RE: San Manuel Band of Mission Indians gaming Ordinance and Resolution Number
2014-016

Dear Ms. Poust,

This letter responds to your November 5, 2014, request on behalf of the San Manuel Band of Mission Indians to the National Indian Gaming Commission (NIGC) to review and approve the Tribe's amendments to its gaming ordinance. The amendments to the gaming ordinance were adopted by Resolution No. 2014-016 by the General Council of the Tribe and further amended as reflected in its December 12, 2014 Action Item Request Form.

The Tribe revised current gaming ordinance to better meet the Tribe's regulatory needs and to comply with NIGC regulations. The amendments modify the Tribal Gaming Commission provisions, revise the powers and duties of the Tribal gaming commission, and remove the authorization of individually-owned gaming. Additionally, the licensing and the background investigations provisions were amended to comply with NIGC regulatory changes.

Thank you for bringing the amended gaming ordinance to our attention. The ordinance is approved, as it is consistent with the requirements of the Indian Gaming Regulatory Act and NIGC regulations. If you have any questions, please contact staff attorney Heather Corson at (202) 632-7003.

Sincerely,

CHAPTER 7. THE SAN MANUEL GAMING ACT OF 1989¹

SMTC 7.1 Title

This Chapter shall be known as the “San Manuel Gaming Act of 1989, as amended.”

SMTC 7.2 Findings and Policy

7.2.1 This Ordinance is adopted by the General Council of the San Manuel Band of Mission Indians (“Tribe”), a federally recognized Indian Tribe, pursuant to its authority under the Tribal Articles of Association; for the purpose of establishing the terms for gaming on Tribal Lands for Tribal governmental and charitable purposes, and to continue to develop and operate such gaming consistent with the findings herein and in conformity with the federal Indian Gaming Regulatory Act (25 U.S.C. § 2701 *et seq.* (“IGRA”)), regulations promulgated thereunder, and the Tribal-State Gaming Compact with the State of California (“Compact”). This Gaming Act and regulations promulgated hereunder shall constitute gaming regulations for the Tribe. Based on its experience and observations in connection with such gaming and its studies of similar experiences by other Indian tribes, the Tribe finds that tribally controlled gaming on its reservation is a valuable means of promoting Tribal economic development, self-sufficiency, employment, job training and strong Tribal government. The Tribe further finds that when regulated by the Tribe, such gaming can remain free from organized crime and other corrupting influences and can be conducted fairly and honestly by both the operators and the players.

7.2.2 The General Council finds that:

7.2.2.1 Gaming on its Tribal Lands is a valuable means of generating revenues needed to promote Tribal self-sufficiency, economic development, employment, job training, and a strong Tribal government, and to fund and ensure essential social programs and services;

7.2.2.2 The Tribe desires to conduct certain forms of gaming to provide needed revenues to the Tribe and to regulate and control such gaming in a manner that will protect the environment; the Tribal Lands; the health, security and general welfare of the Tribe; the patrons; and the community; and

7.2.2.3 The Tribe desires to manage and regulate such gaming as authorized under this Ordinance in a manner that will adequately address the interests and needs of the Tribe.

Such budget shall be submitted to the Business Committee no later than sixty (60) days before the end of each Tribal fiscal year. The Business Committee shall, in good faith, act to approve the budget. The Business Committee may modify the budget where such modification is needed to properly reflect the intent of the General Council. SMTC 7.7 Enforcement

In the event it is determined that a licensee or the Gaming Enterprise has violated Applicable Law, including any internal control procedures or policy of the Gaming Enterprise, a written report of such incident shall immediately be made to the Gaming Commission. The Commission shall then investigate and determine what action should be taken, if any. If action is required, the Commission shall issue a citation to the Gaming Enterprise, notifying it of the specific violation(s) or issues, measures which must be taken for correction, and a reasonable time limit in view of all the circumstances in which such action must be taken. Copies of any such citation shall simultaneously be served on the Business Committee of the Tribe. The Commission may enforce such citations by: (a) suspending or revoking the licenses of any persons found to have violated Applicable Law; or (b) such lesser penalty or other remedy as the Commission shall determine, including the imposition of fines or sanctions. Nothing herein shall prevent or prohibit the Gaming Commission from seeking compliance assistance from local, federal, or state gaming or law enforcement agencies, the Bureau of Indian Affairs, or the NIGC, particularly but not limited to any instance in which the Gaming Enterprise and the General Council have failed to correct a violation of Applicable Law.

7.8.1 **Unauthorized Gaming Prohibited.** All Gaming Activities on Tribal Lands are prohibited except as expressly permitted under this Gaming Act.

7.8.1.1 **Class I Gaming.** Class I Gaming Activities are hereby permitted to the extent consistent with Tribal custom and practice and provided the General Council is given at least seven (7) days prior notice in writing of any intention to engage in such gaming. 7.8.1.2 **Class II and Class III Gaming.** Class II and Class III gaming on Tribal Lands are hereby authorized as permitted under Applicable Law, provided the Tribe has the sole proprietary interest in and responsibility for the conduct of any Gaming Operation. All such funds are deemed Tribal funds only and are and shall remain the property of the Tribe until disbursed, if at all, from the general treasury. The General Council shall retain the sole discretion as to how such funds are utilized, and once becoming part of the treasury such funds shall lose any identity as gaming revenues except to the extent necessary to identify them as such for accounting purposes or to comply with applicable law. Notwithstanding anything herein to the contrary, if the Tribe elects at any time to make per capita payments to the members, it shall authorize such payments only upon approval of a plan submitted to the Secretary of the Interior under 25 U.S.C. § 2710(b)(3). Payments out of general treasury funds to tribal members under other tribal programs, including those relating to health, welfare, education, elderly care, and housing, shall not be deemed to be “per capita” payments when such funds are paid from the Tribe’s general treasury.

At least three (3) bids shall be required before any contract may be executed for goods or services in connection with any Gaming Activity for an amount in excess of \$25,000 or to be performed over a period of more than twenty (20) days. The General Council may waive the requirement of three (3) bids upon good cause shown. All proposals for bids as well as all bids received may be reviewed at the discretion of the Gaming Commission. The Gaming Commission shall receive a copy of all Gaming-Related Contracts for an amount in excess of \$10,000 for filing and possible review. To the extent possible, the Tribe will approve the lowest responsive and qualified bid.

7.11.3 Reporting Audit Results. The Tribe shall make available the results of each annual audit to the Tribe's General Council within thirty (30) days of completion of the audit. Accordingly, no person shall engage in any Class II or Class III Gaming Activities on Tribal Lands without a valid license issued by the Gaming Commission.

7.12.3 **Gaming License is a Privilege.** Any gaming license or finding of suitability issued by the Gaming Commission shall be deemed a privilege, and is subject to suspension or revocation at any time. No license or license renewal shall be issued that would place the Tribe in violation of Applicable Law. A gaming license or finding of suitability is subject to renewal at least every two (2) years.

7.12.4 **Burden on Applicant.** The burden of proving an applicant's qualifications to receive a license hereunder is at all times on the applicant. Applicants must accept any risk of adverse public notice, embarrassment or other action that may result from the application process and expressly waive any claim for damages as a result thereof.

7.12.5 **Applicant Claim of Privilege.** An applicant may claim any privilege afforded by law in connection with a gaming license application or investigation, but a claim of privilege with respect to any testimony or evidence pertaining thereto may constitute sufficient grounds for denial, suspension or revocation.

7.12.6 **Release of Information.** Persons applying for a license shall agree to release all information necessary in order for the Gaming Commission and any applicable federal or state entity to complete their suitability determination. Applicants must update all such information promptly on an on-going basis, and to furnish such information as may be required by the State Gaming Agency, or such other governmental agency as may be required by law.

7.12.7.1.3 Those who at any time do not meet the above qualifications shall be denied a Class A license, or in the case of an existing license, the license may be revoked.

The Gaming Act

7.12.7.3 Gaming Resource Supplier. Gaming Resource Suppliers must meet all tribal and state licensing and suitability requirements. The Gaming Resource Supplier license must be renewed at least every two (2) years. The Tribe shall not enter into any contract or agreement that would require licensing if the Gaming Resource Supplier has been denied a license or is deemed unsuitable, or the license or suitability determination has expired without renewal.

7.12.7.4 Union License. Any labor union, including its management and representatives, seeking to represent any Gaming Employees must first apply for and be deemed suitable to obtain a license under standards and licensing requirements established by the Gaming Commission.

7.12.7.5 Vendor License. Vendors providing other goods or services, and those providing gaming related goods or services valued at less than \$25,000 in a 12-month period, may also be required to obtain a license from the Gaming Commission prior to doing business with the Tribe's Gaming Operation. Vendors who are deemed not to be Gaming Resource Suppliers or who provide only non-gaming related goods or services to the Tribal Gaming Operation shall, at minimum, complete a short form application and qualify for a vendor license issued by the Gaming Commission. Such license must be renewed at least every two (2) years and the Gaming Commission may require additional information or licensing at any time.

7.12.7.6 Temporary or Provisional Licenses. Pending completion of an investigation for a license, the Gaming Commission may issue a temporary or provisional license of no more than ninety (90) days duration if, in its sole discretion, it deems such issuance appropriate, and may grant an extension of such a license if necessary to complete the investigation or to obtain the Criminal History Record Information results from fingerprint submissions. Applicants shall agree to release all information necessary in order for the Gaming Commission to achieve its goals under this Gaming Act and to furnish such information to the NIGC, the State Gaming Agency, or other agencies as may be required by Applicable Law.

7.12.11 License Renewal. All licenses shall be subject to renewal at least every two (2) years, and more frequently if so required by the Gaming Commission or other applicable law. Such licenses may be revoked or suspended upon the occurrence of any act that, if known during the application process, would have tended to disqualify such person or entity for such a license.

7.12.12 License Fees. Unless specifically waived by the Gaming Commission, all persons applying for a license shall be required to pay all applicable license fees and costs when due, including a reasonable deposit for costs that may be incurred in connection with the license application. Estimates of licensing costs will be provided to applicants upon reasonable request. All fees and costs must be received by the Gaming Commission prior to issuance of the license, unless the Tribe or the Gaming Operation has agreed to reimburse the Gaming Commission directly for all or part of such fees and costs.

7.12.13 Standards. All persons engaged by or associated with any Gaming Activity on Tribal Lands shall conduct themselves with honesty, integrity, and with such decorum and manners as necessary to reflect positively on the Tribe, its members and the Gaming Activities. Any failure to abide by such standards, or any violation of a rule, regulation, law, custom or tradition of the Tribe, the Gaming Commission, or the Gaming Operation, or with the terms or conditions of the license, may be grounds for immediate suspension or revocation of any license issued hereunder.
