(the "Little River Act"). The Tribe is entitled to the protections and benefits accorded federally recognized Indian tribes under federal law, including those under the Indian Gaming Regulatory Act of 1988 (25 U.S.C. §2701 et seq.) ("IGRA"), which governs the operation of class II and class III gaming activities (as defined in IGRA) on lands held in trust for the Tribe.
- b. Pursuant to Section 6(b) of the Little River Act (25 U.S.C. §1300-4(b)), the Secretary of the Interior (the "Secretary") has taken the real property described on Exhibit A hereto (the "Property") in trust for the benefit of the Tribe.
- c. The Tribe has determined that the establishment and operation of a tribal gaming enterprise on the Property in accordance with IGRA will assist the Tribe in generating the revenues needed to establish an effective tribal government, provide necessary employment opportunities services for tribal members and promote tribal self-sufficiency.
- d. With the assistance of the Manager, the Tribe developed, constructed and is operating on the Property an interim gaming facility (the "Interim Facility") suitable for conducting Gaming (as defined herein) pursuant to the Tribe's recognized powers of self-government, and its statutes and ordinances.
- e. The Tribe and Manager entered into a Management Agreement dated as of July 15, 1999, as amended as of August 15, 1999 (the "1999 Management Agreement") pursuant to which Manager agreed to manage the Interim Facility.

The interest upon any such loan shall be treated as an Operating Expense of the Enterprise.

If the insurance proceeds are not sufficient and are not used to repair the Facility, and neither the Manager nor the Tribe wishes to provide the additional funds necessary to re-build and reopen the facility, the Tribe and the Manager shall jointly adjust and settle any and all claims for such insurance proceeds or condemnation awards, and such proceeds or award and any undistributed Net Revenues shall be applied first, as to insurance proceeds or condemnation awards

The Business Board shall review and approve the Operating Budget and Annual Plan on a line-by-line basis, and shall forward the approved Operating Budget and Annual Plan to the Tribal Council for its review and approval no later than November 15 of each year. The Business Board's and Tribal Council's approval of the Operating Budget and Annual Plan shall not be unreasonably withheld or delayed. If the Tribal Council is unable to approve the Operating Budget and Annual Plan prior to the commencement of the Fiscal Year, or if the Business Board is unable to approve any line items prior to the commencement of the Fiscal

Year, those portions of the proposed Operating Budget and Annual Plan approved by the Business Board shall be used as interim amounts and the corresponding line items contained in the Operating Budget and Annual Plan for the preceding Fiscal Year shall be adjusted as set forth herein and shall be substituted for the line items yet to be approved in the proposed Operating Budget and Annual Plan. Those line items shall be determined by increasing the preceding Fiscal Year's actual expense for the corresponding line items by the increase in the Consumer Price Index for All Urban Consumers as published by the Bureau of Labor Statistics of the United States Department of Labor, U.S. City Average, all items (1982-1984 = 100) for the Fiscal Year prior to the Fiscal Year with respect to which the adjustment to the line items is being calculated. The resulting Operating Budget and Annual Plan obtained in accordance with the preceding sentence shall be used as an interim Operating Budget and Annual Plan until such time as the Business Board approves the relevant line items and the Tribal Council approves the entire Operating Budget and Annual Plan.

The Tribe shall be responsible for providing any increase in operating capital required under the Operating Budget and the Annual Plan.

The Tribe and the Manager acknowledge that the Operating Budget and Annual Plan is intended only to be a reasonable estimate of the Enterprise's revenues and expenses for the relevant Fiscal Year. The Manager shall not be deemed to have made any guarantee concerning projected results contained in the Operating Budget or Annual Plan.

The Manager may, after notice to and approval by the Business Board, revise the Operating Budget and Annual Plan from time to time as may be necessary to reflect any unpredicted significant changes, variables or events or to include significant additional, unanticipated items of expense, and may, upon five business days' notice to the Business Board, reallocate part or all of the amount budgeted with respect to any line item to another line item; provided that any reallocation of funds (a) from one department to another department or (b) from funds budgeted for the Training and Compliance Plan or any other specific plans or programs established at the Enterprise by agreement of the Manager and the Tribe, shall require the approval of the Business Board; and provided further that Business Board and the Tribe must approve (i) any budget modification that eliminates or substantially changes any plans or programs approved by the Business Board or the Tribe as part of the Operating Budget and Annual Plan, and (ii) any increase in aggregate Operating Expenses from the amount provided in the Approved Budget, except that aggregate Operating Expenses may exceed the budgeted amount to the extent that variable expenses increase because of an increase in patron count beyond the patron count projected in the Approved Budget. The Manager shall submit a revision of the Operating Budget and Annual Plan to the Business Board for review quarterly.

Manager will provide to the Tribe, no later than September 1 of each year, a forecast of revenues that will be distributed from the Enterprise to the Tribe in the next Fiscal Year.

Section 4.10. Capital Budget. The Manager shall, not later than each October 15, submit to the Business Board, for review and approval, a recommended capital budget (the "Capital Budget") describing the estimated replacement or new acquisition costs for the ensuing Fiscal Year, for the physical plant, furnishings, equipment, and ordinary capital replacement

The Capital Budget shall be reviewed and approved, and modifications thereto may be made, in the same manner as provided in Section 4.9 with respect to the Operating Budget and Annual Plan; provided, that no amount budgeted with respect to an item in the Capital Budget may be reallocated to an item in the Operating Budget and Annual Plan, or vice-versa, without the approval of the Business Board.

- (a) maintain the Enterprise in compliance with any Legal Requirements, or
- (b) correct any condition of an emergency nature, including, without limitation, maintenance, replacements or repairs which, in the Manager's judgment, require immediate action to preserve and protect the Facility, assure its continued operation, or protect the comfort, health, safety and/or welfare of the Facility's guests or employees (an "Emergency Condition").

The Manager shall be responsible for the design and installation of Capital Replacements, subject to approval by the Business Board. The design and installation of Capital Replacements shall be effected in a manner so as to minimize interference with or disruption of ongoing operations.

The Manager is authorized to take all steps and to make all expenditures from the Disbursement Account (in the case of non-capitalized repairs and maintenance) or Capital Replacement Reserve (in the case of expenditures for Capital Replacements) as it deems necessary to repair and correct any Emergency Condition, regardless whether such provisions have been made therefore in the Capital Budget or the Operating Budget and Annual Plan. The Manager shall send immediate notice of any such expenditure, together with an explanation of the reasons therefor, to the Business Board.

Section 4.12. Use and Allocation of Capital Replacement Reserve. The Manager shall draw on the Capital Replacement Reserve for Capital Replacements in accordance with Section 4.11 and to make such emergency additions, repairs or replacements as shall be required to correct an Emergency Condition without further approval from the Business Board. Any amounts remaining in the Capital Replacement Reserve at the close of any year shall be carried forward and retained in the Capital Replacement Reserve until fully used.

Section 4.13. Contracting.

4.13.1 In entering into contracts for the supply of goods and services for the Enterprise, the Manager shall, on written notice from the Tribe and as agent for the Tribe, give preference to qualified members of the Tribe, their spouses and family members, qualified business entities certified by the Tribe as owned by members of the Tribe, their spouses and family members, and entities that are Affiliates of the Tribe; and then, on a secondary basis, to qualified business

entities owned by Native Americans other than members of the Tribe; in each case as permitted by law. In the event of uncertainty as to the applicable legal standard, the Tribe may direct Manager as to the appropriate extent of vendor preference but shall indemnify Manager against any resulting loss or liability.

“Qualified” shall mean a person or a business entity who or which, in the judgment of the Business Board, is able to provide services at competitive prices, has demonstrated skills and abilities to perform the tasks to be undertaken in an acceptable manner, and can meet the reasonable bonding requirements of the Enterprise. The Manager shall provide written notice to the Business Board in advance of all such contracting, subcontracting and construction opportunities. The Tribe intends to establish and maintain a data bank of business entities owned by members of the Tribe, their spouses and family members, or by other Native Americans, using criteria approved by the Tribe. The Manager shall be entitled to rely upon that data bank unless otherwise informed by the Tribe. One-half of the cost of establishing and maintaining the data bank will be an Operating Expense of the Enterprise, provided that such cost shall be subject to the review and reasonable approval of the Business Board.

4.13.2 The Tribe shall establish the following policies for the Enterprise:

4.13.2.1 The percentage by which the price of preferred vendors, whether members of the Tribe or other Native Americans, may exceed other bids in awarding contracts

4.13.2.2 The threshold, if any, below which no vendor preference will be applicable;

4.13.2.3 The detailed criteria and process for establishing qualifications for the preference and for minimizing the use of “front” companies;

4.13.2.4 What tribal body will verify qualification; and

4.13.2.5 The means, if any, of passing through the cost of verifying qualification to vendors seeking qualification.

Section 4.14. Internal Control Systems. The Manager shall submit the Internal Control Systems for approval to the Business Board and the Tribal Gaming Commission, and any other government agency required to approve the same, prior to their implementation. Any significant changes in the Internal Control Systems after the Interim Facility Commencement Date also shall be subject to review and approval by the Business Board, the Tribal Gaming Commission and such other government agencies, if any, prior to their implementation.

The Tribal Gaming Commission shall have the right, at any time, to inspect and review all Internal Control Systems and any changes instituted to the Internal Control Systems, and to retain an auditor to review the adequacy of the Internal Control Systems. The Tribal Gaming Commission, the Manager, and any other government agency authorized by the Compact (if applicable) or applicable law shall have the right and duty to maintain and police the Internal Control Systems in order to prevent any loss of funds from the Enterprise. The Manager shall install a closed circuit television system to be used for monitoring the cash handling activities of the Enterprise sufficient to meet all Legal Requirements.

Said transportation company and its bonding levels shall be approved in advance by the Business Board.

The Manager shall transfer funds from the Depository Account to the Disbursement Account as shall be necessary to make all payments for Operating Expenses, debt service, management fees, and disbursements to the Tribe. All such payments shall be made by the Manager from the Disbursement Account. The Manager shall reserve funds in the Disbursement Account in an amount equal to the Minimum Balance, and the Manager may increase the Minimum Balance, with the approval of the Business Board, at any time during the first 12 months following the Commencement Date to reflect unanticipated working capital needs revealed by actual Enterprise operations. In addition, all proceeds from the sale of capital items no longer needed for the operation of the Enterprise, and the proceeds of any insurance received in reimbursement for any items previously paid for from the Capital Replacement Reserve, shall be deposited into the Capital Replacement Reserve upon receipt. All such statements shall be prepared in accordance with GAAP consistently applied, and shall contain such additional information as may be requested by the Tribe. The Tribe's Comptroller shall be permitted to participate in the choice of accounting protocols within GAAP, and the Tribe may arbitrate the appropriateness and fairness of those protocols; provided that all Enterprise accounting protocols shall be consistent with GAAP.

4.17.2. Books of Account. The Manager shall maintain full and accurate books of account and records at an office in the Facility and at such other locations as may be determined by the Manager. The Tribal Gaming Commission, and any government official authorized by law to have such access, shall have immediate access to the daily operations of the Enterprise and the unlimited right to inspect, examine and copy all such books and supporting business records. Such rights may be exercised through a duly authorized agent, employee, attorney, or independent accountant acting on behalf of the Tribal Gaming Commission or the authorized government agency, provided that the authority of said individual is first presented in writing to the Manager.

4.17.3. Accounting Standards. The Manager shall maintain the books and records of the Enterprise in conformity with GAAP consistently applied. The accounting firm shall be one of the six largest certified public accounting firms doing business in the United States. Said audit shall meet all legal requirements of the Tribal Gaming Ordinance, the Compact (to the extent applicable), IGRA and other applicable law and shall, unless otherwise authorized by Tribal Council resolution, be separate and distinct from any audit required by the Single Audit Act of 1984, 31 U.S.C. §750 et seq. The Tribal Gaming Commission and the NIGC and any other legally authorized

government agency shall also have the right to perform special audits of the Enterprise on any aspect of the Enterprise and its operations at any time without restriction. Copies of such audits shall be provided by the Tribe to all applicable federal and state agencies, as may be required by law or the Compact, and may be used by the Manager for reporting purposes under federal and state securities laws, if required. The fees for the services of the independent auditor shall be an Operating Expense.

The Manager specifically warrants and represents to the Tribe that, during the Term of this Agreement, the Manager shall not act in any way, either directly or indirectly, to cause any person or entity to become an encumbrancer or lienholder of the Property or the Facility or to obtain any interest in this Agreement without the prior written consent of the Tribal Council.

The Tribe and the Manager shall keep the Facility and the Property free and clear of all mechanics' liens and other liens resulting from the construction of the Facility and all other liens which may attach to the Facility or the Property. If any such lien is claimed or filed, the Tribe shall take immediate legal action to contest the claim or lien or otherwise to discharge the lien within 30 days after having been given written notice of such claim, either by payment to the claimant of the amount claimed, the deposit with the proper court of such amount as shall be necessary to relieve and discharge the Property from such claim, or by any other action which will result in the discharge or stay of such claim. The Manager is authorized to act on behalf of the Tribe to discharge any liens if the Tribe fails to take appropriate action to stay or discharge such lien within that 30 day period.

#### Section 5.2. Security Interests; Standby and Deferral.

##### (i) Security Interests.

(A) The Tribe shall have the right to grant senior security interests in Enterprise revenues and other Enterprise assets to secure the Loan or any Refinancing Debt. Manager agrees to execute and deliver subordination agreements, in form and content satisfactory to the Lender, subordinating Manager's security interest and related claim under the Reimbursement and Security Agreement to the security interest and claim of Lender.

(B) The Tribe shall have the right to grant subordinated security interests in Enterprise revenues; provided that any such security interests shall be subject to a subordination agreement in form and substance reasonably satisfactory to the Manager which protects any lien that the Manager and Comerica may have on those revenues to secure the payment of the amounts owed to Manager hereunder and to Comerica, respectively,

and any obligation of the Tribe to the Manager relating to the Manager's guaranty of the Comerica Loan.

(ii) Standby and Deferral.

(A) Manager agrees that it will cause Comerica to execute and deliver to Lender (and to any lender providing Refinancing Debt) a subordination agreement, in form and content satisfactory to the Lenders or such refinancing lender, evidencing (a) the subordination of the Comerica Loan to the Loans and such refinancing; (b) the subordination of any security interest in revenues or other assets of the Enterprise securing the Comerica Loan to the security interest securing such Loans and refinancing, and (c) the agreement of Comerica that any principal payments due it on the Comerica Loan shall be deferred during any Litigation Sinking Fund Period. In the event of a principal deferral, the term of the Comerica Loan shall be extended by the same number of months as such deferral continued, and any principal deferred shall be payable in equal monthly instalments over that extended term.

## ARTICLE VI

### PAYMENTS OF FEES AND TRIBAL DISTRIBUTIONS

Section 6.1. Payment of Fees and Tribal Disbursements. Within 21 days after the end of each calendar month, the Manager shall calculate the Gross Revenues, Operating Expenses, and Net Revenues of the Enterprise for such month's operations and for the year's operations to date. Such calculations shall be presented in writing to the Business Board and the Tribal Council. Thereupon, the Manager shall disburse funds from the Disbursement Account to the extent available to pay the scheduled items to the extent due and payable and earned in the following order of priority:

- (i) the Minimum Guaranteed Monthly Payment described in Section 6.2;
- (ii) the reimbursement of any amounts advanced by Manager under Section 4.15.3, 4.20 or 6.2, with interest calculated at the rate provided in Section 14.13 from the date the advance was made to the date reimbursement is paid, subject to subordination in accordance with this Agreement;
- (iii) current principal due on each Loan (and if payments are due quarterly, a reserve equal to one third of the scheduled quarterly payment shall be deposited in a designated Enterprise Bank Account for such payment, and may be invested in accordance with the Enterprise Investment Policies pending payment), or under any equipment lease, and any Litigation Sinking Fund Payment;
- (iv) current principal due on the Comerica Loan;
- (v) Capital Replacement Reserve contributions in accordance with Section 4.15.4; and
- (vi) the Management Fee.

All remaining Net Revenues (the "Monthly Distribution Payment") shall be distributed to the Tribe, at the same time the Management Fee is paid. Manager agrees to subordinate its right of reimbursement, its Management Fee, and all other claims against the Enterprise to the claims of any Lender, if requested by such Lender. Manager will execute and deliver a subordination agreement in form acceptable to any such Lender evidencing such subordination. Any Management Fees or other amounts deferred pursuant to any such subordination agreement or any subordination agreement described in Section 5.2.1(a) shall be paid, commencing the first day of the month after the end of such deferral, in equal monthly payments over the same number of months as such deferral had continued. Any fees deferred shall bear interest at the same rate as the Taxable Loan.

Section 6.2. Minimum Guaranteed Monthly Payment. The Manager shall pay the Tribe the Minimum Guaranteed Monthly Payment, with respect to the period beginning on the Interim Facility Commencement Date and continuing for the remainder of the Term. The Minimum Guaranteed Monthly Payment shall be payable to the Tribe in arrears on the 21st day of each calendar month, beginning with the month following the month in which the Interim Facility Commencement Date occurs, which payment shall have priority over the Management Fee and retirement of development and construction costs. If the Interim Facility Commencement Date is a date other than the first day of a calendar month, the first payment will be prorated from the Interim Facility Commencement Date to the end of the month. Minimum Guaranteed Monthly Payments shall be charged against the Tribe's distribution of Net Revenues for each month provided, however, where the Net Revenues in a given month are less than the Minimum Guaranteed Monthly Payment, the Manager shall advance the amount necessary to compensate for the deficiency from its own funds, subject to reimbursement under Section 6.1. No Minimum Guaranteed Monthly Payment shall be owed for any month during which no Gaming takes place at the Facility. In any month in which Gaming at the Facility is suspended pursuant to Section 4.4, or in which this Agreement is terminated, the Minimum Guaranteed Monthly Payment shall be prorated to reflect the number of days in such month during which Gaming actually took place under this Agreement. The obligation of the Manager to make Minimum Guaranteed Monthly Payments shall cease upon termination of this Agreement, other than for payments due with respect to Gaming which took place prior to such termination. The Manager's obligation to pay the Tribe the Minimum Guaranteed Monthly Payment is unconditional, and shall not be affected by the actual level of funds generated by the Enterprise.

Section 6.3. Payment of Net Revenues. The Net Revenues paid to the Tribe pursuant to this Article VI shall be payable to the Tribe's bank account specified by the Tribal Council.

Section 6.4. Springing Depository Agreement. In any Depositing Period, as defined in the Springing Depository Agreement, the terms of Article II, Article III, and Sections 6.2, 9.3 and 9.13 of the Springing Depository Agreement shall control over this Management Agreement as to any disputes among the Tribe, Manager and Lenders relating to the Springing Depository Agreement. Without limiting the generality of the foregoing, during a Depositing Period all Gross Revenues of the Enterprise shall be deposited as required in such Depository Agreement and shall be distributed in accordance with the priorities provided in the Springing Depository Agreement.

The cost of such registrations or other actions shall be a capital cost of the Facility.

### TAXES

Section 8.1. State and Local Taxes. If the State of Michigan or any local government attempts to impose any tax, including any possessory interest tax, upon the Tribe, the Manager, the Enterprise, the Facility or the Property, or upon a transaction entered into by the Tribe or the Manager relating to the Enterprise (other than an income tax on the income of the Manager hereunder), the Business Board may recommend that the Tribe resist such attempt through legal action. If the Business Board recommends such litigation, the costs of such action and the compensation of legal counsel shall be an Operating Expense of the Enterprise and any recovery shall be included in Gross Revenues of the Enterprise. If the Business Board does not recommend that the Tribe commence such litigation, the costs of such action and the compensation of legal counsel shall not be an Operating Expense of the Enterprise and any recovery shall be payable directly to the Tribe and shall not be included in such Gross Revenues. The final decision on bringing any such litigation shall be in the sole discretion of the Tribe, and shall be prosecuted in the name of the Tribe through counsel selected by the Tribe. Any such tax shall constitute an Operating Expense of the Enterprise. This Section shall not be construed to imply that the Tribe, the Manager, the Enterprise, the Facility or the Property, or any transaction entered into by the Tribe or the Manager relating to the Enterprise is liable for any such tax.

#### Section 8.2. Tribal Taxes, Fees and Charges.

8.2.1 The Tribe agrees that neither it nor any agent, agency, affiliate or representative of the Tribe will impose any taxes, fees, assessments, or other charges of any nature whatsoever on the Management Fee, any payments of debt service to the Manager or any of its Affiliates or to any Lender furnishing financing for the Facility or for the Enterprise, or on the Enterprise, the Facility or the revenues therefrom, except as provided in this section.

8.2.1.1 The Tribe may assess and collect a tax on the Gross Gaming Revenue (Win) of the Enterprise in the amount of 64

to fund the reasonable regulatory costs incurred by the Tribal Gaming Commission and the reasonable fees, expenses and internal overhead costs incurred by the Tribe in overseeing, or otherwise in relation to, the Enterprise. Such taxes shall be payable monthly in arrears, no later than twenty days after the end of each month. Manager shall deliver to the Tribe a certificate signed by an officer of Manager at the time the tax is paid stating the amount of the tax and showing how such amount was computed.

8.2.1.2 The Tribe may charge vendors and collect reasonable business and gaming license fees and/or tax the sale of goods or services to or by the Enterprise in amounts equivalent to any state taxes that are or would otherwise be applicable but for the Tribe's status as an Indian tribe, provided that no

such tax shall be applied to any goods or services supplied as Promotional Allowances.

8.2.1.3 The Tribe may assess and collect reasonable charges or assessments imposed by governmental entities of the Tribe (other than the Tribal Gaming Commission) which are reasonably related to the cost of Tribal governmental regulation of public health, safety or welfare, as it relates to the Enterprise, provided that such charges or assessments had previously been provided by third parties and do not exceed the cost of obtaining such services from such third parties.

8.2.1.4 The Tribe may assess and collect reasonable fines or fees imposed by the Tribe or governmental entities of the Tribe, provided that such fines or fees are payable under Tribal ordinances of general application in accordance with schedules of fees or fines included in such ordinance.

8.2.1.5 The Tribe may, either directly or through an instrumentality, provide water and sewer services to the Enterprise, and may assess and collect charges in that regard in the same amount as would be charged by the City of Manistee or other local utility under their respective tariffs or charges for providing similar services to the Permanent Facility, except for special assessments or other capital charges not payable based on the volume of water or sewerage used or generated; provided that the capital cost, including interest, depreciation and amortization, relating to the water and sewer facilities being financed with the proceeds of the Tax-Exempt Loan shall be treated in the manner described in clauses (v) and (xvii) of the definition of "Operating Expenses."

8.2.2 The Tribe agrees that neither it nor any agent, agency, affiliate or representative will impose any taxes, fees, assessments or other charges of any nature whatsoever on the salaries or benefits, or dividends paid to, any of the Manager's stockholders, officers, directors, or employees.

8.2.3 All surveillance equipment at the Enterprise required by the Tribal Gaming Commission shall be paid for by the Enterprise and not by the Gaming Commission or the Tribe, and shall be booked as a capital expense included in the capital budget to the extent required by GAAP.

8.2.4 If the Tribe, in its sole discretion, transfers surveillance or any other function from the Tribe to the Enterprise, the amount of the tax payable by the Enterprise to the Tribe in any month shall be reduced by the actual cost to the Enterprise of the transferred function in the preceding month. Manager shall deliver to the Tribe a certificate signed by an officer of Manager showing such actual cost and its derivation at the time the tax is paid.

Section 8.3. Compliance with Internal Revenue Code. The Manager shall comply with all applicable provisions of the Internal Revenue Code.

## ARTICLE IX

### PROVISIONS RELATING TO TRIBAL GOVERNMENT

Section 9.1. Noninterference in Tribal Affairs. The Manager agrees not to interfere in or attempt to influence the internal affairs or government decisions of the Tribal government by offering cash incentives, by making written or oral threats to the personal or financial status of any person. If any such interference in Tribal affairs is alleged by the Tribal government in writing and the NIGC or a court of competent jurisdiction finds that the Manager has unduly interfered with the internal affairs of the Tribal government and has not taken sufficient action to cure and prevent such interference, that finding of interference shall constitute a material breach by the Manager and shall be grounds for termination of the Agreement. The Manager shall be entitled to immediate written notice and a complete copy of any such complaint to the NIGC or the court.

Section 9.2. Prohibition of Payments to Members of the Tribal Government. The Manager represents and warrants that no payments have been or will be made by the Manager to any Member of the Tribal government, any Tribal official, any Relative of a member of Tribal government or Tribal official, or any Tribal government employee for the purpose of obtaining any special privilege, gain, advantage or consideration.

#### Section 9.3. Employment Restrictions and Disclosures

9.3.1 Prohibition of Hiring Members of the Tribal Government. No Member of the Tribal Government or Relative of a Member of the Tribal government may be employed at the Enterprise without a written waiver of this Section 9.3 by the Tribe. For this purpose, the Tribal Council will identify all such persons to the Manager in a writing and take reasonable steps to keep the list current; the Manager shall not be held responsible if any person not on such list is employed.

9.3.2 Disclosure of Manager's Employment of Relatives of Senior Executives. Manager covenants that it will disclose to the Business Board and the Tribal Council, prior to making an offer of employment on behalf of or related to the Enterprise, any proposed employment of Relatives of managers or other senior executives of the Enterprise or of the Manager, or of Manager's Affiliates. Manager further covenants that it will comply with the Enterprise Employee Policies with regard to all such Relatives. Manager also covenants that neither it nor any Affiliate of Manager will hire any senior executive or supervisory employee of the Enterprise either (i) while such senior executive or supervisory employee is employed by the Enterprise, or (ii) within one year after the voluntary or involuntary termination of such senior executive's or supervisory employee's employment by the Enterprise.

Section 9.4. Prohibition of Financial Interest in Enterprise. No Member of the Tribal government or Relative of a member of the Tribal government shall have a direct or indirect financial interest in the Enterprise greater than the interest of any other member of the Tribe.

All of the warranties, covenants and agreements contained in this Article X shall apply to any person or entity who would be listed in this Article X as a result of such changes. Manager's covenant in § 10.1 shall continue throughout the Term of this Agreement; provided that a breach of the covenant in § 10.1(b) shall not give rise to a right of the Tribe to terminate this Agreement if the Manager terminates such individual's relationship with the Manager or its Affiliate within ten days after receiving notice of such arrest, indictment, conviction, plea or association.

- b. the failure of a party to perform any other duty or obligation on its part hereunder for a period of 30 days after receipt of notice, or for such longer period as may be necessary to effectuate a cure of such default provided that such default is capable of being cured and the defaulting party has commenced the cure within such 30-day period and is proceeding with due diligence to effect such cure.

The discontinuance or correction of a Material Breach shall constitute a cure thereof.

Section 11.2. Tribe's Right to Terminate Agreement. In addition to its ability to terminate this Agreement for a Material Breach by the Manager, the Tribe may terminate this Agreement, by written notice effective 30 days after receipt, if:

- c. a member or an officer of the Manager is convicted of a felony or a misdemeanor offense in the performance of the Manager's duties hereunder; provided, that such a conviction shall not give rise to a right of the Tribe to terminate this Agreement if the Manager terminates such individual's relationship with the Manager within ten days after receiving notice of the conviction; or
- d. the Manager is declared bankrupt, a voluntary petition for bankruptcy is filed, a receiver is appointed for any portion of the Manager's property in any judicial proceeding, or the Manager shall make or attempt to make an assignment for creditors or take advantage of any insolvency law.

- b. Unless Manager notifies the Tribe that it elects to proceed under the provisions of Section 14.21.1, the Manager has been notified by any regulatory agency that the performance by it of any obligation imposed by this Agreement will jeopardize the retention of any license, or approvals granted thereunder, held by the Manager, any Affiliate of the Manager or any of its members in any other jurisdiction, and the Tribe refuses to allow the Manager to immediately rectify any such complaint; or
- c. the Manager has reason to believe that the performance by it or the Tribe of any obligation imposed under this Agreement may reasonably be expected to result in the breach of any Legal Requirement and the parties have been unable to agree upon waiver of such performance within 30 days written notice by the Manager.

Section 11.4. Provisions Applying to any Termination. The following provisions shall apply to any termination of this Agreement under this Article XI.

Section 13.3. Approvals and Consents not to be Delayed. No approval, consent or action required of the Tribe or the Manager hereunder shall be unreasonably withheld or delayed; provided that the foregoing does not apply where a specific provision of this Agreement allows the Tribe or the Manager an absolute right to deny approval or consent or withhold action.

## ARTICLE XIV

### GENERAL PROVISIONS

Section 14.1. Recording. At the option of the Tribe, the Manager or the Business Board, any security agreement related to the financing of the Facility may be recorded in any public records. Where such recording is desired in any relevant recording office maintained by the Tribe or in the public records of the BIA, the Tribe will accomplish such recording.

Section 14.2. No Joint Venture. The parties agree that it is not their intent, and that this Agreement shall not be construed, to create a joint venture between the Tribe and the Manager; rather, the Manager shall be deemed to be an independent contractor for all purposes hereunder. Neither the Tribe nor the Manager shall have the power to bind or obligate the other except as set forth in this Agreement.

Section 14.3. Dispute Resolution.

14.3.1 General. The Tribe and the Manager each warrants that it will use its best efforts to negotiate an amicable resolution of any dispute between the parties hereto arising from this Agreement, whether as to the operation of the Enterprise or the respective rights and liabilities of the Tribe and the Manager hereunder. If the Tribe and the Manager are unable to negotiate an amicable resolution of a dispute within a reasonable period of time, not less than two weeks, either party may refer the matter to arbitration under this Agreement.

14.3.2. Arbitration. The Tribe and the Manager agree that any dispute, controversy or claim arising out of or relating to this Agreement or other obligation between the parties that cannot be resolved through the negotiations conducted pursuant to Section 14.3.1 shall be settled by binding arbitration in accordance with the Commercial Arbitration Rules of the American Arbitration Association in effect on the date the demand for arbitration is made, and the Federal Arbitration Act. The parties agree that binding arbitration shall be the sole remedy as to all disputes arising out of this Agreement. The arbitration shall take place in Manistee County, Michigan, or such other place as the parties may agree. Notwithstanding the foregoing or any other provision of this Agreement, an arbitrator shall not have the power to compel, overturn, negate or in any manner modify any Governmental Action. The preceding sentence does not prevent an arbitrator from determining that the taking of any Governmental Action, or the failure to take any Governmental Action, constitutes a breach of this Agreement by the Tribe, thereby resulting in liability on the part of the Tribe for damages or other remedies in favor of the Manager as provided in this Agreement.

14.3.3. Arbitration Procedure. Arbitration may be initiated by written notice pursuant to Section 14.5. Within seven days thereafter, each party shall notify the other party of its nominee for an arbitrator. If the Tribe and the Manager can agree upon the nomination of a single arbitrator for the dispute, such person shall serve as sole arbitrator of the dispute. If the Tribe and the Manager do not agree upon the nomination of a single

arbitrator, each party's nominee shall serve as arbitrator upon a panel of three, and those two arbitrators shall select a third arbitrator to serve with them within two weeks. The arbitrators shall commence proceedings within 30 days after their appointment, and shall hold proceedings providing each party with a fair opportunity to present its side of the dispute, together with any documents or other evidence relevant to resolution of the dispute. The arbitration decision shall be signed by the arbitrators and shall be made within 30 days after all evidence relevant to resolution of the dispute has been received by the arbitrators. The arbitration decision shall be final and binding upon the Tribe and the Manager unless, during or following completion of the arbitration proceedings, the Tribe and the Manager have met and arrived at a different settlement of the dispute. The costs of the arbitration shall be borne equally by the parties, unless the arbitrator(s) rule otherwise. In rendering its decision and award, if any, the arbitration panel shall not alter or otherwise modify the provisions of this Agreement.

14.3.4. Judicial Enforcement of Arbitration Provisions. If enforcement of a settlement or arbitration decision become necessary by reason of failure of one or both parties to implement its terms voluntarily, or if either the Tribe or the Manager refuses to participate in arbitration as provided in Section 14.3.3, the Tribe and the Manager agree that the matter may be resolved by judicial resolution and enforcement, and that any action to confirm or enforce an arbitration award or to compel arbitration brought in the United States District Court for the Western District of Michigan or other court of competent jurisdiction other than Tribal Court, shall be governed by the Federal Arbitration Act, or, if brought in Tribal Court, by the Tribal Arbitration Code; provided, however, that any injunction against the Tribe shall not mandate, preclude or affect payment of any funds of the Tribe other than undistributed or future Net Revenues of the Facility, and shall not relate to any assets of the Tribe other than those specified in § 14.3.10. Any proceeding in Tribal Court to confirm or enforce an arbitration award or to compel arbitration will be subject to the Tribal Arbitration Ordinance.

14.3.5. Waiver of Sovereign Immunity. Subject to the further provisions of this Section 14.3, the Tribe expressly waives its sovereign immunity from suit for the purpose of permitting or compelling binding arbitration as provided in this Section 14.3, or enforcing any such arbitration award, and consents to be sued, in accordance with this Section 14.3, in any of the following: (i) in the United States District Court for the Western District of Michigan, the United States Court of Appeals for the Sixth Circuit, and the United States Supreme Court, (ii) any tribal court system established by the Tribe, and (iii) if the foregoing forums lack jurisdiction, in the Michigan State Court system or any other court of competent jurisdiction. By this Agreement, the Tribe does not waive, limit or modify its sovereign immunity from unconsented suit, except as set forth in this Section 14.3. The Tribe's waiver of its sovereign immunity in this Agreement only extends to disputes over the specific written rights and duties of the Tribe and the Manager pursuant to (i) this Agreement, and (ii) the Security and Reimbursement Agreement and any other documents relating to the Comerica Loan Agreement.

14.3.6 Time Period. The waiver granted herein shall commence as of the date of execution and delivery of this Agreement and shall continue for the longer of (i)       b4

following the expiration, termination, or cancellation of this Agreement , (ii) the payment in full of all sums due to Manager under this Agreement, or (iii) payment in full of the Comerica Loan, except that the waivers shall remain effective for any proceedings then pending, and all appeals therefrom. 64

14.3.7. Recipients of Waiver. The waiver of sovereign immunity is limited to:

- (i) the Manager;
- (ii) any assignee of a valid assignment, pursuant to Section 14.21, of the Manager's interest in this Agreement; and
- (iii) any person who is a member, officer or principal of the Manager or any such assignee, during the term of this Agreement and any extension thereof.

14.3.8. Federal Question. The Tribe and the Manager agree that judicial resolution and enforcement of any dispute between the Tribe and the Manager under this Agreement, or a settlement or arbitration decision with respect thereto, involves questions of federal law and shall be resolved pursuant to applicable federal law and applicable tribal law to the extent that applicable tribal law is not inconsistent with the applicable federal law and this Agreement.

14.3.9. Service of Process. In any such suit, service on the Tribe shall be effective, if made by certified mail, return receipt requested, to the Tribal Ogema and the Tribal Council Recorder in accordance with Section 14.5.

14.3.10. Limitation Upon Enforcement. Damages awarded against the Tribe in satisfaction of any enforcement proceedings under this Agreement and any related security documents, if any, shall in all cases be subject to the Tribe's right of recoupment and setoff. Damages under this Agreement shall be awarded and satisfied only from the following:

- (i) all assets of the Facility and of any other Gaming facility which is operated by or for the Tribe, whether or not operated under this Agreement, not including any property held in trust for the Tribe by the United States of America;
- (ii) all undistributed and future Net Revenues of the Facility or of any other Gaming facility which is operated by or for the Tribe, whether or not operated under this Agreement; and
- (iii) Funds in the Capital Replacement Reserve or the Repair and Replacement Account established under the Springing Depository Agreement.

Damages awarded against the Tribe shall not constitute a lien upon or be collectable from revenues of the Facility, or of any other Gaming facility owned or

operated by the Tribe, if such revenues have been distributed to the Tribe; from any assets purchased by the Tribe from any such distributions; or from any other income or assets of the Tribe, except with the Tribe's consent.

14.3.11. Waiver of Sovereign Immunity Irrevocable. The Tribe agrees that the waiver of sovereign immunity contained in this Section 14.3 is irrevocable.

Section 14.4. New Management Agreement.

14.4.1 On or before one year prior to the end of the Term of this Agreement, the Tribe shall give the Manager notice of its intent regarding its willingness to enter into negotiations for a new management agreement to be effective upon the conclusion of this Agreement.

14.4.2 Manager shall submit to the Tribe, no later than (a) one year prior to the expiration of the Term or (b) 30 days after the Tribe's notification to Manager that it will exercise its Buy-Out Option, a proposed transition plan on the assumption that the Term of this Agreement will not be extended. The plan shall be sufficient to allow the Tribe to operate the Enterprise, shall provide for the orderly transition of the management of the Enterprise, shall be consistent with the Training and Compliance Plan, and shall be subject to the reasonable review and approval of the Tribe. If the Tribe and the Manager are unable to agree to the terms of a new management agreement or if the Tribe decides not to enter into negotiations for a new management agreement, then the Tribe and the Manager shall agree upon a transition plan within 30 days following notice from the Tribe to the Manager of its intention not to negotiate a new management agreement.

Any such notice shall be deemed given three days following deposit in the United States mail, certified mail, postage prepaid, one day after delivery to Federal Express or another recognized overnight delivery service, or upon actual delivery, whichever first occurs.

Section 14.6. Authority to Execute and Perform Agreement. The Tribe and the Manager represent and warrant to each other that they each have full power and authority to execute this Agreement and to be bound by and perform the terms thereof. On request, each party shall furnish the other evidence of such authority.

Section 14.7. Manager's Contractual Authority. The Manager is authorized to make, enter into and perform in the name of and for the account of the Tribe, doing business as the Enterprise, such contracts as are deemed necessary by the Manager to perform its obligations under this Agreement, provided such contracts comply with the terms and conditions of this Agreement, including but not limited to, Section 4.2.4, and provided such contracts do not obligate the Enterprise to pay sums not approved in the Operating Budget and Annual Plan or the Capital Budget.

Section 14.8. Further Actions. The Tribe and the Manager agree to execute all contracts, agreements and documents and to take all actions necessary to comply with the provisions of this Agreement and the intent hereof.

Except for disputes between the Tribe and Manager and claims relating to the Tribe's status as a federally recognized Indian tribe or the trust status of the Property or as otherwise specifically provided in this Agreement, the Manager shall bring or defend any claim or legal action brought against the Enterprise, the Tribe or the Manager in connection with the operation of the Enterprise; provided, however, that (i) the Business Board must approve bringing litigation or arbitration relating to claims in excess of [ ] and (ii) the Tribal Council must approve bringing litigation or arbitration relating to claims in excess of [ ] and provided further, that the Tribe, through its general counsel, shall approve retention of legal counsel, accountants and such other professionals, consultants and specialists as Manager deems appropriate to assert or defend. The Manager shall provide the Tribal Council and Tribal Gaming Commission with notice of any such claim or legal action. All liabilities, costs and expenses, including reasonable attorneys' fees and disbursements incurred in defending and/or settling any such claim or legal action which are not covered by insurance shall be an Operating Expense. Nothing contained herein is a grant to the Manager of the right to waive the

64

Tribe's or the Enterprise's sovereign immunity; that right is strictly reserved to the Tribal Council, and shall, at the option of the Tribe, be asserted by the Tribe through its counsel, whose fees and expenses relating to the Enterprise shall be an Operating Expense. Any settlement of a third party claim or cause of action against the Tribe or the Enterprise shall require the approval of the Business Board and the Tribal Council.

Section 14.10. Waivers. No failure or delay by the Manager or the Tribe to insist upon the strict performance of any covenant, agreement, term or condition of this Agreement, or to exercise any right or remedy consequent upon the breach thereof, shall constitute a waiver of any such breach or any subsequent breach of such covenant, agreement, term or condition. No covenant, agreement, term, or condition of this Agreement and no breach thereof shall be waived, altered or modified except by written instrument. No waiver of any breach shall affect or alter this Agreement, but each and every covenant, agreement, term and condition of this Agreement shall continue in full force and effect with respect to any other then existing or subsequent breach thereof.

Section 14.11. Captions. The captions for each Section and Subsection are intended for convenience only.

Section 14.12. Severability. If any of the terms and provisions hereof shall be held invalid or unenforceable, such invalidity or unenforceability shall not affect any of the other terms or provisions hereof. If, however, any material part of a party's rights under this Agreement shall be declared invalid or unenforceable (specifically including the Manager's right to receive its Management Fees), the party whose rights have been declared invalid or unenforceable shall have the option to terminate this Agreement upon 30 days written notice to the other party, without liability on the part of the terminating party.

Section 14.13. Interest. Except as otherwise provided in any other agreement between the Tribe and the Manager, any amounts advanced by the Manager or the Tribe related to the operation of the Enterprise shall accrue interest at same rate as the Loan.

Section 14.14. Third Party Beneficiary. This Agreement is exclusively for the benefit of the parties hereto, may not be enforced by any party other than the parties to this Agreement and shall not give rise to liability to any third party other than the authorized successors and assigns of the parties hereto as such are authorized by this Agreement.

Section 14.15. Brokerage. The Manager and the Tribe represent and warrant to each other that neither has sought the services of a broker, finder or agent in this transaction, and neither has employed, nor authorized, any other person to act in such capacity. The Manager and the Tribe shall each indemnify and hold the other harmless from and against any and all claims, loss, liability, damage or expenses (including reasonable attorneys' fees) suffered or incurred by the other party as a result of a claim brought by a person or entity engaged or claiming to be engaged as a finder, broker or agent by the indemnifying party.

Section 14.16. Survival of Covenants. Any covenant, term or provision of this Agreement which, in order to be effective, must survive the termination of this Agreement, shall survive any such termination.

A. The assignment must be written and on arms-length terms, the assignee must not be affiliated with Manager or Tom Celani, and the terms of the assignment and all related documents must be fully disclosed to the Tribe;

B. The assignee must have successfully managed a casino of equal or greater size than the Permanent Facility and must have been approved as a casino manager by the NIGC;

C. The Chairman of the NIGC or his authorized representative must have approved the assignment, after a complete background investigation of the proposed assignee; and

D. Either:

(I) If an Adverse TOMAC Decision has occurred, the Tribe will have the right to terminate the Management Agreement rather than consent to such an assignment, provided that ☐

(II) If an Adverse TOMAC Decision has not occurred, the Tribe will have the right to terminate the Management Agreement rather than consent to such an assignment, provided that ☐

[ . . . ] 64

64

For purposes of this subsection, "Adverse TOMAC Decision" means that (a) the Michigan Supreme Court has issued a decision materially adverse to the Tribe in the TOMAC litigation, and (b) the Michigan Gaming Control Board has informed Tom Celani or Manager in writing that, because of such adverse decision, it intends to refuse to renew Thomas Celani's gaming license or that it intends to suspend, revoke, restrict, or place conditions on Thomas Celani's license if Manager does not terminate its relationship with the Tribe's casino.

14.21.2 Subcontracting. The Tribal Council's consent shall be required for the subcontracting by the Manager of any of its obligations hereunder, even if the Manager remains fully bound by the terms and conditions of this Agreement.

Section 14.22. Time is of the Essence. Time is of the essence in the performance of this Agreement.

Section 14.23. Confidential and Proprietary Information; Affiliate Disclosure; Arms Length Contracts.

14.23.1. Confidential Information. Both parties agree that any information received concerning the other party during the performance of this Agreement, regarding the parties' organization, financial matters, marketing plans, or other information of a proprietary nature ("Confidential Information"), will be treated by both parties in full confidence and will not be revealed to any other person, firm or organization except as required to allow the Manager and the Tribe to perform their respective covenants and obligations hereunder, or in response to legal process or appropriate and necessary inquiry of a government agency having jurisdiction over the Tribe's gaming operation. This provision shall survive the termination of this Agreement for a period of two years.

The obligations not to use or disclose the Confidential Information shall not apply to Confidential Information which (a) has been made previously available to the public by the Tribe or the Manager or becomes generally available to the public, unless the Confidential Information being made available to the public results in a breach of this Agreement, (b) prior to disclosure to the Tribe or the Manager was already rightfully in any such person's possession, or (c) is obtained by the Tribe or the Manager from a third party who is lawfully in possession of such Information and not in violation of any contractual, legal or fiduciary obligation to the Tribe or the Manager with respect to such Confidential Information and who

does not require the Tribe or the Manager to refrain from disclosing such Confidential Information to others.

14.23.2. Manager's Proprietary Information. The Tribe agrees that the Manager has the sole and exclusive right, title and ownership to:

- (i) certain proprietary information, techniques and methods of operating gaming businesses,
- (ii) certain proprietary information, techniques and methods of designing games used in gaming businesses, and
- (iii) certain proprietary information, techniques and methods of training employees in the gaming business.

The Tribe further agrees to maintain the confidentiality of such Manager's Proprietary Information and, upon the termination of this Agreement, to return same to the Manager, including but not limited to, documents, notes, memoranda, lists, computer programs and any summaries of such Manager's Proprietary Information; provided, however, that (a) the Tribe shall have the right to maintain copies of any such items when the same are required for proper Enterprise record keeping; (b) Manager grants the Tribe a non-exclusive license to use such Proprietary Information in connection with the Facility, whether or not this Agreement has been terminated, bought out or expired, and the Tribe may retain such items as are necessary for the Tribe to realize the benefit of that license; and (c) Manager shall inform the Business Board and the Tribal Council in writing, at or before execution of this Agreement, of all such information, techniques and methods it asserts is proprietary, and shall update such disclosure promptly upon delivery of additional proprietary information, techniques and methods to the Enterprise (but such notification shall not bind the Tribe as to whether such information is in fact proprietary). Manager's Proprietary Information specifically excludes any information or document that would otherwise fall within (i), (ii) or (iii) of this Section 14.23.2, if same is prepared, designed or created specifically for the use and benefit of the Enterprise, if the information or documents is otherwise available in the public domain, or if the information or document was obtained by the Tribe from a third party whose disclosure to the Tribe was not wrongful as to Manager. Prior to the installation of any information technology system at the Enterprise, the Manager will advise the Business Board in writing whether the same falls into the category of Manager's Proprietary Information. If there is a generally equivalent system available, the Business Board shall decide whether the proprietary or a non-proprietary system should be used.

14.23.3 Affiliate Disclosure. Manager warrants that it has fully disclosed all of its Affiliates to the Tribal Gaming Commission, and will amend that disclosure as required by the Tribal Gaming Commission, the Tribal Gaming Ordinance, and all regulations issued by thereunder.

14.23.4 Arms Length Contracts. No contracts for the design, construction or equipping of the Facility, or relating to the operation of the Facility, shall be entered into by Manager or the Enterprise with Affiliates of Manager or its members, or Affiliates of the

Tribe, unless the affiliation is disclosed in writing to the Business Board and the Tribal Council and the contract terms are no less favorable than those that could be obtained from nonaffiliated contractors or suppliers; provided that any Affiliate of the Tribe shall have the benefit of Indian preference under Section 4.13.

Section 14.24. Patron Dispute Resolution. The Manager shall submit all patron disputes concerning play to the Tribal Gaming Commission pursuant to the Tribal Gaming Ordinance, the Compact (to the extent applicable) and the regulations promulgated thereunder.

Section 14.25. Modification. Any change to or modification of this Agreement must be in writing signed by both parties hereto and shall be effective only upon approval by the Chairman of the NIGC.

Section 14.26. Entire Agreement. As of the Effective Date, this Agreement, including the Schedules and Exhibits referred to herein, which are expressly incorporated herein by reference, constitutes the entire understanding and agreement of the parties hereto; amends, restates and supersedes the 1999 Management Agreement; and supersedes all other prior agreements and understandings, written or oral, between the parties. Until the Effective Date occurs, the 1999 Management Agreement shall remain in full force and effect.

Section 14.27. Government Savings Clause. Each of the parties agrees to execute, deliver and, if necessary, record any and all additional instruments, certifications, amendments, modifications and other documents as may be required by the United States Department of the Interior, the BIA, the NIGC, the office of the Field Solicitor, the Compact, or any applicable statute, rule or regulation in order to effectuate, complete, perfect, continue or preserve the respective rights, obligations, liens and interests of the parties hereto to the fullest extent permitted by law, provided that any such additional instrument, certification, amendment, modification or other document shall not materially change the respective rights, remedies or obligations of the Tribe or the Manager under this Agreement or any other agreement or document related hereto.
