Re: Fiscal Year 2021 Gross Gaming Revenue Announcement

Dear Tribal Leader:

I want to make you aware of the upcoming announcement for the Fiscal Year 2021 Gross Gaming Revenue (GGR).

On August 10, 2022, the National Indian Gaming Commission's Vice Chair Jeannie Hovland and I will announce the GGR results live on the tradeshow floor at the Oklahoma Indian Gaming Association Tradeshow and Conference (OIGA) at the Tulsa Convention Center, Tulsa, Okla. This announcement will discuss the overall numbers, present regional breakdowns, and provide insight into ongoing preparedness efforts to ensure Tribal gaming remains strong.

I am inviting you to the live announcement on the tradeshow floor scheduled to occur at approximately 1:30 p.m. CDT on August 10th. If you are unable to attend in person, please be on the lookout for a near-simultaneous email that will come early afternoon on August 10th. This email will include a link to a pre-recorded video presentation that reflects the live announcement content. You may also visit the NIGC website at www.nigc.gov once we have made the live announcement to find a link to the GGR announcement video, press release, and information graphs.

If you have any questions about the upcoming announcement, please contact NIGC public affairs staff at contactus@nigc.gov.

Sincerely,

A handwritten signature in blue ink that reads "E. Sequoyah Simermeyer".
