Dear Ms. Newton:

This letter is in response to your request for the National Indian Gaming Commission (NIGC) to review and approve the November 12, 2000, Campo Band of Mission Indians Gaming Ordinance No. 008, Campo Band of Mission Indians Gaming Ordinance No. 009, and Campo Band of Mission Indians Gaming Regulation 001, Licensing and Background Investigation Procedures. The ordinances and regulation were adopted by Campo Band of Mission Indians General Council Resolution No. 11-12-00-001 and received in this office on December 4, 2000. This letter constitutes approval of your submission under the Indian Gaming Regulatory Act (IGRA). It is important to note that the gaming ordinance is approved for gaming only on Indian lands, as defined in the IGRA, over which the Tribe has jurisdiction.

Please note that, before obtaining and processing potential employees' fingerprints (Gaming Regulation 001, IV. E.), the Campo Band of Mission Indians must first enter into a Memorandum of Understanding (MOU) with the NIGC stating that all criminal results information will be viewed only by tribal government officials. In addition, the Tribe must send a certificate to NIGC stating that personnel who obtain and process potential employees' fingerprints have received proper training in fingerprinting from a law enforcement agency.

Note also that the ordinance's requirement covering personal references (Gaming Regulation 001, XII. C.) cites "paragraph (1)(b) of this Section." Since Section XII does not include a paragraph (1), that citation should be clarified.

Thank you for submitting the Gaming Ordinance for review and approval. The NIGC staff and I look forward to working with you and the Tribe on future gaming issues.

Sincerely,

A handwritten signature in black ink, appearing to read "Montie R. Deer". The signature is fluid and cursive, with the first name "Montie" being more prominent.

Gaming Regulation 001**

Licensing and Background Investigation Procedures

I. Purpose

This Regulation describes the procedures to be followed by the Campo Gaming Commission (the "Commission") when conducting background investigations and issuing licenses in connection with any class II or class III gaming facilities operated on the Campo Reservation pursuant to the Tribe's Gaming Ordinance.

II. Incorporation by Reference

This Regulation supplements the provisions of the Tribe's Gaming Ordinance, the Indian Gaming Regulatory Act (25 U.S.C. § 2701 *et seq.*) and its regulations (25 C.F.R. § 500 *et seq.*) ("IGRA"), and the gaming compact between the Tribe and the State of California (the "Compact"), which are incorporated herein. In the event of a conflict or inconsistency between this Regulation and the provisions of the Gaming Ordinance, IGRA or the Compact, the provisions of the Gaming Ordinance or the Compact prevail to the extent of the conflict or inconsistency. Unless specified otherwise, terms used herein shall have the same meaning as in the Gaming Ordinance or the Compact.

III. Scope

The following persons and entities are required to be licensed by the Commission, and as a basis for issuing a license the Commission must conduct or cause to be conducted a background investigation of those persons listed in subparagraphs A - C below:

- A. All employees, including key employees and primary management officials, employed at any class II or class III gaming enterprise operated under this Ordinance;
- B. Gaming resource suppliers required to be licensed under Subsection 6.4.5 of the Compact;
- C. Persons extending financing, directly or indirectly, to the Tribe's gaming facility or gaming operations; and
- D. Each place, facility, or location where class II or class III gaming is conducted under this Ordinance.

IV. Powers and Responsibilities

The Commission has the following powers and responsibilities:

- A. To conduct or cause to be conducted background investigations;
- B. To receive, directly or through its agents, state summary criminal history information, as defined in Subsection 11105(a) of the California Penal Code, as maintained under a license applicant's name by the California Department of Justice, and to take such measures as are reasonably necessary to prevent the release of such records or information to persons who are not authorized by law to receive the record or information;
- C. To prepare or cause to be prepared an investigative report in compliance with the Gaming Ordinance;
- D. To review and approve the investigative work done;
- E. To obtain and process fingerprints, directly or through its agents;
- F. To forward licence applications and the results of the background investigations to the National Indian Gaming Commission ("NIGC") and the State Gaming Agency, to the extent required by IGRA and the Compact;

V. Scope of Background Investigations

The Commission shall conduct or cause to be conducted all necessary background investigations reasonably required to determine that an applicant is eligible for a license in accordance with the standard set forth in Section IX of this Regulation. The minimum procedures for conducting background investigations on applicants for licenses are as follows:

- A. Criminal history check, including a check of records maintained by the Federal Bureau of Investigations and the California Department of Justice;

- D. Reference check;
- E. Previous business and employment check;
- F. Relative check;

The above information submitted by the applicant may be verified by written or oral communication. The disposition of all potential problem areas noted and disqualifying information obtained shall be documented by the Commission.

VI. Cooperation

The Commission shall cooperate with the State Gaming Agency in sharing as much background information as possible, in order to maximize investigative efficiency and thoroughness and to minimize investigative costs.

VII. Fingerprinting

The Commission shall be deemed to be the Tribe's law enforcement agency for the purpose of taking fingerprints and conducting criminal history checks under this Regulation. The Commission may elect to process fingerprint cards directly on behalf of the Tribe or to process fingerprint cards through the State Gaming Agency or the NIGC and may execute such documents as may be necessary to enter into such an arrangement. Fingerprint cards shall be submitted to the Federal Bureau of Investigations and the California Department of Justice in order to obtain criminal history record information.

VIII. Confidentiality

The identity of third parties interviewed during the course of background investigations shall be kept confidential.

IX. Eligibility Determinations

The Commission shall review an applicant's prior activities, criminal record, if any, and reputation, habits and associations to make a finding concerning an applicant's eligibility for a license. A license may not be issued unless the Commission is satisfied the applicant is a person of good character, honesty and integrity. The Commission shall not license a person if the Commission determines that the licensing of the person: poses a threat to the public interest or to the effective regulation of gaming; creates or enhances dangers of unsuitable, unfair, or illegal practices and methods and activities in the conduct of gaming or the carrying on of business and financial arrangements incidental thereto; or will undermine public trust that tribal gaming is free from criminal and dishonest elements and would be conducted honestly.

In making findings concerning the eligibility of license applicants, the Commission shall take into consideration any of the following circumstances:

- A. If the applicant knowingly and intentionally provided false statements or information or omitted relevant information on the application, or otherwise misrepresented or failed to disclose a material fact to the Commission;
- B. If the prior activities, criminal record, reputation, habits, and association indicate that the person may be a threat to the public interest or to the effective regulation and control of gaming;

- D. If the applicant has violated, failed, or refused to comply with the provisions, requirements, conditions, limitations, or duties imposed by any provision of the Compact or Gaming Ordinance, or possesses knowledge that such violation has occurred upon any premises occupied or operated by any such person or over which he or she has/had substantial control;

- E. If the applicant knowingly caused, aided, abetted, or conspired with another to cause any person or entity to violate any of the laws of any state, the provisions of the Compact or the Gaming Ordinance;
- F. If the applicant has ever obtained a license by fraud, misrepresentation, concealment, or through inadvertence or mistake;
- G. If the applicant has ever been convicted of, or forfeited bond upon a charge of, or plead guilty to forgery, larceny, extortion, conspiracy to defraud, willful failure to make required payment or reports to any Tribal, State, or U.S. Government agency at any level, or filed false reports therewith, or of any similar offense(s), or of bribing or otherwise unlawfully influencing a public official or employee of a Tribe, a State, or the U.S. Government, or of any felony or misdemeanor involving any gaming activity, physical harm to individuals or moral turpitude;
- H. If the applicant is subject to current prosecution or pending charges, or a conviction under appeal for any of the offenses listed above. Upon request of the applicant, the Commission may defer decision on the application pending the results of such prosecution or appeal;
- I. If the applicant has demonstrated a willful disregard for compliance with a gaming regulatory authority in any jurisdiction or has ever had a gaming license issued by any State, Tribe or foreign gaming regulatory agency suspended, revoked or denied; or
- J. If the applicant has failed to provide any information requested by the Commission within fourteen (14) days of the request for the information.

Failure to consent to the disclosures indicated in this notice will result in a tribe's being unable to hire you or do business with you. The disclosure of your Social Security Number (SSN) is voluntary. However, failure to supply a SSN may result in errors in processing your application.

- B. Existing licensees shall be notified in writing that they shall either:

- C. With respect to key employees and primary management officials, the Commission shall retain applications for employment and reports (if any) of background investigations for inspection by the Chairman of the NIGC or his or her designee for no less than three (3) years from the date of termination of employment.

XV. Reporting to State Gaming Agency

- A. Except for an applicant for licensing as a non-key gaming employee, as defined by agreement between the Commission and the State Gaming Agency, the Commission shall require the applicant to also file an application with the State Gaming Agency, prior to issuance of a license, for a determination of suitability for licensure under the California Gambling Control Act.

- B. Upon receipt of a completed license application and a determination by the Commission that it intends to issue a license, the Commission shall transmit to the State Gaming Agency a notice of intent to license the applicant, together with all of the following:
 - 1. A copy of the license application materials and information received by the Commission from the applicant;

XVI. Granting a Gaming License

- A. Key Employees and Primary Management Officials. If, within a 30-day period after the NIGC receives a report, the NIGC notifies the Commission that it has no objection to the issuance of a license pursuant to a license application filed by a key employee or a primary management official for whom the Commission has provided an application and investigative report to the NIGC, the Commission may issue a license to such applicant. The Commission shall respond to a request for additional information from the Chairman of the NIGC concerning a key employee or a primary management official who is the subject of a report. Such a request shall suspend the 30-day period until the Chairman of the NIGC receives the additional information. If, within the 30-day period described above, the NIGC provides the Commission with a statement itemizing objections to the issuance of a license to a key employee or to a primary management official for

whom the Commission has provided an application and investigative report to the NIGC, the Commission shall reconsider the application, taking into account the objections itemized by the NIGC. The Commission shall make the final decision whether to issue a license to such applicant.

- B. All Employees, Including Primary Management Officials. If an applicant has completed a license application to the satisfaction of the Commission, and the Commission has conducted a preliminary background investigation, the Commission may issue a temporary license and impose such conditions thereon as it deems appropriate pending completion of the licensing process, provided that the Commission has no information suggesting the applicant would either be automatically disqualified from obtaining a license or that would cause a reasonable person to investigate further before issuing a license. The Commission may issue a regular license to a person who meets the eligibility standards set out in Section IX of this Regulation after receiving a determination of the applicant's suitability from the State Gaming Agency. In the event the State Gaming Agency denies an applicant a determination of suitability or refuses to renew a determination of suitability, the Commission shall revoke any temporary license issued to the applicant and deny the applicant a license, except that the Commission shall have discretion to renew a license if the person is an enrolled member of the Tribe or has been continuously employed by the Tribe for at least three (3) years prior to the effective date of the Compact and also meets the following criteria:

1. The person holds a valid and current license issued by the Commission;
2. The person is not an employee or agent of any other gaming operation;
and
3. The State Gaming Agency's denial of the person's application for a determination of suitability is based solely on activities, conduct or associations that antedate the filing of the person's initial application to the State Gaming Agency for a determination of suitability.

XVII. Limitation

The gaming operation shall not employ or continue to do business with a person who does not have a license that is not a temporary license after ninety (90) days.

XVIII. Identification Cards

All persons who are required to be licensed pursuant to the Gaming Ordinance shall be required to wear, in plain view at all times while in a gaming facility licensed by the Commission, identification badges issued by the Commission. The identification badges must display the person's photograph, identification number, name, and expiration date of his or her license.

XIX. Gaming Facility

- A. The Commission shall issue a separate license to each facility where class II or class III gaming is conducted under this Ordinance. The license shall be posted in a conspicuous and public place in the gaming facility at all times.
- B. The Commission shall determine and, if appropriate, certify that each gaming facility, or the modification or expansion of a gaming facility, meets the Tribe's building and safety code and the Americans with Disabilities Act, 42 U.S.C. § 12101 *et seq.* based on an inspection by qualified building and safety experts.
- C. The Commission shall give reasonable notice of each inspection to the State's designated agent or agents, who may accompany any such inspection. The Commission and the State's designated agent or agents shall exchange any inspection reports within ten (10) days after completion of the report and simultaneously forward copies of such reports to Tribe's Chairperson.
- D. The Tribe is responsible for ensuring that any gaming facility condition noted in an inspection that does not meet the standards set out in paragraph B of this Section is corrected;
- E. If the State's designated agent or agents object to a certification by the Tribe's building and safety code experts that a gaming facility meets the standards set out in paragraph B of this Section, the Tribe shall make good faith efforts to address the State's concerns, but if the State does not withdraw its objection the matter will be resolved in accordance with the dispute resolution provisions of Section 9 of the Compact.

XX. Gaming Resource Suppliers

Any gaming resource supplier who, directly or indirectly, provides, has provided, or is deemed likely to provide at least twenty-five thousand dollars (\$25,000.00) in gaming resources in any 12-month period, or who has received at least twenty-five thousand dollars (\$25,000.00)

in any consecutive 12-month period within the 24-month period immediately preceding application, shall be licensed by the Commission prior to the sale, lease, or distribution, or further sale, lease, or distribution, of any such gaming resources to or in connection with the Tribe's gaming facilities. The Tribe shall not enter into, or continue to make payments pursuant to, any contract or agreement for the provision of gaming resources with any person whose application to the State Gaming Agency for a determination of suitability has been denied or has expired without renewal. Any agreement between the Tribe and a gaming resource supplier shall be deemed to include a provision for its termination without further liability on the part of the Tribe, except for the bona fide repayment of all outstanding sums (exclusive of interest) owed as of, or payment for services or materials received up to, the date of termination, upon revocation or non-renewal of the supplier's license by the Commission based on a determination of unsuitability by the State Gaming Agency.

XXI. Financial Sources

Any person extending financing, directly or indirectly, to the Tribe's gaming facilities or gaming operations shall be licensed by the Commission prior to extending that financing, provided that any person who is extending financing at the time of the execution of the Compact shall be licensed by the Commission within ninety (90) days of such execution. Any agreement between the Tribe and a financial source shall be deemed to include a provision for its termination without further liability on the part of the Tribe, except for the bona fide repayment of all outstanding sums (exclusive of interest) owed as of the date of termination, upon revocation or non-renewal of the financial source's license by the Commission based on a determination of unsuitability by the State Gaming Agency. The Tribe shall not enter into, or continue to make payments pursuant to, any contract or agreement for the provision of financing with any person whose application to the State Gaming Agency for a determination of suitability has been denied or has expired without renewal. A gaming resource supplier who provides financing exclusively in connection with the sale or lease of gaming resources obtained from that supplier may be licensed solely in accordance with licensing procedures applicable, if at all, to gaming resource suppliers. The Commission may, at its discretion, exclude from the licensing requirements of this section, financing provided by a federally regulated or state-regulated bank, savings and loan, or other federally- or state-regulated lending institution; or any agency of the federal, state, or local government; or any investor who, alone or in conjunction with others, holds less than 10% of any outstanding indebtedness evidenced by bonds issued by the Tribe.

XXII. Denial, Revocation and Suspension of License

A license shall be suspended, revoked or denied upon the occurrence of any of the following:

- A. Notification by the NIGC, or by any other reliable source, that the licensee is not eligible for a license under Section IX of this Regulation;

- B. Notification by the State Gaming Agency that it intends to deny an application for a determination of suitability or a renewal of determination of suitability;
- C. The Commission has probable cause to believe that the licensee has, by act or omission, violated provisions of the Compact, the Gaming Ordinance, the Tribe's Gaming Regulations, any condition of a Conditional Gaming License, or any other Federal, State or Tribal laws or regulations;
- D. The Commission has reason to believe that the continued licensing of a person constitutes an immediate threat to the public health, safety or welfare;
- E. The Commission has reason to believe that the licensee is involved in any theft, misappropriation, misuse or abuse of Tribal assets;
- F. The licensee engages in any conduct that brings discredit or embarrassment to the Tribe's gaming operations or the Tribe, or interferes with the normal operation of the Tribe's gaming facilities;
- G. The licensee fails to disclose any required information on any State or Tribal gaming license application;
- H. The licensee fails to respond to a request from the Commission within fourteen (14) days of the date of the initial request; or
- I. The licensee's employment with the Tribe's gaming operations is terminated, voluntarily or involuntarily.

XXIII. Due Process

The denial, suspension or revocation of a license pursuant to Section XXII of this Regulation shall require:

- A. Written, certified, return receipt requested or personally hand-delivered notification of the denial, suspension or pending revocation be given to the licensee ten (10) days in advance of the proposed action;
- B. Such written notification shall include information concerning the licensee's right to a hearing, shall specify the date, time and place for the hearing, and shall also advise the licensee that failure to appear for a scheduled hearing shall forfeit any further right to appeal;

- C. The Commission shall make a ruling within three (3) days, and the licensee shall be notified in writing, within three (3) days of the ruling, of the ruling and the licensee's right to file a petition with the Commission for a rehearing within fifteen (15) days of the receipt of the written notification;
- D. If the licensee files a petition for a rehearing within fifteen (15) days of receipt of the written notification described in the preceding paragraph, the Commission shall review any additional information submitted by the licensee with the petition and notify the licensee in writing of its decision, which shall be a final decision.
- E. Notwithstanding subparagraph A above, the Commission may suspend or revoke a license without advance notice if, in the opinion of the Commission, the continued licensing of the person:
 - 1. falsified a license application;
 - 2. poses an immediate threat to the integrity of the Tribe's gaming operations;
 - 3. poses a threat to public health or safety; or
 - 4. may violate the Commission's licensing or other standards.

XXIV. Duration and Renewal

All regular licenses shall be effective for two (2) years from the date of issue. Renewal applications must be received by the Commission at least thirty (30) days prior to the expiration of the license. Upon receiving a renewal application, the Commission shall inform the applicant of his or her obligation to apply to the State Gaming Agency for renewal of his or her determination of suitability. Any licensee applying for renewal may continue to be employed or engaged under the expired license until the Commission takes action on the renewal application. Applicants for renewal shall provide updated material as requested by the Commission but shall not be required to resubmit information already available to the Commission. Additional background investigations may be performed at the discretion of the Commission. Updated criminal history checks are required.

Prior to renewing a license, the Commission shall forward to the State Gaming Agency copies of the renewal application and related documents.
