INDIAN
GAMING
COMMISSION

MAY 13 1994

Thomas Brown, Tribal Chairman
Elem Indian Colony
P.O. Box 618
Clearlake Oaks, California 95423

Dear Chairman Brown:

This letter responds to your request to review and approve the tribal gaming ordinance adopted by the Elem Indian Colony (the Colony) by Resolution 94-1 on February 12, 1994. This letter constitutes such approval under the Indian Gaming Regulatory Act (IGRA).

Under the IGRA and the regulations of the National Indian Gaming Commission (NIGC), the Chairman is directed to review ordinances with respect to the requirements of the IGRA and the implementing regulations. Thus, the scope of the Chairman's review and approval is limited to the requirements of the IGRA and the NIGC regulations. Provisions other than those required under the IGRA or the NIGC regulations that may be included in a tribal ordinance are not subject to review and approval. Such approval does not constitute approval of specific games. Also, the gaming ordinance is approved for gaming only on Indian lands as defined in the IGRA.

It is important to note that although the ordinance authorizes class III gaming pursuant to the IGRA, the Colony may only conduct such gaming after a tribal-State compact has been entered and approved by the Secretary of the Interior.

With the Chairman's approval of the Colony's gaming ordinance, the Colony is now required to conduct background investigations on its key employees and primary management officials. The NIGC expects to receive a completed application for each key employee and primary management official pursuant to 25 C.F.R. § 556.5(a) and an investigative report on each background investigation before issuing a license to a key employee or primary management official pursuant to 25 C.F.R. § 556.5(b).

Thank you for submitting the ordinance of the Elem Indian Colony for review and approval. The NIGC staff and I look forward to working with you and the Colony in implementing the IGRA.

Sincerely yours,

Anthony J. Hope

Section 5. Permitted Gaming Activities.

a. Unauthorized Gaming Prohibited. All gaming activities on the reservation (whether Class I, II or III) are prohibited except as expressly authorized under this Act.

(1) Class I Gaming. Class I gaming activities are hereby permitted to the extent consistent with tribal custom and practice. The Gaming Commission may prohibit and prevent any conduct which is claimed to be Class I gaming pursuant to a finding that such conduct is not in accordance with tribal customs or practices or violates IGRA or any other law.

(2) Class II and Class III Gaming. Class II and Class III gaming on the reservation is hereby authorized, provided the Tribe has the sole proprietary interest in and responsibility for the conduct of any gaming enterprise, or to the extent the Tribe may contract with and licensed a person or entity to own, operate or manage the enterprise pursuant to the provisions of IGRA or as otherwise permitted by law. Nothing herein shall prohibit the Tribe from engaging the services of non-tribal persons as employees thereof or engaging any person or entity to assist the Tribe in the management of a gaming activity pursuant to a management agreement entered into under the provisions of IGRA. Class III gaming shall be conducted in accordance with

any tribal-state compact between the Tribe and the State, or any alternative thereto as provided by IGRA.

Section 6. Gaming Revenues.

a. Tribal Property. Except as provided for under the terms of an agreement pursuant to the provisions of IGRA or as otherwise permitted by law, all revenues generated from any Class II or Class III gaming activity are the property of the Tribe. Any profits or net revenues from gaming activities shall be deposited into the Tribe's general treasury. Once becoming part of the treasury such funds shall lose any identity as gaming revenues except to the extent necessary to identify them as such in order to comply with applicable law. No Tribal Member shall be deemed to have any interest in such profits or net revenues, provided that the Tribal Council may adopt rules for distributing gaming proceeds to Tribal Members on a per capita basis provided such plan meets the requirements of IGRA, 25 U.S.C. § 2710 (b) (3). Payments from the general treasury funds to Tribal Members under other tribal programs, including those related to health, welfare, education, elderly care, and housing, shall not be deemed to be "per capita" payments.

b. Use of Net Revenues. Net revenues from gaming activities shall not be used for purposes other than:

- (1) To fund Tribal government operations or programs;
- (2) To provide for the general welfare of the Tribe and its members;
- (3) To promote economic development for the Tribe;
- (4) To donate to charitable organizations; or
- (5) To help fund operations of local government agencies.

Section 7. Operation of Gaming Establishments.

a. Gaming Permitted as Licensed. Except to the extent authorized by an agreement pursuant to the provisions of IGRA or as otherwise permitted by law, Gaming Activities shall only be conducted in tribally owned, operated and licensed facilities pursuant to the provisions of this Act. Such activities shall be conducted in accordance with the terms and conditions of any license issued by the Tribe for such purposes as to each facility before any Gaming Activities may occur therein. Such licenses shall specify the hours of operation, type and scope of gaming activities allowed therein, permitted uses of the facility for other activities, rules of conduct for

employees and patrons, regulation of alcoholic beverages, food handling and entertainment, and such other matters as the Gaming Commission or the Tribal Council may deem necessary to the conduct of gaming activities therein.

b. Protection of Environment and Public. Any construction or maintenance of any gaming facility, and the operation of gaming therein, shall be conducted in a manner which adequately protects the environment and the public health and safety.

c. Dispute Resolution. Patrons who have complaints against the gaming establishment shall have as their sole remedy the right to file a petition for relief with the Gaming Commission. For such purposes, disputes with any management contractor or its employees shall be made to the Gaming Commission, and such shall be the exclusive remedy for patron complaints. Complaints shall be submitted in writing and, at the discretion of the Gaming Commission, the petitioner may be allowed to present evidence. The Gaming Commission will render a decision in a timely fashion and all such decisions will be final when issued. Any patron having a claim against the gaming establishment or a management contractor or its employees must submit such claim to the Gaming Commission within thirty (30) days of its occurrence. All claims by patrons shall be limited to a maximum recovery of \$10,000 per occurrence, and a cumulative limit of \$20,000 per patron in any twelve (12) month period.

Section 8. Audits.

Annual Audits. Annual outside auditing by a recognized independent accounting firm shall be conducted of each gaming activity and the results thereof reported to the Tribal Council and, to the extent required by law, the Bureau of Indian Affairs and the National Indian Gaming Commission ("NIGC").

Section 9. Contracts.

a. Bidding. Contracts relating to gaming or any gaming facility over \$25,000 or for more than five years shall be subjected to a formal, sealed bidding process prior to submission to the Tribal Council for approval. All reasonable attempts shall be made to obtain and consider at least three responsible bids; provided, the Gaming Commission may waive the requirement for three bids upon good cause shown.

b. Audit Requirements. All contracts for supplies, services, or concessions for a contract amount in excess of \$25,000 annually (except contracts for professional legal or accounting services) relating to Class II or Class III gaming on the Reservation shall be subject to independent audits, and such contracts shall so specify.

Section 10. Licenses.

a. Licensing Requirements. It is the declared policy of the Tribe that all gaming activities be licensed and controlled so as to protect the morals, good order and welfare of tribal members and other persons on the reservation and to preserve the honesty, fairness and integrity of such gaming activities. Accordingly, no person shall engage in any Class II or Class III Gaming Activities on the Reservation without an appropriate and valid independent Class II or Class III license issued by the Gaming Commission. Any gaming license which is issued, or finding of suitability or approval by the Gaming Commission, shall be deemed a privilege subject to suspension or revocation. No license shall be issued that would place the Tribe in violation of any tribal-state compact to which the Tribe is a party, or of any applicable law.

b. Burden on Applicant. The burden of proving an applicant's qualification to receive any license hereunder is at all times on the applicant. Applicants must accept any risk of adverse public notice, embarrassment or other action which may result from the application process and expressly waive any claim for damages as a result thereof.

c. Applicant Claim of Privilege. An applicant may claim any privilege afforded by law in connection with a gaming license application or investigation, but a claim of privilege with respect to any testimony or evidence pertaining thereto may constitute sufficient grounds for denial, suspension or revocation.

d. Release of Information. All persons applying for a license shall agree to release all information necessary in order for the Gaming Commission to achieve its goals under this Section, and to furnish such information to the Bureau of Indian Affairs, the NIGC, or such other governmental agency as may be required by law.

e. Types of Licenses. Three classes of licenses (Class A, Class B, and Class C) shall be issued to persons associated with gaming activities.

(1) Class A Licenses. Before permitting any person to become permanently associated with any Gaming Activity as an investor or other person owning or controlling 10% or more of any interest in any management entity, or any primary management official, key employee, closely associated independent contractor, or other individual or entity with influence over the management or operation of the gaming, or a Class II or III gaming employee, supplier, manufacturer or distributor, such person shall obtain a Class A license. The Gaming Commission shall conduct or cause to be conducted a background investigation to determine if such person has:

(a) Any criminal record or any reputation, prior activities, habits or associations which might pose a threat

to the public interest or to the effective regulation of gaming.

(b) Anything else in their background which might create or enhance the dangers of unsuitable, unfair, or illegal practices and methods and activities in the conduct of gaming.

Persons who do not meet the above qualifications shall be denied a Class A license.

(2) Class B Licenses. Persons who are not among those identified in subsection (1) above, but are to be employed at a gaming facility on the Reservation in some other capacity, such as in non-gaming related activities, shall be required to obtain a Class B license from the Gaming Commission. Such persons must establish that they have not been convicted of a crime, or engaged in any activity, which the Gaming Commission in its sole discretion deems would render such person a danger to the safety or integrity of the Gaming Activities or the safety or property of the Tribe, any Tribal Member, any gaming employee or patron, or the public.

(3) Class C Licenses. Minors (persons under 18 years of age) employed at a gaming facility on the Reservation may be issued a Class C license, which will entitle them to work in any position for which a Class B license is required for adults and not otherwise prohibited by law, provided such minors are not deemed by the Gaming Commission to pose any threat to the safety or integrity of the Gaming Activities or the safety or property of the Tribe, any Tribal Member, any gaming employee or patron, or the public. Such licenses shall be valid for no more than six (6) months at a time and shall be revoked upon the minor's reaching the age of 18, at which time a Class A or B license, as may be appropriate, will be required. Minors shall not be employed as dealers or otherwise to operate or supervise the operations of games, or to serve liquor.

f. License Renewal. Class A and Class B licenses shall be subject to renewal at least every two (2) years, and may be revoked or suspended upon the occurrence of any act which, if known during the application process, would have tended to disqualify such person for such a license.

g. Temporary Licenses. Pending completion of an investigation for a license, temporary licenses of no more than ninety (90) days duration may be issued by the Gaming Commission if in its sole discretion it deems it appropriate to do so. Such licenses shall permit the licensee to engage in such activities and pursuant to such terms and conditions as may be specified by the Gaming Commission. Such temporary licenses shall expire 90 days from date of issuance, upon issuance of a regular license, or until an earlier specified expiration date, whichever occurs first.

h. License Investigations. The Gaming Commission may employ all reasonable means, including the engagement of outside services and investigators and the holding of hearings, to acquire the information necessary to determine whether or not a license should issue. Applicants shall also agree to release all information necessary in order for the Gaming Commission to achieve its goals under this section and to furnish such information to the Bureau of Indian Affairs, the NIGC, or such other agency as may be required by law.

i. License Fees. Unless specifically waived by the Gaming Commission, all persons applying for a Class A, B or C license shall be required to pay all applicable license fees and costs when due, including a reasonable deposit for costs incurred in obtaining information in connection with the license application. Applicants who are Tribal Members will not be charged a license fee or costs. Estimates of licensing costs shall be provided to applicants upon reasonable request. All fees and costs must be received by the Gaming Commission prior to issuance of the license.

j. Standards. All persons engaged by or associated with any gaming activity on the Reservation shall conduct themselves with honesty, integrity, and with such decorum and manners as may be necessary to reflect positively on the Tribe, its members and the Gaming Activities involved. Any failure to abide by such standards, or any violation of any rule, ordinance, custom or tradition of the Tribe, the Reservation or the Gaming Activity, or the terms or conditions of the license, may be grounds for immediate suspension or revocation of any license issued hereunder.

k. Appeals. All decisions of the Gaming Commission regarding the issuance of licenses shall be final and effective when issued; provided, within fifteen (15) days of the receipt of the written decision regarding denial of the license, the applicant may file a petition for reconsideration with the Gaming Commission. Any Tribal Member who is denied a license by the Gaming Commission may, within thirty (30) days of written notice of such denial, appeal the denial to the Tribal Council, which shall have the power to reverse the decision of the Gaming Commission and order that such license be issued, provided further that no such license shall be issued for more than one year, subject to the renewal procedures set forth herein, and provided further that no order of the Tribal Council that a license be issued shall be valid if such issuance would place the Tribe in violation of any tribal-state compact to which the Tribe is a party, or of any applicable law.

l. Background Investigations.

(1) The Gaming Commission shall request from each primary management official and each key employee all of the information specified in subsections (a) through (n) below. Further, each other applicant for a Class A license, except as provided otherwise by the Gaming Commission, shall also submit the information specified in (a) through (n) below. The Gaming Commission reserves the right, at any

time, to request additional information either prior to, during, or subsequent to any background investigation.

In conducting the background investigation, the Gaming Commission and its agents shall promise to keep confidential the identity of each person interviewed in the course of the investigation.

m. Eligibility Determination. The Gaming Commission shall review a person's prior activities, criminal record, if any, and reputation, habits and associations to make a finding concerning the eligibility of a key employee or primary management official for employment in a gaming operation. If the Gaming Commission determines that employment of the person poses a threat to the public interest or to the effective regulation of gaming, or creates or enhances dangers of unsuitable, unfair, or illegal practices and methods and activities in the conduct of gaming, the Gaming Enterprise shall not employ that person in a key employee or primary management official position or in any other position for which a Class A license is required, except as specifically established by the Gaming Commission.

n. Forwarding Licensing Applications and Reports to NIGC.

(1) On or before the date any key employee or primary management official is employed by a Gaming Enterprise authorized under this Act, the Gaming Commission, acting on behalf of the Tribe, shall forward to the NIGC the person's completed application for employment containing the information required above under section 10.l. of this Act.

(2) Prior to issuing a license to a primary management official or key employee, the Gaming Commission, acting on behalf of the Tribe, shall forward to the NIGC, together with a copy of the eligibility determination made under subsection 10.m. above, an investigative report on each background investigation. The investigative report on each background investigation shall be forwarded to the NIGC within sixty (60) days after the employee begins work, or within sixty (60) days of the

approval of this Act by the NIGC. The Gaming Enterprise shall not employ or continue to employ any person as a key employee or primary management official who does not have a license within ninety (90) days of beginning work.

The investigative report shall include the following information:

- (a) Steps taken in conducting a background investigation;
- (b) Results obtained;
- (c) Conclusions reached; and
- (d) The bases for those conclusions.

(3) The Gaming Commission, acting on behalf of the Tribe, shall provide to the NIGC or other agency, any other reports and information required by IGRA and regulations promulgated thereunder. Further, with respect to key employees and primary management officials, the Gaming Commission shall retain applications for employment and reports (if any) of background investigations for inspection by the NIGC for no less than three (3) years from the date of termination of employment.

(4) If a license is not issued to an applicant, the Gaming Commission shall notify the NIGC and may forward copies of its eligibility determination and investigative report (if any) to the NIGC for inclusion in the Indian Gaming Individuals Records System.

o. Granting a Gaming License.

(1) If, within a thirty (30) day period after the NIGC receives a report as required under subsection 10.n. above, the NIGC notifies the Tribe that it has no objection to the issuance of a license pursuant to the license application filed for a key employee or primary management official for whom the Gaming Commission has provided an application and investigative report, the Gaming Commission may issue the license.

(2) The Gaming Commission shall provide any additional information requested by the NIGC concerning a key employee or primary management official who is the subject of a report as required under this subsection. A NIGC request for additional information shall suspend the thirty (30) day period established under this subsection until the NIGC receives the additional information.

(3) If, within the thirty (30) day period established under this subsection, the NIGC provides a statement itemizing objections to issuance of a license to a key employee or primary management official, the Gaming Commission

shall reconsider the application, taking into account such objections. The Gaming Commission retains the right to make the final determination whether to issue the license to such applicant.

p. License Suspension.

(1) If, after issuance of a gaming license, the Tribe receives reliable information from the NIGC or other reliable source indicating that a key employee or a primary management official is not eligible for employment under the eligibility criteria established in section 10. above, the Gaming Commission shall suspend the license and shall notify the licensee in writing of the license suspension and proposed revocation.

(2) The Gaming Commission shall notify the licensee of a time and place for a hearing on the proposed revocation of a license.

(3) After the revocation hearing, the Gaming Commission shall determine whether to revoke or to reinstate the gaming license. For actions taken in response to information provided by the NIGC, the Gaming Commission shall notify the NIGC of its decision.

q. Facilities Licenses. Before gaming activities can be conducted therein, the Gaming Commission shall inspect and license each such facility in accordance with this Act and any requirements of IGRA. Facilities in which Gaming Activities were taking place on the date this Act was adopted shall be deemed to have qualified for and be operating under such a license upon adoption of this Act.

Section 11. Application Forms.
