Re: Smith River Rancheria financing agreements

Dear Ms. Muraski:

This letter responds to your request to the National Indian Gaming Commission (NIGC) for an advisory opinion regarding certain financing agreements the Smith River Rancheria (Tribe") entered into with Umpqua Bank. Specifically, you have asked for my opinion whether the financing agreements are management contracts requiring the NIGC Chairwoman's approval under the Indian Gaming Regulatory Act ("IGRA"). You also asked for my opinion whether the financing agreements violate IGRA's requirement that a tribe have the sole proprietary interest in its gaming operation.

In my review, I considered the following submissions (collectively, "the Financing Agreements"):

- Second Amended and Restated Credit Agreement draft dated 8/10/13; and
- Exhibits to Amended and Restated Credit Agreement draft dated 8/10/13.

The documents submitted by the Tribe contain terms similar to other agreements the Office of General Counsel has already reviewed and analyzed. *See* www.nigc.gov/Reading\_Room/Management\_Review\_Letters.aspx. Applying the same analysis here, it is my opinion that the Financing Agreements submitted by the Tribe are collectively not management contracts and do not require the approval of the Chairwoman. Further, the Financing Agreements do not violate IGRA's sole proprietary interest requirement.
