Rhonda R. Swaney
Chairwoman
Confederated Salish and Kootenai
Tribes of the Flathead Nation
P.O. Box 278
Pablo, MT 59855

Dear Chairwoman Swaney:

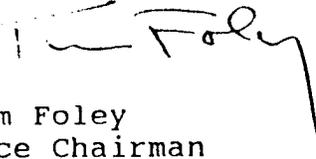

This letter responds to your request to the National Indian Gaming Commission (NIGC) for review and approval of your Tribal Gaming Ordinance, Ordinance #92(d), adopted on May 6, 1997, by the Confederated Salish and Kootenai Tribes of the Flathead Nation (Tribe). This letter constitutes such approval under the Indian Gaming Regulatory Act (IGRA).

Under the IGRA and the regulations of the NIGC, the Chairman is directed to review ordinances with respect to the requirements of the IGRA and the implementing regulations. Thus, the scope of the Chairman's review and approval is limited to the requirements of the IGRA and the NIGC regulations. Provisions other than those required under the IGRA or the NIGC regulations that may be included in a tribal ordinance are not subject to review and approval. Also, such approval does not constitute approval of specific games. It is important to note that the gaming ordinance is approved for gaming only on Indian lands as defined in the IGRA.

With the Chairman's approval of the Tribe's gaming ordinance, the Tribe is now required to conduct background investigations on its key employees and primary management officials. The NIGC expects to receive a completed application for each key employee and primary management official pursuant to 25 C.F.R. § 556.5(a) and an investigative report on each background investigation before issuing a license to a key employee or primary management official pursuant to 25 C.F.R. § 556.5(b).

Thank you for submitting the Tribal Gaming Ordinance of the Confederated Salish and Kootenai Tribes of the Flathead Nation for review and approval. The NIGC staff and I look forward to working with you and the Tribe in implementing the IGRA.

Sincerely yours,

A handwritten signature in black ink, appearing to read "Tom Foley". The signature is written in a cursive style with a long, sweeping tail that extends downwards and to the right.

Tom Foley
Vice Chairman

Section 8.07 Confidential Materials.

- (a) Prior to making any documents available to the Commission's legal counsel or designated agent, the Applicant or Licensee may designate any document it believes to contain confidential information as "Subject to a Confidentiality Claim" by so marking the document prior to providing a copy of the document to the Commission's legal counsel.

In making this determination, the Commission shall consider all facts and circumstances relevant to making a proper ruling.

- (d) In the event that the Commission rules during executive session that the document in question and/or information contained therein should be made part of the public record of the Commission's proceedings on the Application, the document and/or information contained therein will be made part of the public record unless the Applicant withdraws the document from the Commission's possession.
- (e) In the event the Applicant chooses to withdraw the document from the Commission's possession, the Commission will then weigh the withdrawal along with the other evidence in making its determination on the Application. Withdrawal of documents from the application process shall be looked upon by the Commission with disfavor, and depending on the facts and circumstances, the Commission may deem the withdrawal of any document to be sufficient cause in and of itself for denial of the License.
- (f) In the event that the Commission rules during Executive Session that the document and/or information contained therein should not be made part of the public record, the document shall be designated "Confidential" and will not be made part of the public record. The Commission may consider the document and information contained therein in camera in making its determination on the Application.
- (g) At the conclusion of the Commission proceedings on the License application, the Commission will return to the Applicant all documents marked as "Subject to a Confidentiality Claim" pursuant to Paragraph (c) above that were not (i) made part of the public record of the gaming License application or (ii) designated as "Confidential" and considered by the Commission in camera.

Testimony shall be recorded by a duly certified court reporter and may be used by the Commission as evidence in any proceeding or matter before the Commission. - (d) The Commission shall have the authority to eject from the hearings any person who is disruptive, disorderly, or who shows a lack of proper respect for the Commission or the nature of the proceedings.
