension or revocation.

7.12.6 Release of Information. Persons applying for a license shall agree to release all information necessary in order for the Gaming Commission and any applicable federal or state entity to complete their suitability determination. Applicants must update all such information

promptly on an on-going basis, and to furnish such information as may be required by the State Gaming Agency, or such other governmental agency as may be required by law.

#### 7.12.7 Types of Licenses.

7.12.7.1 Class A License. Before permitting any person to become associated with any Gaming Activity as an investor or other person owning or controlling 10% or more interest in any management entity, or any Primary Management Official, Key Employee, a gaming related position designated by the Gaming Commission as requiring a Class A license, closely associated independent contractor, or other individual or entity with influence over the management or operation of the gaming, or a Gaming Employee, such person shall obtain a Class A license. The Gaming Commission shall conduct or cause to be conducted a background investigation to determine if such person has:

7.12.7.1.1 Any criminal record or any reputation, prior activities, habits or associations which might pose a threat to the public interest or to the effective regulation of gaming; or

7.12.7.1.2 Anything else in his/her background that might create or enhance the dangers of unsuitable, unfair, or illegal practices, methods and activities in the conduct of gaming.

7.12.7.1.3 Those who at any time do not meet the above qualifications shall be denied a Class A license, or in the case of an existing license, the license may be revoked.

7.12.7.2 Class B License. Persons not identified as requiring a Class A License, but whom are to be employed at a Gaming Facility on Tribal Lands in another capacity, such as in non-gaming related activities, shall be required to obtain no less than a Class B license from the Gaming Commission. Such persons must establish that they have not been convicted of certain crimes or engaged in any activity which the Gaming Commission in its sole discretion deems to render such person a danger to the safety or integrity of the Gaming Activities, or to the safety and security of the Tribe, property of the Tribe, any Tribal member, any Gaming Employee or patron, or the public.

7.12.7.3 Class C License. Minors employed in non-gaming activities at the Reservation may be issued a Class C license, provided that such minors are not deemed by the Gaming Commission to pose any threat to the safety or integrity of Gaming Activities or the safety or property of the Tribe, any Tribal member, any Gaming Employee or patron, or the public. Such license shall be valid for no more than two (2) years. Minors shall not be employed as dealers or otherwise to operate or supervise the Gaming Activities, or to serve liquor.

7.12.7.4 Gaming Resource Supplier. Gaming Resource Suppliers must meet all tribal and state licensing and suitability requirements. Any Gaming Resource Supplier who, directly or indirectly, provides, has provided, or is deemed likely to provide at least twenty-five thousand (\$25,000) in Gaming Resources in any 12-month period, or who has received at least twenty-five thousand dollars (\$25,000) in any consecutive 12-month period within the 24-month period immediately preceding application, shall be licensed by the Gaming Commission prior to the sale, lease, or distribution, or further sale, lease, or distribution, of any such Gaming Resources to or in connection with the Tribe's Gaming Operation or Gaming Facility. The Gaming

Resource Supplier license must be renewed at least every two (2) years. The Tribe shall not enter into any contract or agreement that would require licensing if the Gaming Resource Supplier has been denied a license or is deemed unsuitable, or the license or suitability determination has expired without renewal.

7.12.7.5 Union License. Any labor union, including its management and representatives, seeking to represent any Gaming Employees must first apply for and be deemed suitable to obtain a license under standards and licensing requirements established by the Gaming Commission.

7.12.7.6 Vendor License. Vendors providing other goods or services, and those providing gaming related goods or services valued at less than \$25,000 in a 12-month period, may also be required to obtain a license from the Gaming Commission prior to doing business with the Tribe's Gaming Operation. Vendors who are deemed not to be Gaming Resource Suppliers or who provide only non-gaming related goods or services to the Tribal Gaming Operation shall, at minimum, complete a short form application and qualify for a vendor license issued by the Gaming Commission. Such license must be renewed at least every two (2) years and the Gaming Commission may require additional information or licensing at any time.

7.12.7.7 Temporary or Provisional Licenses. Pending completion of an investigation for a license, the Gaming Commission may issue a temporary or provisional license of no more than ninety (90) days duration if, in its sole discretion, it deems such issuance appropriate, and may grant an extension of such a license if necessary to complete the investigation or to obtain the results from fingerprint cards. Such licenses shall permit the licensee to engage in such activities pursuant to such terms and conditions as the Gaming Commission may specify. Temporary or provisional licenses shall expire ninety (90) days from date of issuance, upon issuance of a regular license, or until a specified expiration date.

7.12.8 State Gaming Agency. Class III Gaming Employees, Gaming Resource Suppliers, gaming management and investors may further be subject to State Gaming Agency investigation and suitability requirements, including issuance of a license or certification of suitability, under the Compact.

7.12.9 Drug and/or Alcohol Testing. The Gaming Commission reserves the right to require drug and/or alcohol testing for any license applicant or licensees at any time.

7.12.10 License Investigations. The Gaming Commission may employ all reasonable means, including engaging outside services and investigators and holding hearings, to acquire the information necessary to determine whether or not a license should be issued. Applicants shall agree to release all information necessary in order for the Gaming Commission to achieve its goals under this Gaming Act and to furnish such information to the NIGC, the State Gaming Agency, or other agencies as may be required by Applicable Law.

7.12.11 License Renewal. All licenses shall be subject to renewal at least every two (2) years, and more frequently if so required by the Gaming Commission or other applicable law. Such licenses may be revoked or suspended upon the occurrence of any act which, if known during the application process, would have tended to disqualify such person or entity for such a license.

7.12.12 License Fees. Unless specifically waived by the Gaming Commission, all persons applying for a license shall be required to pay all applicable license fees and costs when due, including a reasonable deposit for costs that may be incurred in connection with the license application. Estimates of licensing costs will be provided to applicants upon reasonable request. All fees and costs must be received by the Gaming Commission prior to issuance of the license, unless the Tribe or the Gaming Operation has agreed to reimburse the Gaming Commission directly for all or part of such fees and costs.

7.12.13 Standards. All persons engaged by or associated with any Gaming Activity on Tribal Lands shall conduct themselves with honesty, integrity, and with such decorum and manners as necessary to reflect positively on the Tribe, its members and the Gaming Activities. Any failure to abide by such standards, or any violation of a rule, regulation, law, custom or tradition of the Tribe, the Gaming Commission, or the Gaming Operation, or with the terms or conditions of the license, may be grounds for immediate suspension or revocation of any license issued hereunder.

7.12.14 Background Investigations.

7.12.14.1 The Gaming Commission shall request from each Primary Management Official, Key Employee, and any other applicant for a Class A license, unless provided otherwise by the Gaming Commission consistent with Applicable Law, all of the information specified in subsections 7.12.14.1.1 through 7.12.14.1.14 below, as well as any other information required on the gaming license application.
